IRVINE UNIFIED SCHOOL DISTRICT

LANGUAGE DEVELOPMENT PROGRAMS

Date: **June 2020**

Subject: ***2020-2021 Initial ELPAC Location Testing Site Location Change and Important Guidelines***

Dear Parent/Guardian,

We would like to inform you that the location for the Initial English Language Proficiency Assessments for California (IELPAC) has changed. We will be conducting assessments at **El Camino Real Elementary School – 4782 Karen Ann Lane, Irvine, CA, 92604**. Please come to this location on the date and time of your scheduled appointment located on your E-Ticket to Test or the purple ticket you received during enrollment. See next page for a map.

We have put in place guidelines in order for everyone to stay safe. Anyone that does not follow the guidelines will be asked to reschedule their testing appointment to another date. The new guidelines are:

(1) **Only one parent/guardian** per family can bring the student(s) to the testing facility.
(2) **Face masks** must be worn by parent/guardian and students.
(3) **Health Clerks** will be taking temperatures before testing. If your child is running a fever, we will reschedule the appointment to a later date.
(4) **Parent/guardian of 3rd through 12th graders will be asked to leave the testing site** after the student is called in for testing. Parent/guardian will be contacted by telephone when student is ready to be exited.

Remember to:

- Come to the testing site to check-in 10 minutes prior to your appointment time.
- Bring your purple ticket or E-ticket (either on paper or on an electronic device).
- Be prompt or call to reschedule your appointment.

Thank you so much and we look forward to meeting you and your child.

Shelley Waldrup, M.Ed.
Coordinator, Language Assessment and Evaluation
