2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Sierra Vista Middle School (SVMS) is a traditional calendar school in the suburban community of Irvine. SVMS, one of six traditional calendar middle schools in the Irvine Unified School District, opened its doors in 1981. Today SVMS is dedicated to serving 1100 students in grades seven and eight. SVMS has a very diverse community of students who were born in 27 countries from around the world and have native speakers representing 31 languages.

The staff of SVMS fully embraces our philosophy, which states: "Sierra Vista Middle School is what all schools strive to be: a caring, student-centered school in which learning matters." Our Mission Statement says: "Sierra Vista Middle School staff and community will purposefully make all plans and decisions based upon what is best for students. The staff will sustain a culture in which teachers share professional knowledge and skills, exchange ideas, and support each other, as authentic and research based practices are implemented in a standards based environment. The Sierra Vista staff will create a climate of professional collegiality in which every staff member works to develop the social, emotional and academic skills necessary for students to become exemplary citizens in a global society."

Parents are key partners of our school community. The SVMS PTSA coordinates parent volunteers for a number of school activities and events, including the first day of school kick-off, picture days, school dances, fundraising events, and the eighth grade promotion dance. Parent participation opportunities also exist on the SVMS School Site Council, the English Learner Advisory Committee, and for volunteers who work with individual staff members to do everything from shelving and repairing library books, to designing and making the costumes and sets for the annual school musical production, to chaperoning our student events, and mentoring our Science Olympiad competitors.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Sierra Vista's extensive facility modernization project was completed in 2008. The scope of the project included a face lift to all classrooms, removal of open walls in favor of closed walls in all classrooms, ADA upgrades for all restrooms, sinks and drinking fountains, two room conversions to new science labs, and new configuration in the media center to maximize usable space. In the spring of 2014, the entire campus was upgraded for internet bandwidth capability. The new hardware was installed to allow each student access to the internet using a minimum of 2 wireless devices, for use in the classroom under teacher supervision. In 2017 the entire campus received an additional upgraded installation of hardware for internet usage increasing the bandwidth, the internet speed, and ensuring that all wireless devices on campus will be available without "dropping" service. Voters in Irvine passed a facilities bond measure in 2016 and Sierra Vista received a new science facility with four classrooms (labs) and teacher work spaces. The science building construction project began in the summer of 2018 and opened to students in August of 2019. During 2019, we invested in new classroom furniture for 6 different classrooms on campus. We have extended this improvement effort in 2020 with an additional 2 sets of new classroom furniture, 2 new sets of conference room furniture, and we have painted the lounge and conference rooms in the school colors. Additionally in 2020, we installed an outdoor shade structure in the PE area to accommodate for both PE and outdoor learning environments appropriate during Covid and Non-Covid learning. During the fall of 2021, we brought on 160 new desks and chairs for student use, and these were made possible by Covid funds to help spread students out on campus.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

The SVMS PTSA coordinates a Family Engagement Program, organizes parent volunteers for a number of school activities and events beginning in the summer with the first day of school kick-off, picture days, school dances, fundraising events, and in the spring, the eighth grade promotion dance. Parent participation opportunities also exist on the SVMS School Site Council, the English Learner Advisory Committee (ELAC), and volunteers who work with individual teachers such as band/orchestra, musical theater, Science Olympiad, robotics, Speech and Debate, and Math Counts.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Expulsions	0.00	0.00	0.03	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Sierra Vista School has developed a comprehensive Safe School Plan. Our plan is evaluated yearly and amended, as needed, by the assistant principal and SVMS School Site Council. Key elements of the plan include: 1. Assessing the current status of school crime, 2a. Child Abuse Reporting Procedures, 2b. Disaster Procedures-Routine and Emergency, 2c. Policies for Suspension, Expulsion and Mandatory Expulsion, 2d. Procedures for Notification of Staff Regarding Dangerous Students, 2e. Policies on Sexual Harassment, 2f. Policy Relating to School Dress Code (especially gang-related apparel), 2g. Procedures for Safe Ingress and Egress of Pupils, Parents, and School Employees To and From School, 2h. Procedures that Create a Safe and Orderly Environment Conducive to Learning at School, 2i. Rules and Procedures on School Discipline. One of our ongoing goals is to increase our disaster supplies so that students can be taken care of should an emergency occur. In addition, we practice evacuating the buildings and simulating a crisis situation in order to help assure that all staff and students understand the procedures. Sierra Vista students and staff participate in the Southern California Great American Shake Out disaster preparation drill annually. The staff regularly participates in training sessions in conjunction with the Irvine Police Department to design and practice procedures for lock-down and violent intruder situations that could arise on a school site. Continuing drills take place annually. Additional student instruction includes training provided by counselors on recognizing and valuing diversity of all types, as well as on recognizing and respecting differences. Our continuing focus is to educate students about dealing with bullying situations, at home, school and electronically. This year the Sierra Vista staff is continuing with the ninth year of implementation for PBIS (Positive Behavior Intervention and Supports). The programmatic vision is to reduce the number of inappropriate behavior issues so that students and staff may spend more quality time focused on academics. The three key words for our PBIS program are responsibility, integrity, and respect. The school's slogan for PBIS is to Charge the Way, and we focus on the positives by stressing, "It's a great day to be a Charger". We employ a full time campus control supervisor to assist with school climate and to help promote a safe school environment for our students.

2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	28	6	18	11
Mathematics	29	3	20	8

2020-21 Types of Services Funded

The Local Control Funding Formula (LCFF) has replaced California's previous method of allocating funds to school districts. In place of more than 40 specific funding categories, the LCFF model has established three sources of state funding with increased local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program , 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Middle school zero period program, 12) Maintain positive behavioral intervention and support program, 13) Maintain site staffing with full-time assistant principals, 14) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 15) Support interventions and supplemental programs impacting English learners, low income and foster youth, 16) Continue to build Career-Technical Education pathways and blended On-line learning opportunities for students, 17) Develop mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

Professional Development

All staff were provided a survey asking them to identify desired areas of growth and professional development. The PD plan for the year directly resulted from this survey. The site Leadership Team examined the District's Continuous Improvement Efforts, Annual Survey data, and Social Justice standards in order to come up with an appropriate schoolwide goal. The objective for the year is focused on building community and focusing on wellness and mental health. In paying close attention to celebrating diversity and acceptance of one's identity, creating programs that bring students back together--inside and outside of the classroom--we will improve school climate and togetherness in the aftermath of Covid.

Staff Development days will occur once each month for 60 minutes.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
