## 2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

### Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

## 2024-25 School Description and Mission Statement

The success of the Vista Verde School K-8 program reflects the combined efforts by staff, students, and parents. We are proud to be recognized as a 2020 National Blue Ribbon School, California Distinguished School, California School of Excellence, and as a PBIS Gold School for our positive behavior support STAR Program (Safety School Community, Thoughtful Communication, Act With Integrity and Respect, and Responsible Risk Taking). Vista Verde sustains the same core values that we opened with over 50 years ago - including significant parent involvement, positive school climate, positive student behavior, strong student academic performance, and a strong sense of family and community. In 2006, we relocated from our previous home in University Park to the new community of Turtle Ridge where we now enjoy a state of the art educational

facility.

English speaking students made up the majority of our student population; however, a number of students represent a variety of ethnic backgrounds and speak many different languages, which contribute to our school's richly diverse cultural background. Vista Verde instructional staff are highly trained and passionate about education. We offer differentiated curriculum and instruction by clustering GATE and Challenge students within classrooms beginning in elementary and continuing through 8th grade. To supplement our school program, Vista Verde enjoys collaborative partnerships with our adjacent Las Lomas Sports and Recreation Park, the Merage Jewish Community Center, the Child Development Center located here on campus and the Teen Center at Mariner's Church. Along with our strong IPSF ACE (After school Class Enrichment) program, these neighboring facilities provide a wide variety of after school opportunities for our students. Vista Verde continues to be a school of choice for all Irvine Unified School District students as well as the designated neighborhood school for our nearby Turtle Ridge families.

### Vista Verde K-8 School Mission Statement

"Open for Learning All Year Long"

Our mission is to provide our school's diverse population with the academic and technological skills to effectively meet the challenges of the 21st Century.

We are committed to providing a rich variety of experiences which promote the acquisition of these skills and encourage the development of values and ideals.

Our desire is to foster effective decision-making by informed, productive, and capable students.

As a community, we believe...

- \* All members of our learning community have a right to a safe and positive learning environment engendered through mutual respect, acceptance, and compassion.
- \* Diversity strengthens our community and should be respected and honored.
- \* Excellence occurs when our learning community works together.
- \* Informed and responsible community members make effective decisions.
- \* Staff, students, and parents demonstrate a high level of personal integrity, loyalty, and responsibility toward each other and the community as a whole.
- \* All members of our learning community have the ability to learn and achieve success.
- \* Continuous self-renewal and a balanced life style are critical for all members of our learning community.
- \* Shared community values and goals shape individual attitudes, behaviors, and high ideals.
- \* Every learner is prepared for the challenges of a changing tomorrow through critical thinking, technology, a rich core curriculum, and exploratory program.
- \* Commitment to the whole child today guarantees a legacy for tomorrow.

## School Facility Conditions and Planned Improvements

Vista Verde K-8 is a modern, nearly 19- year old, elementary and middle school facility that integrates technology throughout the campus, including flexible student work centers, media center and multiple computer labs. The philosophy and long-standing focus on collaboration between and among staff, students, and parents continues to create a sense of family and supports an environment conducive to learning. The building and grounds are well maintained and repairs are done in a timely fashion. In addition, the design of the building supports fine arts, music performances, and musical theatre. Vista Verde also has designed its physical education fields to support active play, fitness and team sports. Our Media Center was recently re-designed to provide small and large student work centers, mobile furniture and flexible seating, and access to wireless Chromebooks. Additionally, an IUSD Career Technology Education State Grant, along with additional funds from Vista Verde Foundation, allowed us to fund the installation of a Fab Lab in the middle school wing with four 3D printers, a laser cutter, and a fabrication zone with butcher block work tables. The Foundation assisted this project by adding funds to update our science labs in the middle school with new tables and stools that are more flexible for hands-on science labs and projects. In 2020, LEEP Funding allowed us to remodel 3 pods and to add artificial turf to our atrium. All members of Vista Verde community take pride in our beautiful facility and we think the appearance of a school reflects the level of care and attention given to the education of the children inside.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

