

DEERFIELD ELEMENTARY SCHOOL

CELEBRATION BOOK CLUB

Dear Parents,

Celebrate your child's birthday, special occasion, or notable and help our library continue to grow. Participation in the birthday book program is optional. It involves just a \$15 donation per child. Most library books actually cost between \$15 and \$20. These are high quality children's books that our library can really use.

This is how it works:

- You are giving the library a gift in your child's name. Send in the completed form with \$15 (cash preferred) to your child's teacher.
- Your child selects a new book (his or her choice!) from the Celebration Book club selections in the library. The inside front cover of the book will have his/her name and birth date inscribed on a bookplate. The child also has a picture taken for our bulletin board and the honor of being the first to check out the new book.
- All children (grades 1-6) who donate a book will be honored at our Wednesday Morning Ceremony (TK/Kindergarten students will be honored in their classrooms).

Children have a special appreciation for the books they select to add to our library shelves. They enjoy sharing them with their classmates and teacher. Plus, these books will remain throughout all their years at Deerfield Elementary School. It's a wonderful way to celebrate and to help our library maintain a high-quality collection.

The easiest way to participate in our Library Enrichment Program is to send a check payable to "Deerfield Elementary School" or cash (preferred) for \$15 along with this form. We thank you for your participation and continued support of our school library!

Please Detach and Return to Library
