

12. Qualifications of Persons Preparing the SEIR

The following individuals were involved in the preparation of this SEIR and/or technical reports in support of the SEIR. The nature of their involvement and background and qualifications are summarized below.

12.1 THE PLANNING CENTER/DC&E

Preparation of Data and SEIR Analysis

Dwayne Mears, AICP.

Principal, Environmental Services

- BS, City and Regional Planning, California Polytechnic State University, San Luis Obispo
- MRP, City and Regional Planning, University of North Carolina
- Member, American Institute of Certified Planners
- 30 years of experience preparing and managing EIRs.

Elizabeth Kim

Associate Planner

- BA, Environmental Analysis and Design, University of California, Irvine
- MURP, Urban and Regional Planning, University of California, Irvine
- 15 years of experience preparing EIRs

Peter Garcia

Associate Principal

- BS, Biology, Loyola Marymount University
- 20 years of experience with Comprehensive Environmental Response Compensation & Liability Act, Resource Conservation & Recovery Act, California Environmental Quality Act

Denise Clendening, Ph.D.

Associate Principal

- BS, Geology, University of California, Riverside
- MS, Soil Science, University of California, Riverside
- PhD, Soil Physics, University of California, Riverside
- 28 years of experience providing technical oversight and performing human health risk assessments, site assessments, and investigations of chemical waste

12. Qualifications of Persons Preparing EIR

Nicole Vermilion

Associate Principal, Air Quality/GHG

- BA Environmental Studies and BS Ecology and Evolutionary Biology, University of California, Santa Cruz.
- MURP, University of California, Irvine.
- 10 years of experience preparing and managing EIRs.

Bob Mantey

Manager, Noise, Vibration & Acoustics

- BS, Engineering, Harvey Mudd College, Claremont, California
- 32 years of managerial and technical experience in applied engineering acoustics and industrial noise control

Cathy Fitzgerald, PE, D.Env.

Senior Scientist

- BA, Biology, University of California, Los Angeles
- MA, Marine Biology, University of California, Santa Barbara
- DEnv, Environmental Science and Engineering, University of California, Los Angeles
- 30 years in Environment Science and Engineering

Michael Watson, PG

Associate Geologist

- BS, Geology, University of California, Riverside
- 10 years of site assessments, geohazard studies, air quality and industrial hygiene assessments, groundwater investigations, and remedial actions

John Vang

Associate Planner

- BA, Anthropology, University of California, Los Angeles
- Juris Doctor, Cleveland-Marshall College of Law, Cleveland State University
- Master of Urban Planning, Design, & Development, Cleveland State University
- 7 years of experience preparing air quality, greenhouse gas, and noise technical analyses.

Akshay Newgi

Assistant Planner

- BS, Civil Engineering, University of Mumbai, India
- MS, Environmental Engineering, Old Dominion University
- 1 year of experience in preparing air quality and GHG analyses

12. Qualifications of Persons Preparing EIR

12.2 IBI GROUP

Transportation/Traffic and Parking

William Delo, AICP
Associate

- B.A., Environmental Analysis and Design
- 13 years experience preparing traffic studies

Lydia LaPoint, P.E., LEED AP
Senior Transportation Engineer

- B.S., Civil Engineering
- 11 years experience preparing traffic studies

Colleen Hsieh
Transportation Engineer

- B.A., Environmental Analysis and Design
- 6 years experience preparing traffic studies

Matt Redmond
Transportation Engineer

- B.S., Astrophysics
- M.S., Civil Engineering
- 2 years experience preparing traffic studies
