Springbrook Elementary School
2023-2024 School Accountability Report Card
(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.
	- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
	- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
	- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
	A hard copy of the School Accountability Report Card is available at your School Office, upon request.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

2024-25 School Description and Mission Statement

We at Springbrook School strive to create an inclusive culture that promotes high levels of learning for all students; a place full of heart where students, staff, and families feel welcome and a sense of belonging.

We seek to make all families feel included and cared for and are intentional about removing the barriers that persist for some students and parents, whether they be cultural, economic, or academic. Springbrook staff have actively cultivated a culture of intellectual risk-taking and a growth mindset over the past five years through modeling, encouraging errors as part of the learning process, and revisiting and revising our grading practices.

2024-25 School Description and Mission Statement

The action steps and goals of our school and staff are in direct response to the needs of our students. Our PLC (Professional Learning Communities) work, our ongoing efforts to intervene both academically and socially/emotionally, and our intentional building of a positive climate are our utmost priorities. Our outstanding program is a direct result of the efforts of the dedicated and talented staff, the incredible support from our community, and the hard work of our students.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

Springbrook School was constructed in 1989 as is well maintained and up-to-date. The building contains 18 classrooms in the main building, with 6 portables adjacent to the building which are a part of the original construction. An additional 4 portables have been added, with two dedicated to on-site childcare. The building sits on a large parcel of land with ample playground space and is adjacent to a city-owned park and neighborhood pool. During the Fall of 2014, a new shade structure was built.

As part of the Measure E Bond initiative, Springbrook was fully modernized in 2019-2020. The modernization updated our interior common spaces, classrooms, and included the contstruction of a new 3-room music building on campus.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results.   The administration of the PFT requires only participation results for these five fitness areas.   Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Parents are actively involved in the program at Springbrook. In a typical year, you would see parent volunteers in classrooms, in the library, in the innovation lab, and during recess/lunch to support our "Seal Store" and "Lunch Bunch" activities. A strong Parent Teacher Association provides structure to volunteering, family educational programming, and other activities such as a Family Fun Night, Jogathon, after-school activities, Book Fairs, and other student-centered celebrations. Parents participate in PTA and Title 1 hosted parenting information events.

A weekly newsletter from the principal will be emailed to all parents, and parents may contact the principal at 949-936-6050 to inquire about opportunities for parent involvement. The school staff will conduct, with parent input, an annual evaluation of the content and effectiveness of the Parent and Family Engagement Policy.

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

2024-25 School Safety Plan

As a part of our commitment to safety, staff and students participate in scheduled fire, earthquake, and lockdown preparedness drills. Springbrook School has developed a Comprehensive Safe School Plan. Our plan is evaluated yearly and amended as needed by the School Site Council. The plan was presented and approved to SSC on 9/24/2024. SSC meeting minutes can be found on Springbrook's website.

We replenish supplies as they expire or become obsolete, and currently we have supplies on hand in the event of an emergency. Key elements of the plan include 1. Assessing the current status of school crime committed on the school campus and at school-related functions, 2a. Child Abuse Reporting Procedures, 2b. Disaster Procedures-Routine and Emergency, 2c. Policies for Suspension, Expulsion and Mandatory Expulsion, 2d. Procedures for Notification of Staff Regarding Dangerous Students, 2e. Policies on Sexual Harassment, 2f.Policy Relating to School Dress Code (especially gang-related apparel), 2g. Procedures for Safe Ingress and Egress of Pupils, Parents, and School Employees To and From School, 2h. Procedures that Create a Safe and Orderly Environment Conducive to Learning at School, 2i. Rules and Procedures on School Discipline.

The staff implements an updated Positive Behavior Intervention Systems (PBIS). Staff identified the values and norms that we live by as a school community followed by a vision statement created with a school-wide motto (Be Respectful, Be Responsible, Be Ready). Student expectations are supported according to positive values. The teachers and staff have a common lesson plan for addressing PBIS so that the language and lessons are consistent across settings and experiences. The Seal Motto is as follows:

Seals Are:

Respectful
Responsible
Ready

Springbrook is a PBIS school that employs a behavioral Pyramid of Interventions. Three tiers support students behaviorally and create safety nets for all students. First Tier programs include PBIS, Toolbox Lessons from our guidance assistant, and common language in modeling and labeling desired behaviors. Second Tier interventions include small group lessons with our guidance assistant, short-term counseling by our elementary resource counselor, social stories, and behavior contracts. Third Tier behavior supports are one-to-one guidance with the guidance assistant counselor or elementary resource counselor, behavior plans and goals, social cognitive work, parent involvement, suspension and expulsion.

Fiscal Year 2023-24 Types of Services Funded

State, federal, and local dollars support students in K-12 public schools. The largest funding source is from the state under the Local Control Funding Formula. The Local Control Funding Formula (LCFF) is the method of allocating funds to school districts. The LCFF model has three sources of state funding with local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program , 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Maintain positive behavioral intervention and support program, 12) Maintain site staffing with full-time assistant principals, 13) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 14) Support interventions and supplemental programs impacting English learners, low income and foster youth, 15) Continue to build Career-Technical Education pathways and blended on-line learning opportunities for students, 16) Implementing mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.
Federal funds are designed to supplement state resources by narrowing funding gaps for at-promise students, including students with disabilities, foster youth, students experiencing homelessness, and socioeconomically disadvantaged households. Federal grants include:

Title I under the Elementary and Secondary Education Act (ESEA) and Part B under the Individuals with Disabilities Education Act (IDEA)
Funds are used to support effective evidence-based educational strategies that close the achievement gap and enable students to meet the state's challenging academic standards. All school identified for Title I operate Schoolwide Programs

Title III funds assist with language instruction for English Learners (EL) and immigrant students.

Title IV funds are used to increase district/site capacity to provide all students with access to a well-rounded education, improve conditions for student learning, and improve use of technology to improve the academic achievement and digital literacy of all students.

Finally, the Irvine Unified School District is proud of the partnerships with the Irvine Public School Foundation (IPSF), the City of Irvine with the Educational Partnership Fund (EPF) that support programs and services for all students.

Professional Development

Professional development needs: We continue to develop our understanding and implementation of the Science of Reading and best practices in supporting our English Learners in all grade levels. Socio-Emotional Learning is still at the forefront of our practice with a focus on the "whole child".

Springbrook Title 1 funds are providing an Intervention TOSA at 60% and instructional aides. Our Intervention TOSA supports students in small group instruction based on targeted skill deficits. We also have Title 1 instructional assistants who provide small-group intervention and support as well.

Giving teachers time to develop in the PLC continuum is most needed. Then, assessments can be aligned to give better information for intervention.

Springbrook Technology leaders provide instruction in Online testing, applications for iPads, Canvas, Google Accounts for Education, and other projects such as Mystery Skype, Kid Blog, Discovery Streaming, First in Math, ST Math, Kahn Academy, Nearpod, Blocksi and more.

To monitor individual placement, create flexible groups and change teaching strategies based on data, PLC Teams must meet multiple times per month and at least four times per year with Springbrook administration.

PBIS training continues each year. The staff will use the Panorama screener. The PBIS Team as part of the Multi-Tiered System of Support Team will continue to train the staff in effective Tier 1 and Tier 2 practices, teaching positive responses, giving appropriate feedback with SEAL Tickets, the need for ODR data.
