2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

We at Springbrook School strive to create an inclusive culture that promotes high levels of learning for all students; a place full of heart where students, staff, and families feel welcome and a sense of belonging.

We seek to make all families feel included and cared for and are intentional about removing the barriers that persist for some students and parents, whether they be cultural, economic, or academic. Springbrook staff have actively cultivated a culture of intellectual risk-taking and a growth mindset over the past five years through modeling, encouraging errors as part of the learning process, and revisiting and revising our grading practices.

The action steps and goals of our school and staff are in direct response to the needs of our students. Our PLC (Professional Learning Communities) work, our ongoing efforts to intervene both academically and socially/emotionally, and our intentional building of a positive climate are our utmost priorities. Our outstanding program is a direct result of the efforts of the dedicated and talented staff, the incredible support from our community, and the hard work of our students. We look forward to a successful 2020-2021 school year as we continue these efforts.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	
Unknown	
Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Springbrook School was constructed in 1989 as is well maintained and up-to-date. The building contains 18 classrooms in the main building, with 6 portables adjacent to the building which are a part of the original construction. An additional 4 portables have been added, with two dedicated to on-site childcare. The building sits on a large parcel of land with ample playground space and is adjacent to a city-owned park and neighborhood pool. During the Fall of 2014, a new shade structure was built.

As part of the Measure E Bond initiative, Springbrook was fully modernized in 2019-2020. The modernization updated our interior common spaces, classrooms, and included the construction of a new 3-room music building on campus.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents are actively involved in the program at Springbrook. In a typical (non-Covid) year, you would see parent volunteers in classrooms to support student learning, partnering with teachers, and providing engaging activities. A strong Parent Teacher Association provides structure to volunteering, family educational programming, and other activities such as a Family Fun Night, Jogathon, Physical Education, Lunch Time Activities, Technology, Book Fairs, and other student centered celebrations. Parents participate in Family Math Night, Cyber Safety Night, and parenting seminars.

Parents will be encouraged to join the Parent Teacher Association and the School Site Council, and to become a classroom volunteer. A weekly newsletter from the principal will be emailed to all parents weekly, and parents may contact the principal at 949-936-6050 to inquire about opportunities for parent involvement. The school staff will conduct, with parent input, an annual evaluation of the content and effectiveness of the Parent and Family Engagement Policy in improving the academic quality of the school. Results of the evaluation will guide staff to design strategies for more effective parent involvement and, if necessary, to make revisions in the policy.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Expulsions	0.00	0.00	0.03	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

As a part of our commitment to safety, staff and students participate in scheduled fire, earthquake, and lockdown preparedness drills. Springbrook School has developed a Comprehensive Safe School Plan. Our plan is evaluated yearly and amended as needed by the School Site Council. This year it was reviewed on November 17, 2020. We replenish supplies yearly, and currently we have supplies on hand in the event of an emergency. Key elements of the plan include 1. Assessing the current status of school crime committed on the school campus and at school-related functions, 2a. Child Abuse Reporting Procedures, 2b. Disaster Procedures-Routine and Emergency, 2c. Policies for Suspension, Expulsion and Mandatory Expulsion, 2d. Procedures for Notification of Staff Regarding Dangerous Students, 2e. Policies on Sexual Harassment, 2f. Policy Relating to School Dress Code (especially gang-related apparel), 2g. Procedures for Safe Ingress and Egress of Pupils, Parents, and School Employees To and From School, 2h. Procedures that Create a Safe and Orderly Environment Conducive to Learning at School, 2i. Rules and Procedures on School Discipline.

The staff implemented an updated Positive Behavior Intervention Systems (PBIS) for the 2020/2021 school year. Staff identified the values and norms that we live by as a school community followed by a vision statement created with a school-wide motto (Be Respectful, Be Responsible, Be Ready). The PBIS Leadership Team led the staff through the development of a matrix identifying the behavioral expectations in multiple locations inside and outside the school grounds. Student expectations are supported according to positive values. The teachers and staff have a common lesson plan for addressing PBIS so that the language and lessons are consistent across settings and experiences. The Seal Motto is as follows:

Seals Are:

Respectful
Responsible
Ready

Springbrook is a PBIS school which employs a behavioral Pyramid of Interventions. Three tiers support students behaviorally and create safety nets for all students. First Tier programs include PBIS, Toolbox Lessons from our guidance assistant, and common language in modeling and labeling desired behaviors. Second Tier interventions include small group lessons with our guidance assistant, short-term counseling by our elementary resource counselor, social stories, and behavior contracts. Third Tier behavior supports are one-to-one guidance with the guidance assistant counselor or elementary resource counselor, behavior plans and goals, social cognitive work, parent involvement, suspension and expulsion.

The comprehensive school safety plan was revised for this current school year in October, 2020. It was reviewed, updated, and presented to faculty and the School Site Council on November 17, 2020.

2020-21 Types of Services Funded

The Local Control Funding Formula (LCFF) has replaced California's previous method of allocating funds to school districts. In place of more than 40 specific funding categories, the LCFF model has established three sources of state funding with increased local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program, 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Middle school zero period program, 12) Maintain positive behavioral intervention and support program, 13) Maintain site staffing with full-time assistant principals, 14) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 15) Support interventions and supplemental programs impacting English learners, low income and foster youth, 16) Continue to build Career-Technical Education pathways and blended On-line learning opportunities for students, 17) Develop mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

Professional Development

Professional development needs for teacher in ELA are to continue to implement the CCSS with greater depth and alignment. Professional development needs for teacher in ELA, Writing, and NGSS are to continue to implement the CCSS with greater depth and alignment. IUSD is providing 4 full days for every teacher for PLC work.

Springbrook Title 1 funds are providing an Intervention TOSA at 60% and instructional aides. Our Intervention TOSA supports students in small group instruction based on targeted skill deficits. We also have Title 1 instructional assistants who provide small group intervention and support as well.

Giving teachers time to develop in the PLC continuum is most needed. Then, assessments can be aligned to give better information for intervention.

IUSD is also offering to some teachers, induction for the Clear credential, Primary Literacy Project, Common Formative Assessment Training, Upper literacy league, Powering Up Your PLC.

Springbrook Technology leaders provide instruction in Online testing, applications for iPads, Canvas, Google Accounts for Education, and other projects such as Mystery Skype, Kid Blog, Discovery Streaming, First in Math, ST Math, Kahn Academy, Nearpod, Blocks and more.

To monitor individual placement, create flexible groups and change teaching strategies based on data, PLC Teams must meet multiple times per month and at least four times per year with Springbrook administration. Substitutes are provided by IUSD and Springbrook Title 1 funds.

Many of our staff attend training for Ed Tech, including the Google Summit, CUE, ed camps, and IUSD district Office Hours.

Our staff receive continued training and support with Thinking Maps, Daily 5, Fountas & Pinnell, and UCI Writing Project.

PBIS training continues each year. More training will be given to the PBIS Team for Tier 1 and 2 this year. The staff will be trained in the use of the SRSS screener. The PBIS Team as part of the Multi-Tiered System of support Team will continue to train the staff in effective Tier 1 and Tier 2 practices, teaching positive responses, giving appropriate feedback with SEAL Tickets, the need for ODR and data.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
