

BE COOL AT SCHOOL!

Shade continues to be a **HOT** topic at Vista Verde K-8 School in Turtle Ridge! We are a year-round school and there is a *BURNING* need for breaks from the SUN...using outdoor seating and shade structures. To raise funds for these additions, PERSONALIZED BENCHES and CUSTOM GAME TABLES WITH UMBRELLAS (see samples at front of school) will be available for sponsorship, which can be purchased individually, or as a group. Thanks to all those families who have already contributed! To those who have not, here are our goals:

- **Class Tables:** With 100% participation, each student can contribute to honor their teachers on their current grade's own table! **\$35/student** (\$25 for additional children within same family).
- **Metal Benches** with Bronze plaque: \$3,000 (can be shared by up to 3 participants)
- **Game Tables:** \$3,000 (2 remain for personal or corporate sponsorship)

These fixtures will be part of our school for many years to come, and will be greatly appreciated by the children, staff, and parents at Vista Verde. Proceeds will be used to fund construction of large-scale shade structures over the playground equipment. Please help us to "*Be Cool at School*" and to our children.
