Creekside High School

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP). which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/ For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/ For additional information about the school, parents/guardians and community members should contact the school principal or the district office. DataQuest is an online data tool located on the CDE DataQuest web page at **DataQuest** https://dq.cde.ca.gov/dataguest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners). The California School Dashboard (Dashboard) California School Dashboard https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and California School schools are meeting the needs of California's diverse student population. The DASHBOARD Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. Internet access is available at public libraries and other locations that are publicly **Internet Access** accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Inform	ation
School Name	Creekside High School
Street	3387 Barranca Pkwy
City, State, Zip	Irvine, CA 92606
Phone Number	(949) 936-7405
Principal	Rebecca Roberts
Email Address	rebeccaroberts@iusd.org
School Website	cec.iusd.org
County-District-School (CDS) Code	30-73650-3030129

District Name	Irvine Unified School District	
Phone Number	(949) 936-5000	
Superintendent	Terry Walker	
Email Address	TerryWalker@iusd.org	
District Website Address	www.iusd.org	

2022-23 School Overview

Creekside High School, the second oldest high school in Irvine Unified, was established in the summer of 1974 as the alternative high school for Irvine Unified School District. It was the result of efforts of a group of students, parents, teachers and administrators who challenged the assumption that a comprehensive high school is an appropriate learning environment for ALL students. In 1981 the Irvine Unified School District created an Independent Study Program and it was renamed San Joaquin High School in 1988. San Joaquin High School is an optional, alternative school where students are required to study 20+ hours a week, independently, in addition to a minimum of one hour of class-time, per class, every week. Some courses may require additional "on-site" time. Both Creekside and San Joaquin High School draw students from throughout IUSD's traditional high schools. We are a workable and proven choice to Irvine's larger, traditional high schools. Both schools are accredited through WASC, the Western Association of Schools and Colleges.

The high school classrooms include a multi-media lab, a construction technology classroom, a science lab classroom, a fitness center, a CTE medical classroom, 2-D and 3-D Arts rooms adjacent to an outdoor ceramics laboratory, a state-of the art Culinary Arts facility, and 10 general education classrooms.

A student's presence in Irvine Unified School District alternative programs place greater personal responsibility and discipline to respond, not only to graduation requirements, but to prepare themselves academically, socially, and emotionally for "life after high school." We are committed to our students becoming independent learners who are, ultimately, accountable for their own education and achievement of personal goals.

Our Motto:

"Every day is a new day to succeed!"

Our Vision:

Our vision is to empower students as lifelong learners, to acquire, demonstrate and value the knowledge and skills needed to participate in and contribute to the global world and embody the core values of commitment, honor and self-direction.

Our Mission:

Creekside High School and San Joaquin High School are dedicated to helping students achieve their individual potential through academic and personal growth.

2022-23 School Overview

Student Learning Objective's:

- Effective Communicators
- Critical Thinkers
- Self-Directed Individuals
- Contributing Community Members

About this School

2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 11	30
Grade 12	79
Total Enrollment	109

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	44.0
Male	56.0
American Indian or Alaska Native	0.0
Asian	8.3
Black or African American	11.9
Filipino	0.9
Hispanic or Latino	36.7
Native Hawaiian or Pacific Islander	0.9
Two or More Races	8.3
White	33.0
English Learners	17.4
Foster Youth	0.9
Homeless	0.0
Migrant	0.0
Socioeconomically Disadvantaged	61.5
Students with Disabilities	25.7

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	6.50	88.62	1230.00	89.67	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	0.80	0.06	4205.90	1.53
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0.00	0.00	50.00	3.65	11216.70	4.08
Credentialed Teachers Assigned Out-of- Field ("out-of-field" under ESSA)	0.80	11.38	39.10	2.85	12115.80	4.41
Unknown	0.00	0.00	51.70	3.77	18854.30	6.86
Total Teaching Positions	7.30	100.00	1371.80	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	9.00	97.30	1300.20	90.20	234405.20	84.00
Intern Credential Holders Properly Assigned	0.00	0.00	3.50	0.24	4853.00	1.74
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0.00	0.00	42.50	2.95	12001.50	4.30
Credentialed Teachers Assigned Out-of- Field ("out-of-field" under ESSA)	0.20	2.70	11.40	0.79	11953.10	4.28
Unknown	0.00	0.00	83.80	5.82	15831.90	5.67
Total Teaching Positions	9.20	100.00	1441.50	100.00	279044.80	100.00

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	0.00

Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.80	0.20
Total Out-of-Field Teachers	0.80	0.20

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.00	4.20
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	3.80	3.70

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Year and month in which the data were collected		October 2022			
Subject	Textbooks and Other Instruction Adoption	al Materials/year of	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy	
Reading/Language Arts	All students are provided an individual instructional material as determined by October, 2022. All core textbooks and purchased are board approved.	textbook software in	Yes	0%	
Mathematics	All students are provided an individual instructional material as determined by October, 2022. All core textbooks and purchased are board approved.	textbook software in	Yes	0%	

