2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

2024-25 School Description and Mission Statement

At Stone Creek Elementary School we strive to build a community of capable students who are ready to persevere through the challenges of the present through demonstration of essential capacities and grit.

Stone Creek is a neighborhood school with an enrollment of 510 students in grades pre-kindergarten through sixth grade. Stone Creek's educational program features a strong academic focus in a structured and supportive setting. We provide a safe and nurturing school environment where all students are challenged to reach their maximum potential. Parents and staff work in partnership to ensure that every child is successful. Our offerings this year have included GATE clusters in classrooms,

special education support, Early Intervention Reading Model support for grades K-1, a thriving media center with hands-on STEAM activities, instructional support for our English Language Learners, an Intervention program that provides systematic, targeted reading or math interventions for students below standard, and regular education classes. We are also fortunate to have a number of students representing a variety of ethnic backgrounds and languages, which adds to the rich diversity of our school and supports diversity in community engagement opportunities for our families.

Each of our teachers participates in a variety of professional learning activities designed to enhance their professional skills. Our curriculum specialists provide enrichment in art, music, and science, and our support staff provides assistance and reinforcement of essential skills. At Stone Creek, we are fortunate to have a technology rich learning environments, activities that are structured and engage a variety of interests at lunch, an inclusive environment for many types of learners and staff who work towards engaging students learning opportunities that prepare them for success academically, socially, and social-emotionally.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

Stone Creek Elementary school opened in 1978 and completely modernized during the summer of 2009. Our facility includes fifteen modified self-contained classrooms within the main building and seven relocatable classrooms to serve our student population. Stone Creek includes a library/media center, which houses books, iPads, chromebooks and computers. A separate multipurpose room is the setting for assemblies, programs, and music instruction. In 2018 our school facilities received upgrades to our former computer lab and library space, creating a more open library space that connects to a newly designed innovation lab. This project also included the addition of a design lab used for science purposes to our campus. In addition, classrooms inside the building were upgraded with doors to increase safety by having lockable doors and reduce the noise level in all inside classrooms. All classrooms are connected to the internet, and LCD projectors have been installed in each classroom.

We continue to focus on providing a safe environment for our students and have worked with the Irvine Police Department and our parent community to develop a drop off and pick up system that keeps traffic flowing more effectively in a parking lot that was never designed for the current level of use.

Supported by Maintenance and Operations staff and Grounds staff, our custodial staff is dedicated to keeping our building and grounds clean and safe for all students and staff. Our playground and blacktop areas are well-maintained and playground equipment was recently upgraded on the main play area and the kindergarten area. In 2021, Stone Creek was also given new 28 new lunch tables to upgrade our lunch area and kindergarten playground. We continue to work towards improving our facilities and will install new bike racks adjacent to our school parking lot in the spring of this year to create more secure and lockable bike spaces.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Stone Creek Elementary School is a neighborhood school in a community that places a high value on education and the importance of the home and school partnership. Parent participation is valued and there are numerous opportunities for parent volunteers at Stone Creek. Our parent engagement opportunities include, participating in School Site Council and PTA activities, assisting with fundraising, coaching in our sports tournaments, community service, volunteering throughout campus and a wide range of committees which are so vital to providing a successful learning environment for all students. Parents also have the opportunity to participate in the District English Language Advisory Committee, School Site Council, the GATE Community Advisory Committee, and the Special Education Advisory Committee.

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

2024-25 School Safety Plan

Stone Creek School has developed a Comprehensive Safe School Plan. Our plan is evaluated and amended, as needed by the School Site Council, Risk Management at District level, and/or staff. Key elements of the plan include: 1a) Safety goals and objectives, 1b) Assessing the current status of school crime committed on the school campus and at school-related functions, 2a) Child Abuse Reporting procedures, 2b) Disaster procedures – routine and emergency, 2c) Disaster teams and their roles, 2d) Policies for suspension, expulsion and mandatory expulsion, 2e) Procedures for Notification of staff regarding at-risk students, 2f) Policies on sexual harassment, 2g) Policy related to school dress code, especially gang-related apparel), 2h) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school, 2i) Procedures that create a safe and orderly environment conducive to learning at school, 2j) Rules and procedures on school discipline.

In addition, monthly fire drills are conducted at Stone Creek. Three lockdown drills as well as three disaster drills are held annually. Emergency supplies are stored in classrooms and strategic locations throughout the school. The school Safety Plan was updated and reviewed by our SSC on October 22, 2024.

Fiscal Year 2023-24 Types of Services Funded

State, federal, and local dollars support students in K-12 public schools. The largest funding source is from the state under the Local Control Funding Formula. The Local Control Funding Formula (LCFF) is the method of allocating funds to school districts. The LCFF model has three sources of state funding with local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program , 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Maintain positive behavioral intervention and support program, 12) Maintain site staffing with full-time assistant principals, 13) 450:1 counseling ratio, support for large

Fiscal Year 2023-24 Types of Services Funded

elementary schools and elementary classroom aides, 14) Support interventions and supplemental programs impacting English learners, low income and foster youth, 15) Continue to build Career-Technical Education pathways and blended on-line learning opportunities for students, 16) Implementing mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

Federal funds are designed to supplement state resources by narrowing funding gaps for at-risk students, including students with disabilities, foster youth, students experiencing homelessness, and socioeconomically disadvantaged households. Federal grants include:

Title I under the Elementary and Secondary Education Act (ESEA) and Part B under the Individuals with Disabilities Education Act (IDEA)

Funds are used to support effective evidence-based educational strategies that close the achievement gap and enable students to meet the state's challenging academic standards. All schools identified for Title I operate Schoolwide Programs

Title III funds assist with language instruction for English Learners (EL) and immigrant students.

Title IV funds are used to increase district/site capacity to provide all students with access to a well-rounded education, improve conditions for student learning, and improve use of technology to improve the academic achievement and digital literacy of all students.

Finally, the Irvine Unified School District is proud of the partnerships with the Irvine Public School Foundation (IPSF), the City of Irvine with the Educational Partnership Fund (EPF) that support programs and services for all students.

Professional Development

Each year our district and school offer 3 full day Professional Growth opportunities for all staff. The focus of the staff development is around the implementation of new curriculum and/or materials, enhancing effective teaching strategies, and district and school-wide continuous improvement efforts. This year, Stone Creek is focusing on standards based grading shifts

Professional Development

that will align staff in grading and assessment practices that more accurately and consistently reflect student learning. Additionally, our teachers that support early learners in PK-1st grade, will focus on social-emotional and behavioral supports that are developmentally appropriate to enhance young learners' pro-social skills. Our MTSS and Intervention teams are focused on Tier I systems in classrooms, access to Tier 2 and Tier 3 targeted instruction and intervention for students who are not meeting grade level essentials standards.

Staff members attend three 6-hour Professional Development days and six 2-hr Professional Development meetings. The after school 2-hour PD trainings will focus on implementing best practices for social justice, targeted instruction for enhancing math and reading instruction, and continued efforts in building social-emotional supports for our classrooms.

This table displays the number of school days dedicated to staff development and continuous improvement.
