

BIRTHDAY BOOK CLUB

Thank you to all families who have participated in Greentree's Birthday Book Club in past years.

We have added 650 books to our school library in the 8 years since we began the program. We know budgets are tight for schools and families, so we greatly appreciate your donation to help our library grow.

This year, birthday letters will be sent home four (4) times through the school year. The first letter will celebrate birthdays in September, October and November.
