

Deerfield TITLE 1

January 20, 2010

Dear Parent,

Your child has been receiving services from a staff member who is supported by Title I funding. Depending on the grade level, these services are typically delivered during PRIDE (RtI) time or our after-school programs.

You are invited to attend our upcoming:

Title I Parent Meeting
February 5, 2010
8:00 a.m.
Room 16

An agenda for the meeting is attached.

One of the benefits of being a parent of a student who is receiving Title I services is giving input about issues that affect your child's education. We will be asking parents for input on two Deerfield documents: The "Parent-Teacher-Student Compact" and the "Title I Parental Involvement Policy". Both of those documents can be found on our Deerfield website (<http://iusd.org/de/>). On the website they are under "Important Announcements" → "Parents we need your input." We would love to hear your comments, suggestions or questions about those documents.

A real bonus at this Parent Meeting will be that our Interim Principal, Mr. Dennis Gibbs, will be available to answer your. Prior to his retirement a year and a half ago, Mr. Gibbs was the Director of Elementary Education for the whole district. This is a great opportunity to tap into his deep reservoir of information.

We will have some goodies to eat and some door prizes. I hope you can join us.

Sincerely,

Janelle Langum Willoughby
Title I Coordinator