Science	All students are provided an individual textbook or instructional material as determined by textbook software in October, 2022. All core textbooks and instructional materials purchased are board approved.	Yes	0%
History-Social Science	All students are provided an individual textbook or instructional material as determined by textbook software in October, 2022. All core textbooks and instructional materials purchased are board approved.	Yes	0%
Foreign Language	All students are provided an individual textbook or instructional material. All textbooks purchased are board approved.	Yes	0%
Health	All students are provided an individual textbook or instructional material as determined by textbook software in October, 2022. All core textbooks and instructional materials purchased are board approved.	Yes	0%
Visual and Performing Arts	All students are provided an individual textbook or instructional material as determined by textbook software in October, 2022. All core textbooks and instructional materials purchased are board approved.	Yes	0%
Science Laboratory Equipment (grades 9-12)	All students have access to sufficient science laboratory equipment for instruction in grades 9-12.	Yes	0%

School Facility Conditions and Planned Improvements

We encouraged students to take pride in the ownership of their school. Creekside students take pride in their efforts to maintain a peaceful, non-violent supportive student environment. Every student, upon enrollment and annually as long as enrolled, makes a commitment to treating every member of the Creekside community with dignity and respect. The new facilities and classrooms are providing excellent instructional space for our students. Through the implementation of a student leadership class, efforts are made to promote recycling, picking up trash, and promoting harmony amongst students. Additionally, the entire facility is clean, well-maintained, and annually passes District inspections.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- 4. College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	14	N/A	75	N/A	47
Mathematics (grades 3-8 and 11)	N/A	5	N/A	68	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	42	42	100.00	0.00	14.29

Students Receiving Migrant Education Services	0	0	0.00	0.00	0.00
Students with Disabilities					

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

2021-22 Career Technical Education Programs

Students at Creekside High School have opportunities to participate in Career and Technical Education (CTE) coursework in the following industry sectors:

- Food Science, Dietetics, and Nutrition
- Patient Care
- Residential and Commercial Construction
- Public Safety
- Emergency Response

High school students throughout Irvine Unified are able to enroll in after-bell CTE courses at Creekside High School. CTE courses are aligned with the CA CTE Model Curriculum Standards and the CA Career Readiness Standards. The CTE program is integrated with the academic program and satisfy high school graduation requirements. CTE courses are UC a-g approved college preparatory courses meeting course requirements for admission to the University of California and California State University campuses. The CTE program has a strong guidance-counseling component where students participate in career exploration through individual student-counselor meetings and group guidance lessons that include career interest surveys and preparing for college and career through various activities, which include college visits and presentations that support students' transition to postsecondary academics or employment. In addition, Creekside High School has a College/Career Specialist, along with a Coastline ROP Career Specialist that provide students with additional guidance and support to prepare students for a postsecondary education or employment, if they choose.

The district's partnership with Coastline ROP (Regional Occupation Program) makes additional career exploratory courses available in various industry sectors. The CTE program includes courses that articulate with regional community colleges and many culminate in industry-recognized certifications.

The district is a member of regional consortiums including participating members in OC Pathways, Vital Link-CTEoc (CTE Orange County), the Irvine Chamber of Commerce, and Orange County Business Council. Teachers participate in professional development and network with business and industry representatives who serve as guest speakers, mentors, and advisors. Members of the business community participate in the career and technical education advisory committee.

2021-22 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	76
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission	88.99
2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission	0.00

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level

Component 1: Aerobic Capacity Component 2:
Abdominal
Strength and
Endurance

Component 3: Trunk Extensor and Strength and Flexibility Component 4: Upper Body Strength and Endurance

Component 5: Flexibility

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Our parents can be involved in PTSA, School Site Council, Parent Information Night Meetings, College and Career nights, Back to School Night and our annual Awards Banquet. Additionally, students and parents are invited to participate in our quarterly recognition luncheon that celebrates students making positive choices and improving their self worth. Parents are routinely involved in all form of parent-student-staff conferencing. Additionally, using technological innovations, which include Parent Square, web-based myIUSD.org, and listserve/email, parents have immediate access to student performance information and school has the capability of sending important information to parents via these different mediums.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019-20		School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22
Dropout Rate		15.1	12.1		2.4	2.7		8.9	7.8
Graduation Rate		74	87.9		94.6	94.6		84.2	87

2021-22 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2021-22 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	22.30	0.73	2.45
Expulsions	0.72	0.01	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Suspensions	4.40	19.74	0.14	0.86	0.20	3.17
Expulsions	0.00	1.32	0.00	0.03	0.00	0.07

2021-22 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	19.74	1.32
Female	14.93	1.49
Male	23.53	1.18
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	17.65	0.00
Filipino	0.00	0.00
Hispanic or Latino	20.00	1.82
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	8.33	0.00
White	26.92	1.92
English Learners	7.69	0.00
Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged	16.84	2.11
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	18.42	2.63

2022-23 School Safety Plan

Our emphasis — to ensure a safe school environment for our students — includes the re-certification of our staff in disaster preparedness, such as search and rescue techniques, CPR/First Aid, and in-service activities related to school safety assessments, violence assessments, legal updates, and aggressive involvement by all stakeholders in assuring a safe school environment. Apart from this, we have an annual district safety inspection.

