School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

University Park was the first elementary school built in the Irvine Unified School District in 1967. The staff and community are proud of its heritage and particularly their commitment to meet the challenges of providing a top notch education to a dynamic population. University Park is a Title 1 school, houses one of our district's Newcomer English Learner Programs and serves our special education population with a Learning Center model, maximizing learning in the least restrictive environment. We celebrate the diversity of cultures as our families come from all over the world and over 20 languages are spoken school wide.

University Park's mission is to have ALL staff collaborate in ways that result in the creation and continuous implementation of a learning model that maximizes learning for ALL students in ALL learning environments. Our teachers attend professional development to ensure the implementation of best instructional practice. We at University Park consider the whole child and were one of the first schools to implement Positive Behavior and Intervention Support (PBIS) school wide. We believe that if we teach expected behaviors and support that learning with positive reinforcement that we can maximize instructional time with a rigorous curriculum. Through PBIS, we teach and instill the habits of Punctual & Prepared, Respect, Integrity, Dependability and keeping Everyone Safe, known as Panther P.R.I.D.E. Additionally, we address students social and mental health concerns with a Guidance Technician who provides social skills and problem solving curriculum in the classroom, small group and one on one support two days a week. Our Elementary Resource Counselor is on campus three days per week and also provides small group, one on one counseling, and lunch time social groups.

University Park teachers and staff focus on respect of the individual student, their learning strengths, and the belief that while students may have learning challenges, ALL students can learn.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

University Park was built in 1967 and is one of the original IUSD schools. In 2005, the school underwent an extensive modernization of our campus and is slated for further improvements beginning in 2021. The modernization completed in 2005 provided our multipurpose room with new acoustics and lighting for staged productions, new playground equipment and playground resurfacing, Nurse's Office and Conference Room. During this time our library was expanded and a computer lab was created with seating for forty students. In 2017 our computer lab was transformed into our Innovation Lab with flexible seating, multiple projectors, green screen, and enhanced technology for student use. Recent facility improvements include strengthening the technology infrastructure to support 1:1 access to technology throughout the entire campus, installing security cameras, and installing auto-lock doors to improve safety response systems on campus.

In Fall 2018 our landscaping was renovated school-wide including replanting the slope on Sandburg and all internal planters. Continued attention to ongoing maintenance keeps the school clean and well landscaped.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	62	63	74	74	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Research has shown that a major contributing factor to a child's success in school is directly related to their parents' involvement in their education at home and at school. We encourage a high degree of parent involvement in every aspect of school life. We have a strong PTA, and parent members on our School Site Council, and English Language Advisory Council. Parents volunteer in classrooms, our media center and in our workroom on a daily basis.

As a Title 1 School, we have a Parent Involvement Policy that is reviewed and updated each year by our School Site Council, listing the variety of volunteer opportunities available to our community. In addition to volunteerism, parents are invited to goal setting and discussion of student progress at parent conferences each fall and and spring. We also provide educational opportunities for parents that include parenting support through Irvine Family Resource Center, Family Math Night, PBIS and GATE/APAAS information evenings. Our parents play an integral role in school improvement and our educational program through fundraising, classroom support and participation in the LCAP process.

Parent-school dialogue is encouraged with community service activities, regular voice messages and emails from the school principal, regular email and newsletters from the classroom teachers, our school and district websites, individual student contracts and student organizer notes.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2019-20)

We have a comprehensive emergency preparedness plan which was updated September, 2019. The policy includes detailed procedures for a variety of possible emergencies including earthquakes, fires, site evacuations, and lockdown situations for intruders on campus. We work each year with the Irvine School District to perform monthly practice drills and simulate necessary communications utilizing satellite radios. Students are taught during these drills exactly what procedures to follow in the event of an emergency. All students are kept on campus and supervised by school staff. Additionally, our staff is trained annually by both district/site professional development activities and in coordination with the Irvine Police Department. Emergency response teams have been identified within our school site staff and each member has been trained in their responsibilities. Emergency supplies are maintained for the safety and protection of our students. We have phones installed in every classroom and an electronic security system in key areas of the school.

Our school has developed a comprehensive Safe School Plan which is evaluated yearly and amended as needed. Key elements of this plan include: 1. Assessing the current status of school crime committed on the school campus and at school-related functions, 2a. Child Abuse Reporting Procedures, 2b. Disaster Procedures-Routine and Emergency, 2c. Policies for Suspension, Expulsion and Mandatory Expulsion, 2d. Procedures for Notification to Staff regarding dangerous students, 2e. Policies on Sexual Harassment, 2f. Policy relating to School Dress Code (especially gang related apparel), 2g. Procedures for Safe Ingress and Egress of Pupils, Parents, and School Employees To and From School, 2h. Procedures that Create a Safe and Orderly Environment Conducive to Learning at School and 2i. Rules and Procedures on School Discipline.

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2018-19)

The Local Control Funding Formula has replaced California's previous method of allocating funds to school districts. In place of more than 40 specific funding categories, the new model has established three sources of state funding with increased local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program, 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Middle school zero period program, 12) Maintain positive behavioral intervention and support program, 13) Maintain site staffing with full-time assistant principals, 14) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 15) Support interventions and supplemental programs impacting English learners, low income and foster youth, 16) Continue to build Career-Technical Education pathways and blended On-line learning opportunities for students, 17) Develop mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

Professional Development (Most Recent Three Years)

Number of school days dedicated to Staff Development and Continuous Improvement	6	6	6

Staff Development Days

2017-2018: This year the focus of our professional development hours centered around PLC's, intervention, data and assessment, and social emotional learning. To support the social, emotional and behavioral needs skills necessary for all students, especially our at-risk students, to be academically successful in the classroom we partnered with a non-profit organization called Playworks. Playworks' mission is to improve the health and wellbeing of children by increasing opportunities for physical activity and safe, meaningful play. Our goal in bringing the Playworks program to University Park is to increase our focus on the needs of our low income students and providing them as many opportunities as possible to help them achieve a high level of healthy play. Research shows that play is an essential developmental tool to improve the educational environment for every student. In the 2017/18 school year, the District adopted a new Language Arts series, and as a school site we have incorporated WIN (What I Need) time to assist with intervention and enrichment for all our students. This time allows us to provide instruction for all students based on specific learning targets.

2018-2019: Additional staff development this year (2018-19) has included a continued emphasis on PLC's specifically increasing our reliance on formative and summative assessment data to guide instruction. We have also spent time collaborating on ways we can best support our students as they develop socially and emotionally.

2019-2020 Staff development this year (2019-20) has included a continued emphasis on PLC's specifically increasing our reliance on formative and summative assessment data to guide instruction. Tier 1 instructional strategies and intervention tools were also included in professional development and PLC meetings. We have also spent time collaborating on ways we can best support our students as they develop socially and emotionally. Staff participated in Restorative Practices training led by OCDE in August and October 2019. Calm Classroom trainings occurred 4 times throughout the year.
