2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

2024-25 School Description and Mission Statement

Northwood Elementary is a Title I neighborhood school that opened its doors in 1980. Throughout its 44 year history, Northwood Elementary has enjoyed impressive academic growth and strong community support. Located in Irvine, California, Northwood Elementary School serves approximately 515 students, PK through sixth grade, in the heart of suburban Orange County. Established in 1980, Northwood Elementary serves a richly diverse student population with students representing 28 different language groups. Northwood students continually outperform their state counterparts in standardized testing, and remain competitive among similar Title I schools in Irvine. Northwood Elementary is both a California Distinguished School AND a National Blue Ribbon School, a testimony to the devotion of Northwood's talented teachers, diligent students, and

2024-25 School Description and Mission Statement

caring community.

Mission: At Northwood Elementary School, our dedicated teaching staff, hardworking students, and supportive parents hold high expectations for student success. Our mission is to prepare our students to face the challenges of the future and become their best selves. The first part of our mission statement, “preparing our students to face the challenges of the future,” addresses the need to provide our students the knowledge base and critical thinking skills they need to succeed in a rapidly changing world. The second part of our mission statement, “becoming their best selves,” speaks to our necessity to nurture ethical and socially responsible citizens. By holding true to our mission, we ensure that our students’ future will be full of promise.

Vision: In determining our school vision, we asked ourselves the question “What kind of school do we wish to become?” To create our vision, we enlisted the help of students and parents to join with our teachers in crafting a vision for our future. After bringing all stakeholders to the table, three main areas of focus emerged from our visioning process: (1) Fostering a Love of Learning, (2) Valuing Individuals, and (3) Enriching Learning. We continuously foster a love of learning in our school by (a) celebrating accomplishments, (b) motivating student success, (c) teaching with enthusiasm, and (d) giving students meaningful project-based learning tasks. We enrich learning by (a) partnering with the Irvine Public Schools Foundation to create after-school programs, (b) offering learning opportunities beyond reading, writing and math such as art, music and physical fitness, (c) utilizing technology and STEAM activities to engage students in learning, and (d) fostering community service oriented activities through our Student Council. To value individuals we (a) promote character values, (b) praise effort and recognize good work, (c) differentiate instruction, and (d) promote personal goal-setting. As a community of learners, we constructed a compelling picture of what Northwood Elementary could be, and by working together as parents, teachers and students, we have taken our school from good to great. Both in our work as grade-level Professional Learning Communities, and with our Multi-Tiered Systems of Support (MTSS), Northwood leverages the Irvine Unified School District’s Learning Cycle Model to : (a) Clarify Intended Learning, (b) Elicit Evidence of Learning, (c) Interpret Evidence of Learning, (d) Act on Evidence of Learning, and (e) Evaluate Effectiveness of Instruction.

As Northwood Highwheelers, we ROLL toward our goals by being Respectful, On time and ready, Living responsibly, and Living safely, and we focus on ensuring that our students are developing the social-emotional skills needed to reach their full potential. Because of our focus on all aspects of our students’ education and development, Northwood Elementary students leave our school prepared to tackle the next step in their journey as learners.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

The Northwood School Community continuously focuses on providing a safe learning environment for all students. School safety and cleanliness are a priority. Our efforts are focused on keeping all students safe before, during, and after school. To alleviate congestion during drop off and pick up times, lanes have been reconfigured for drop off only and drive through only. Additionally, eight visitor parking spaces were added. Since its original construction in 1980, Northwood has continuously upgraded our facilities to meet the evolving needs of our students. Northwood Elementary underwent extensive re-modernization in 2007-2008. Projects included upgraded bathrooms for students and staff (ADA compliant), new doors, soundproofing, complete classroom renovations (including new paint, new carpet, and structural changes to comply with ADA statutes that have been enacted since the school opened in 1980). For the 2009-10 school year, all ball walls were replaced, new playground swings were installed, and backpack racks were hung to create more space in the classrooms and improve flow through the hallways. In 2010, Northwood Elementary had solar panels installed on its roof surfaces to capture solar energy; the energy cost savings for Northwood Elementary will be approximately \$10,000 per year. Since 2014-2015, Northwood has been committed to ensuring a 1:1 student to device ratio, in order to ensure that technology is an embedded part of student learning. Currently, all classrooms in Grades 1-6 have a dedicated Chromebook Cart, including our Innovation Lab and STEM Lab. All teachers have mobile document cameras, allowing their teaching space to be fluid and flexible.

