

May 9, 2017

Dear Bonita Canyon Community,

Recently, the Irvine Unified School District's Facilities and Construction team held a public meeting about Measure E implementation on our campus, which will begin this summer. During the meeting, the team shared the exciting changes coming to our school and provided information about the construction schedule.

During this first series of Measure E funds, Bonita Canyon will receive interior doors on our classrooms, and modernizations to our heating and air conditioning systems. These Measure E upgrades will improve safety, comfort and the learning environment for our students.

Construction will begin this June, after the last day of school, and will be completed in August, prior to the start of the 2017-18 school year. All construction staging and work areas on the exterior will be fenced off for safety reasons. Rainbow Rising, our day care program, will be located at Alderwood Elementary School and will not be effected by our construction.

To view the Facilities and Construction team's presentation, the construction timeline, renderings of the work that will be done, please visit iisd.org/MeasureEbc, which is Bonita Canyon's dedicated Measure E webpage. Here you will find ongoing updates and information about Measure E projects on our school, including proposed Series II Measure E upgrades to Bonita Canyon in the coming years.

If you have any questions or concerns that are directly related to our school, please contact my office. For Measure E and project specific questions, please send an email to the District's Measure E team at MeasureE@IUSD.org. For general Measure E information, visit iisd.org/MeasureE.

Thank you in advance for your support and engagement. I will work with the District to provide regular Measure E updates to our school community; you can also access information any time on our Measure E webpage.

I look forward to the upgrades this summer, which will make Bonita Canyon an even better learning environment for our students.

Sincerely,

Corey Pace
Principal
