2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Sierra Vista Middle School (SVMS) is a traditional calendar school in the suburban community of Irvine. SVMS, one of six traditional calendar middle schools in the Irvine Unified School District, opened its doors in 1981. Today SVMS is dedicated to serving 1200 students in grades seven and eight. SVMS has a very diverse community of students who were born in all around the world and have native speakers representing many different languages.

In recent years, staff has collaborated on redefining our mission and vision statements. Our mission is: Empower and inspire all students to be curious, kind, and resilient lifelong learners by fostering a safe and supportive environment with high expectations. Our vision is: To foster a thriving community where students begin to discover their full potential and work toward becoming positive leaders in the world.

Parents are key partners of our school community. The SVMS PTSA coordinates parent volunteers for a number of school activities and events, including the first day of school kick-off, picture days, school dances, fundraising events, and the eighth grade promotion dance. Parent participation opportunities also exist on the SVMS School Site Council, the English Learner Advisory Committee, and for volunteers who work with individual staff members to do everything from shelving and repairing library books, to designing and making the costumes and sets for the annual school musical production, to chaperoning our student events, and mentoring our Science Olympiad competitors.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	1.40	1.30
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	1.40	1.30

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	3.7	3.5
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

School Facility Conditions and Planned Improvements

Sierra Vista's extensive facility modernization project was completed in 2008. The scope of the project included a face lift to all classrooms, removal of open walls in favor of closed walls in all classrooms, ADA upgrades for all restrooms, sinks and drinking fountains, two room conversions to new science labs, and new configuration in the media center to maximize usable space. In the spring of 2014, the entire campus was upgraded for internet bandwidth capability. The new hardware was installed to allow each student access to the internet using a minimum of 2 wireless devices, for use in the classroom under teacher supervision. In 2017 the entire campus received an additional upgraded installation of hardware for internet usage increasing the bandwidth, the internet speed, and ensuring that all wireless devices on campus will be available without "dropping" service. Voters in Irvine passed a facilities bond measure in 2016 and Sierra Vista received a new science facility with four classrooms (labs) and teacher work spaces. The science building construction project began in the summer of 2018 and opened to students in August of 2019. During 2019, we invested in new classroom furniture for 6 different classrooms on campus. We extended this improvement effort in 2020 with an additional 2 sets of new classroom furniture, 2 new sets of conference room furniture, and we painted the lounge and conference rooms in the school colors. Additionally in 2020, we installed an outdoor shade structure in the PE area to accommodate for both PE and outdoor learning environments. During the fall of 2021, we brought on 160 new desks and chairs for student use and renovated our Library Media Center. During the 23-24 school year, we painted the exterior of the school and have expanded to use Westwood to house some of our classes as our school continues to expand. We are preparing for further expansion in securing two portables with a possible Well Space for student use.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	73	77	68	69	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

The SVMS PTSA coordinates a Family Engagement Program, organizes parent volunteers for a number of school activities and events beginning in the summer with the first day of school kick-off, picture days, school dances, fundraising events, and in the spring, the eighth grade promotion dance. Parent participation opportunities also exist on the SVMS School Site Council, the English Learner Advisory Committee (ELAC), and volunteers who work with individual teachers such as band/orchestra, musical theater, Science Olympiad, robotics, library services, CyberPatriot, ASB, and Math Counts.

2022-23 Chronic Absenteeism by Student Group

2023-24 School Safety Plan

Sierra Vista School has developed a comprehensive Safe School Plan. Our plan is evaluated yearly and amended, as needed, by the assistant principal and SVMS School Site Council. Key elements of the plan include: 1. Assessing the current status of school crime, 2a. Child Abuse Reporting Procedures, 2b. Disaster Procedures-Routine and Emergency, 2c. Policies for Suspension, Expulsion and Mandatory Expulsion, 2d. Procedures for Notification of Staff Regarding Dangerous Students, 2e. Policies on Sexual Harassment, 2f. Policy Relating to School Dress Code (especially gang-related apparel), 2g. Procedures for Safe Ingress and Egress of Pupils, Parents, and School Employees To and From School, 2h. Procedures that Create a Safe and Orderly Environment Conducive to Learning at School, 2i. Rules and Procedures on School Discipline. One of our ongoing goals is to increase our disaster supplies so that students can be taken care of should an emergency occur. In addition, we practice evacuating the buildings and simulating a crisis situation in order to help assure that all staff and students understand the procedures. Sierra Vista students and staff participate in the Southern California Great American Shake Out disaster preparation drill annually. The staff regularly participates in training sessions in conjunction with the Irvine Police Department to design and practice procedures for lock-down and violent intruder situations that could arise on a school site. Continuing drills take place annually. Additional student instruction includes training provided by counselors on recognizing and valuing diversity of all types, as well as on recognizing and respecting differences. Our continuing focus is to educate students about dealing with bullying situations, at home, school and electronically. This year the Sierra Vista staff continues its successful implementation for PBIS (Positive Behavior Intervention and Supports). The programmatic vision is to reduce the number of inappropriate behavior issues so that students and staff may spend more quality time focused on academics. The three key words for our PBIS program are responsibility, integrity, and respect. The school's slogan for PBIS is to Charge the Way, and we focus on the positives by stressing that each student has the power to lead by example. We employ a full time and part-time campus control supervisor to assist with school climate and to help promote a safe school environment for our students.

Fiscal Year 2022-23 Types of Services Funded

State, federal, and local dollars support students in K-12 public schools. The largest funding source is from the state under the Local Control Funding Formula. The Local Control Funding Formula (LCFF) is the method of allocating funds to school districts. The LCFF model has three sources of state funding with local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Fiscal Year 2022-23 Types of Services Funded

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program , 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Maintain positive behavioral intervention and support program, 12) Maintain site staffing with full-time assistant principals, 13) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 14) Support interventions and supplemental programs impacting English learners, low income and foster youth, 15) Continue to build Career-Technical Education pathways and blended on-line learning opportunities for students, 16) Implementing mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English learners, low-income students, and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

Federal funds are designed to supplement state resources by narrowing funding gaps for at-risk students, including students with disabilities, foster youth, students experiencing homelessness, and socioeconomically disadvantaged households. Federal grants include:

Title I under the Elementary and Secondary Education Act (ESEA) and Part B under the Individuals with Disabilities Education Act (IDEA)

Funds are used to support effective evidence-based educational strategies that close the achievement gap and enable students to meet the state's challenging academic standards. All schools identified for Title I operate Schoolwide Programs.

Title III funds assist with language instruction for English Learners (EL) and immigrant students.

Title IV funds are used to increase district/site capacity to provide all students with access to a well-rounded education, improve conditions for student learning, and improve the use of technology to improve the academic achievement and digital literacy of all students.

Finally, the Irvine Unified School District is proud of the partnerships with the Irvine Public School Foundation (IPSF), and the City of Irvine with the Educational Partnership Fund (EPF) that support programs and services for all students.

Professional Development

All staff were provided a survey asking them to identify desired areas of growth and professional development. The PD plan for the year directly resulted from this survey. The site Leadership Team examined the District's Continuous Improvement Efforts, Annual Survey data, and Social Justice standards in order to come up with an appropriate schoolwide goal. The objective for the year is focused on collaboration--as a staff and for our students. Focus areas on this drilled down include building community, wellness and mental health, Standards Based Grading, and consistent schoolwide practices that will lead to AVID. In paying close attention to celebrating diversity and acceptance of one's identity, creating programs that bring students back together--inside and outside of the classroom--we will improve school climate and culture.

Staff Development days will occur once each month for 60 minutes.

This table displays the number of school days dedicated to staff development and continuous improvement.