Over the past few years, Northwood has At the end of the 2021-2022 school year, Northwood completed the first phase of our Measure E projects, which included a new music classroom building, instrument storage, new all gender restrooms for staff and students, and an expanded kitchen. Measure E was passed by Irvine voters in June 2016 to ensure all students, not just those in newer neighborhoods, have access to modern learning environments and technology to support IUSD's high academic standards and to prepare students for 21st century college and career. In addition to the music building and expanded kitchen, our playground, Child Care facilities, and storage were all reconfigured, resulting in a much more open layout that allows for greater visibility and openness on our playground. In 2023, we added two additional storage units to allow for more openness in our pod and classrooms. Northwood was also one of the first IUSD schools to install a digital marquee at the beginning of the 2022-2023 school year, as part of a district-wide update to our marquees. Northwood Elementary teachers won a \$20,000 grant from the Irvine Public Schools Foundation to purchase furniture and materials to complete our Innovation Lab. This project was completed during the 2022-2023 school year. In the Fall of 2024, all of Northwood's interior classroom doors had new locks installed to increase classroom security; we also continue to work with IUSD Campus Security to update the location and scope of our security cameras. Anticipated projects in the 2024-2025 school year are an upgrade to our lunch tables, and repurposing our stage as a wellness space for our students to have access to sensory activities, mindfulness, and self-regulation tools.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	97.40%	100.00%	100.00%	100.00%	100.00%

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Opportunities for Parents to Contribute

Parents at Northwood Elementary are invited and encouraged to participate in their child's education; there are a variety of opportunities available for parents to volunteer, share their expertise and time. Some of the ways parents can contribute include:

- Serve as a classroom or school volunteer
- Serve as a room parent
- Chaperone field trips
- Serve on the PTA Executive Board
- Chair PTA committees
- Volunteer to help with school and PTA sponsored events
- Serve on the School Site Council
- Organize parent communication folders
- Participate in Book Swaps
- Serve in the Library
- Support students during Language Arts or Mathematics blocks
- Contribute through our annual Fundraisers (Jog-a-thon, Donation Drive, etc.)

School and PTA sponsored activities which promote family time are scheduled throughout the year. These activities include:

- Walk-to-School Day
- Red Ribbon Week Activities
- Family Movie Nights
- Back-to-School Community Event
- Family Lunchtime
- Highwheeler Harvest Parade
- Highwheeler Haunts
- Monthly Highwheeler Huddle Assemblies
- Read Across America
- Book Fairs and Book Swaps
- Family Bingo
- Title 1 Parent Meetings
- Additional special family events

Parent Communication

The staff at Northwood Elementary School communicates student performance to our parents, students, and community in a variety of ways. Teachers and staff communicate with parents in the following ways:

- Thursday Highwheeler communication folders
- Trimester progress reports
- Trimester report cards
- October goal-setting conferences
- Back-to-School Night
- Open House
- Individualized Educational Plan (IEP) meetings and updates
- Classroom newsletters
- Student Study Teams (SST)
- Parent Square notification system

2024-25 Opportunities for Parental Involvement

- Daily planners
- Emails
- Teacher/staff to parent phone calls
- Face-to-face communication
- Letters home
- School website
- Teacher-generated websites including Canvas and Google Classroom
- School marquee
- Principal Updates via Parent Square

