Enrollment Information For School Year 2009-10

Plaza Vista is a K-8 year-round school in the Irvine Unified School District. We are a highly impacted school so we have 3 waiting lists. Plaza Vista accepts Interest Cards from families who wish to enroll their children at Plaza Vista for the following school year in order to put your name on a waiting list. The 1st list is for families that live in the Plaza Vista neighborhood, the 2nd list is for residents west of Harvard between Barranca and Irvine Center Drive, and a 3rd list exists for the rest of Irvine.

Beginning **January 12, 2009**, Plaza Vista will accept Interest Cards from families wishing to enroll for the 2009-10 school year. Interest Cards will be available in the school office. Currently, Plaza Vista has waiting lists for all grade levels - the exact number of openings won't be known until next year. **Note that the deadline to submit a completed Interest Card to the Plaza Vista school office is Friday, February 27, 2009 at Noon.**

Siblings of Current Plaza Vista Students

Siblings of current Plaza Vista students who are on Plaza Vista's waiting list for next school year will have priority to enroll for an available opening within a specific grade level. *However, an Interest Card must be turned in to maintain a sibling's current position on the waiting list for next school year. An Interest Card must also be turned in for any siblings entering Kindergarten for next school year.*

Lottery Drawing on February 27, 2009

On February 27, 2009 Plaza Vista will hold its lottery drawing for those students who submitted an Interest Card and are not already on the waiting list. The lottery will determine new student's position on the waiting list. Students that are already on the waiting list — and have submitted another Interest Card — will simply maintain their current position on the list.

After the lottery, Plaza Vista will then begin the process of matching available openings in each grade level to the students on the updated waiting list. *(NOTE: Plaza Vista will continue to accept Interest Cards through August 2009. Depending on the grade level, Plaza Vista may be able to accommodate students who submitted a late Interest Card if there is an opening in a specific grade level, even after school begins in July 2009.)*

Kindergarten Online enrollment will be available in March 13, 2009.
