## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

Loma Ridge opened in August of 2019 and is located in the Irvine village of Portola Springs serving students in kindergarten through sixth grades. Our vision is to establish a positive, welcoming environment, grounded in relationships, where growth mindsets are nurtured and a passion for learning is modeled so that every student engages, learns and thrives. In an effort to bring our vision to reality, we have implemented multiple practices across our school that nurture connections and build relationships. Every morning, students can be seen at classroom doors selecting a personal morning greeting to exchange with their teacher. Additionally, we are a Calm Classroom school meaning every student at Loma Ridge experiences three two minute mindfulness experiences along with their teacher and classmates each day. We have also made it a weekly practice to engage in restorative circles in each of our classrooms. Circles are great for problem solving when an issue arises or just for getting to know one another through a facilitated process.

With high levels of engagement and the goal for students to thrive, we have also placed a heavy emphasis on four Cs - collaboration, communication, creativity and critical thinking. These skills can be observed in our classrooms on a daily basis throughout the learning experiences. Our innovation lab is also a hot spot for STEAM learning where students interact with all sorts of technology and art experiences where they apply their scientific, mathematical and engineering skills. Students have the experience of visiting the lab once a week with their class and have the option to visit the lunchtime lab four days a week during lunch recess. Needless to say the lab is the place to be each day around noon.

With our highly skilled, dedicated, kind and caring staff, with the incredible PTA and community support that we receive and with our state-of-the-art facility, our students are sure to thrive here at Loma Ridge.

## About this School

### 2020-21 Student Enrollment by Grade Level

Grade Level	Number of Students
Kindergarten	32
Grade 1	39
Grade 2	36
Grade 3	41
Grade 4	29
Grade 5	38
Total Enrollment	215

### 2020-21 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Asian	49.3
Black or African American	0.5
Filipino	3.3
Hispanic or Latino	10.7
Two or More Races	13
White	22.8
English Learners	8.8
Foster Youth	0.5
Socioeconomically Disadvantaged	10.2
Students with Disabilities	14.9

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

## 2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	7.9	80.0	1230.0	89.7	228366.1	83.1

<b>Total Teaching Positions</b>	9.9	100.0	1371.8	100.0	274759.1	100.0

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2020-21 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

## School Facility Conditions and Planned Improvements

At Loma Ridge, we are fortunate to have a brand new facility that recently opened in 2019. Given that, we have a safe, clean and more than adequate learning environment for our students and staff. We are excited to have had district support which funded the opportunity for our team to install a sensory space for our students in the Fall of 2020. This space is an enhancement to our facility and offers equipment and an environment conducive to meeting the sensory needs of our students. It is also a space to help students who are emotionally dysregulated to calm down and return to a positive mindset for learning.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

## 2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with “NT” values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

At Loma Ridge, parents are encouraged to be our partners in educating our students. There are multiple opportunities for parental involvement beginning with consistent and active engagement in communicating with classroom teachers to keep apprised of the learning that is occurring in the classroom. Additionally, parents are welcomed as volunteers within the classroom assisting with small groups during instruction as well as with clerical tasks in preparation for future learning experiences. Parents who are unable to volunteer during the school day due to other commitments are able to support their child's classroom by preparing materials at home and sending them back to school.

We also have our Parent Teacher Association (PTA) and School Site Council (SSC) at Loma Ridge. Both groups engage parents as active participants and influencers in planning, implementing and monitoring of programs and practices at Loma Ridge. PTA is responsible for all community-building, supplemental programs such as assemblies & classroom events and fundraising campaigns. We encourage all parents to join our PTA and for those who are able to volunteer in any capacity. We have opportunities for parents to volunteer at events, as coordinators of events/programs and to serve on our executive board. The School Site Council (SSC) reviews the site level action plan and is informed of the school's expenditures that meet those actions. Additionally, our council members have the unique opportunity to learn in more detail about the inner workings of our school and activities/events that impact the education of students here at Loma Ridge. Our SSC is comprised of five staff members and five parents. Each member is voted in for a two year term and any parent is welcome to run for a member position when the opportunity arises at the beginning of each school year.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
<b>Suspensions</b>		0.00	1.01	0.14	3.47	0.20
<b>Expulsions</b>		0.00	0.03	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

The most recent review of the Loma Ridge School Safety Plan occurred September, 2021. Our plan includes our school discipline policy and positive behavioral expectations, our safe routes to school and emergency evacuation school map, incident command chart and duties, utility shut-off locations and after school emergency procedures, and emergency response plans for all potential emergency situations. Our staff reviews and updates the plan each Fall and implements the plan during drills throughout the school year. We complete a fire drill monthly as well as two disaster and two lockdown drills each school year. This year our safety committee has collaborated with the Irvine Police Department (IPD) to conduct table top drills to practice our response to different scenarios that could occur at a school site.

## 2020-21 Types of Services Funded

The Local Control Funding Formula (LCFF) has replaced California's previous method of allocating funds to school districts. In place of more than 40 specific funding categories, the LCFF model has established three sources of state funding with increased local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program , 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Middle school zero period program, 12) Maintain positive behavioral intervention and support program, 13) Maintain site staffing with full-time assistant principals, 14) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 15) Support interventions and supplemental programs impacting English learners, low income and foster youth, 16) Continue to build Career-Technical Education pathways and blended On-line learning opportunities for students, 17) Develop mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

## Professional Development

As a new school, our professional learning plan was determined by our leadership team with staff support. We have focused our collective energy on Thinking Maps and Write from the Beginning and Beyond training to ensure that we have a consistent approach for writing instruction. Additionally, we have focused immense effort on the building of connections and relationships as a new school which has been supported by the implementation of a variety of practices that are connected to this focus while also embedding social emotional learning within the practice. Our teachers have been trained to implement Positive Behavioral Interventions and Supports (PBIS), Calm Classroom, Zones of Regulation, Morning Greeting, and Restorative Circles. Our Multi-tiered System of Supports (MTSS) is under construction and much of our professional learning time is centered on this system and how we can support student academic, behavioral, and social emotional needs at Loma Ridge. This year, we have intensely focused on providing small group, differentiated instruction in ELA and math at all grade levels. Our professional learning plan for 2021-2022 includes time for supporting this focus area as well.

Our professional learning is supported by Loma Ridge teachers who are experts in certain areas as well as by district specialized staff including Teachers on Special Assignment (TOSAs), Coordinators and Directors. Our professional learning days are a combination of three full days (six hours per day) and six days of two hour afternoon sessions after school. We are privileged to have the opportunities available to us and are committed as a staff to being lifelong learners in order to best serve our Loma Ridge students.

This table displays the number of school days dedicated to staff development and continuous improvement.

## 2020-21 Local Accountability Report Card (LARC) Addendum

# Local Accountability Report Card (LARC) Addendum

## 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