The School Safety Plan and School Emergency Plan are reviewed annually, and approved by the School Site Council. Major areas of focus for the School Safety plan include:

- Continue to support a caring and connected school environment that provides both academic and emotional support for all students.
- To review with students in Advisement "IUSD Multi-Hazard Emergency" scenarios for the purpose of a school wide awareness, preparation, and readiness in case of a real disaster.
- Ensure parent and community have access to Guidance Resources.
- Create a physical environment that maintains an aesthetic level in line with the high standards set by our community, faculty, and IUSD.
- Ensure that Creekside Education Center has supplies and safety items in the event of an emergency.

From this plan, a comprehensive school Emergency Plan was developed and reviewed with staff September 2021. Staff reviews the plan each semester, with emergency drills (lockdown, fire drills, and earthquake) being held 6 times per year. October 2021 and April 2022 are earthquake drills, November 20201and March 2022 is a fire drill, December 2021 and May 2022 is a lock down drill. Additional intruder training is provided to staff members yearly and was held November 2021.

Our continued success depends on close working relationships between district administrators and school faculty and staff, as well as the active participation of parents and community leaders. Creekside students and staff have an exceptionally excellent collaborative working relationship with the Irvine Police Department's School Resource Officers and investigators. Staff and students take pride in these relationships and the ability to keep Creekside safe for all students and staff.

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	16	9		1
Mathematics	12	6		
Science	20	3		
Social Science	16	9		1

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	16	4	2	
Mathematics	10	6		
Science	17	3		
Social Science	26	5	1	3

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	17	8		
Mathematics	11	7		
Science	19	3		
Social Science	16	10		

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	54.5

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	2.0
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	0.4
Social Worker	
Nurse	0.5
Speech/Language/Hearing Specialist	0.1
Resource Specialist (non-teaching)	
Other	1.5

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$22091	\$1628	\$20462	\$93764
District	N/A	N/A	5796	\$86,958
Percent Difference - School Site and District	N/A	N/A	111.7	7.5
State	N/A	N/A	\$6,594	\$85,368
Percent Difference - School Site and State	N/A	N/A	102.5	9.4

2021-22 Types of Services Funded

The Local Control Funding Formula (LCFF) is the method of allocating funds to school districts. The LCFF model has three sources of state funding with local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program, 2) Provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including: Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Maintain positive behavioral intervention and support program, 12) Maintain site staffing with full-time assistant principals, 13) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 14) Support interventions and supplemental programs impacting English learners, low income and foster youth, 15) Continue to build Career-Technical Education pathways and blended on-line learning opportunities for students, 16) Implementing mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at http://www.cde.ca.gov/ds/fd/cs/.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$50,071	\$51,081
Mid-Range Teacher Salary	\$89,426	\$77,514
Highest Teacher Salary	\$115,594	\$105,764
Average Principal Salary (Elementary)	\$144,393	\$133,421
Average Principal Salary (Middle)	\$152,197	\$138,594
Average Principal Salary (High)	\$174,854	\$153,392
Superintendent Salary	\$335,993	\$298,377
Percent of Budget for Teacher Salaries	32%	32%
Percent of Budget for Administrative Salaries	6%	5%

2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses

0

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	0
Fine and Performing Arts	0
Foreign Language	0
Mathematics	0
Science	0
Social Science	0
Total AP Courses Offered Where there are student course enrollments of at least one student.	0

Professional Development

High quality staff development, like quality teaching, is learning-based, activity driven, focused on instructional improvement and is an on-going process of professional renewal. Creekside's Continuous Improvement Efforts enable professional staff to reexamine their assumptions about teaching and learning. Staff development activities include significant time to develop personalized responses to instructional improvement with both appropriate collegial and expert assistance networking. High quality staff development challenges professional staff to make learning dynamic, intellectually stimulating, and connected to thinking which goes beyond the classroom walls. Effective staff development creates a learning community among professional staff that strengthens the individual teacher and the bond among teachers. Tailored staff development activities are essential for maintaining and improving quality education.

Creekside High School utilizes Mondays for teacher professional development. There are 3 different activity focus areas each Monday conducted on a rotating schedule: Staff meeting, department meetings, and PLC meetings. Administrators support teachers through quarterly data review meetings, classroom walk-through's and observations. Additionally, teachers are provided 3 professional development days per year along with 12 additional hours of contractual staff development. These 12 hours are split across 12 monday sessions (1 hour each) throughout the school year. Additionally teachers work together in PLCs throughout the year amounting to 4 days.

In 2022-23 school year, our professional development focus is centered around Professional Learning Communities, The Learning Cycle, Ensuring hope, efficacy, and achievement with our assessments, common assessments, and using data to drive instruction.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	10	15	15
