

VISTA VERDE FOUNDATION

The Vista Verde Foundation was established in 2000 with the mission to help enhance the educational environment for Vista Verde School students, parents, and staff. The Foundation is a **Non-Profit Organization** that is supported solely from donations, and receives no funds from tax dollars.

The Foundation focuses on **Capital Improvements** to the school (i.e. physical additions). No longer a participant in the Annual Commitment Fundraiser, the Foundation looks to raise funds for specific needs, both short term and long term.

FOUNDATION-FUNDED IMPROVEMENTS

Since moving to the New School site in 2006, the Foundation has been instrumental in helping to raise funds for our new campus facility including:

- a. An extraordinary **Tile Wall** that depicts every child and staff that entered the new school, plus a legacy tile from each eighth grade student who graduated that year. In addition, many parents, business partnerships, and families also are represented on the tile wall.
- b. State of the art **Marquee** with the ability to provide up-to-date announcements, student activities, and acknowledgements.
- c. Increased **Lighting and Sound Equipment** for the Multi-Purpose Room.
- d. Supplemental **Physical Education Equipment** such as portable volleyball standards, primary field soccer goals, kindergarten basketball hoops, and hockey equipment.
- e. Supplemental **Fine Arts Supplies**.
- f. Student **Worktables** for Middle School Ceramics Class.
- g. Playground **Maps and Games**.
- h. **The Blinds** in the Multi-Purpose Room, and **Shade Umbrellas** in the courtyard outside.
- i. Pots and California Native Plant programs.
- j. The **Kindergarten Garden** project, which was done in conjunction with an Eagle Scout program.
