

**EDUCATION THROUGH THE PERFORMING ARTS**

---

Dear Parents:

We are pleased to inform you that your child has chosen to enroll in the **vocal music program** this year. The purpose of this class is to give every student the opportunity to experience the joy of singing and performing, while developing the voice as an instrument. Proper vocal technique will be emphasized, as well as skills in reading music and singing in harmony. Your child will explore a wide variety of music styles and the program will stress the importance of responsibility, commitment, and teamwork in the completion of projects undertaken. Through this musical experience, your child’s creativity, self-esteem, and self-discipline will flourish.

- The vocal music class is a year-long class.
- Class participation requires one evening performance.
- All students must bring necessary classroom materials that are requested by the teacher.
- Students are expected to complete homework and practice assignments.
- Students will receive an academic and effort grade.

Thank you for your continued support of our music program. If there are any questions, please feel free to call (936-5081).

Sincerely,

Vocal Music Educators  
Irvine Unified School District