Parental Shared Governance Opportunities

By building bridges with our community, Northwood families have a hand in guiding the school towards its vision. Other venues for communication regarding student performance involve formalized opportunities for parents to share in the governance and direction of the school. Examples of representative bodies that exist for parents at our school include:

- Parent Teacher Association (PTA)
- School Site Council (SSC) and English Language Advisory Council (ELAC)
- Title 1 Parent Group

2024-25 School Safety Plan

Northwood Elementary School has adopted a Comprehensive School Safety Plan, which is reviewed and updated each year by our PTA, the School Site Council, and our staff. Key elements of the plan include our Incident Command System Organizational Chart, which outlines staff responsibilities in the event of a large-scale emergency, as well supporting documents. Additionally, our plan includes our current school discipline policy, crime statistics, and safe ingress/egress for our campus. Our staff and students practice our emergency procedures monthly, and staff members participate in training with our Irvine Police Department Threat Mitigation Officer. Our current plan was approved by our School Site Council on October 28th, 2024 and submitted to the IUSD School Board for approval.

In addition to a school wide discipline program, we encourage a safe and positive school climate through the positive reinforcement of exemplary behavior. Our students are rewarded for academic and social growth through a variety of programs including:

- School Spirit Day competitions
- ROLL Bucks, redeemable for class and schoolwide incentives
- Golden Tickets for positive behavior in Library and Innovation Lab
- Recess/Lunch ROLL bucks to enter in weekly drawings
- Hall of Fame (Upper Grade)

All students are taught behavior expectations for all settings at school in the beginning of the year, with behavior boosters throughout the year targeted to student needs. Schoolwide and classroom expectations are clearly communicated to parents and reinforced by teachers and support staff.

Fiscal Year 2023-24 Types of Services Funded

State, federal, and local dollars support students in K-12 public schools. The largest funding source is from the state under the Local Control Funding Formula. The Local Control Funding Formula (LCFF) is the method of allocating funds to school districts. The LCFF model has three sources of state funding with local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program , 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Maintain positive behavioral intervention and support program, 12) Maintain site staffing with full-time assistant principals, 13) 450:1 counseling ratio, support for large

Fiscal Year 2023-24 Types of Services Funded

elementary schools and elementary classroom aides, 14) Support interventions and supplemental programs impacting English learners, low income and foster youth, 15) Continue to build Career-Technical Education pathways and blended on-line learning opportunities for students, 16) Implementing mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

Federal funds are designed to supplement state resources by narrowing funding gaps for at-risk students, including students with disabilities, foster youth, students experiencing homelessness, and socioeconomically disadvantaged households. Federal grants include:

Title I under the Elementary and Secondary Education Act (ESEA) and Part B under the Individuals with Disabilities Education Act (IDEA)

Funds are used to support effective evidence-based educational strategies that close the achievement gap and enable students to meet the state's challenging academic standards. All schools identified for Title I operate Schoolwide Programs

Title III funds assist with language instruction for English Learners (EL) and immigrant students.

Title IV funds are used to increase district/site capacity to provide all students with access to a well-rounded education, improve conditions for student learning, and improve use of technology to improve the academic achievement and digital literacy of all students.

Finally, the Irvine Unified School District is proud of the partnerships with the Irvine Public School Foundation (IPSF), the City of Irvine with the Educational Partnership Fund (EPF) that support programs and services for all students.

Professional Development

Professional development has been a driving force in our continuous improvement efforts at Northwood Elementary. In addition to our three designated district days, staff participates in six 2-hour professional development sessions over the course of the school year.

Professional Development

Over the past several years, professional development has been brought to Northwood as a response to student data, changes in instructional practices (e.g., Standards-Based Grading), and stakeholder input.

- Standards-Based Grading
- School Safety (Irvine Police Department Intruder Response Training, Stop the Bleed, CPR Training)
- Equity, Excellence, Diversity, and Inclusion
- Best First Instruction
- Behavior Response: The Escalation Cycle and Safety/Behavior Plans

This table displays the number of school days dedicated to staff development and continuous improvement.