<b>Mathematics</b> (grades 3-8 and 11)	82	80	69	69	34	35

## 2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2024-25 Opportunities for Parental Involvement

A myriad of opportunities exist for parents to be involved in our school program and student activities: PTA board and committees, VV Foundation projects, classroom instructional assistance, and volunteer activities within and outside the classroom exhibit a high degree of parent participation. Over 20,000 volunteer hours are typically recorded by our community volunteers each year. Parental involvement in the form of support for academic success is always encouraged through monitoring homework, ensuring good attendance, and attending parent education programs. Parents are provided access to student attendance, grades, and homework completion through our online K-8 Parent Portal at MyIUSD.org. Middle school parents and students may access Canvas at any time to view current homework, tutorial offerings for the week, class assignments and daily reminders for every class. Our PTA sends a school newsletter each Friday which posts school-wide activities, grade level information, and community activities to each family via e-mail. Additionally, we send a Principal's Press via ParentSquare to keep parents informed of school events and provide detailed information about our instructional program. These activities and others ensure our parent and student community staff informed and have multiple activities to be involved in our learning community. For more information about becoming involved in the Vista Verde PTA or the Vista Verde Foundation, please contact our PTA President, and our Vista Verde Foundation President. Information can be found here <https://vistaverde.iusd.org/departments/parents>.

## 2024-25 School Safety Plan

Vista Verde K-8 School has developed a comprehensive Safe School Plan and School Site Emergency Response Plan which are updated each summer prior to the start of school. In addition, we revise our plans as needed throughout the year by our school's Emergency Preparedness Committee and our STAR Positive Behavior Committee when the data collected indicates a revision is needed. All staff members are trained at the beginning of the year on the amended plan and again when STAR (Safety School Community, Thoughtful Communication, Act With Integrity and Respect, and Responsible Risk Taking) behavior data indicates a need for retraining and reteaching. Our student behavioral data is used to monitor and evaluate our school procedures on a monthly basis. When data indicates that problems are occurring, staff meet to determine if reteaching behavior expectations are needed or if we need to alter the environment to facilitate more appropriate behaviors. Our STAR data drives our safety plan and used to continually evaluate our program effectiveness. This is reviewed with staff at the Beginning of Year Staff Meeting (July, 2024), with the PTA Executive Board (October 2024), and with the PTA General Assembly (November, 2024).

Our comprehensive emergency response plan includes a detailed response plan modeled after SIMS protocol and the Incident Command System. All staff members have assigned responsibilities and regularly practice their roles in simulated drills and tabletop training exercises. Students participate in monthly drills that include one of the following emergency situations: earthquake, fire, or intruder. Training in First Aid and CPR are available for staff members on an annual basis. Additionally, through the generous support of our PTA organization, we have an emergency storage shed fully equipped with emergency team equipment and food, water and sanitation supplies for a sustained stay at school in the event of an emergency. These supplies are inventoried and kept current on an annual basis to ensure that we remain fully prepared at all times.

Key elements of our School Safety Plan include:

1. Assessing the current status of school crime committed on the school campus and at school-related functions

## 2024-25 School Safety Plan

- 2a. Child Abuse Reporting Procedures
- 2b. Disaster Procedures - Routine and Emergency
- 2c. Policies for Suspension, Expulsion and Mandatory Expulsion
- 2d. Procedures for Notification of Staff Regarding Dangerous Students
- 2e. Policies on Sexual Harassment
- 2f. Policy Relating to School Dress Code (especially gang-related apparel)
- 2g. Procedures for Safe Ingress and Egress of Pupils, Parents, and School Employees To and From School
- 2h. Procedures that Create a Safe and Orderly Environment Conducive to Learning at School
- 2i. Rules and Procedures on School Discipline.

We are fortunate to have a Campus Control Officer and Supervisor to assist with providing a safe campus and a positive school environment for learning and growing. Vista Verde routinely conducts emergency drills including Fire, Earthquake and Lockdown procedures with staff, parents and students. We welcome community suggestions and input into our School Safe Plan - if you have recommendations, please contact our Campus Control Officer at 949-936-6350.

## Fiscal Year 2023-24 Types of Services Funded

State, federal, and local dollars support students in K-12 public schools. The largest funding source is from the state under the Local Control Funding Formula. The Local Control Funding Formula (LCFF) is the method of allocating funds to school districts. The LCFF model has three sources of state funding with local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program , 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Maintain positive behavioral intervention and support program, 12) Maintain site staffing with full-time assistant principals, 13) 450:1 counseling ratio, support for large

## Fiscal Year 2023-24 Types of Services Funded

elementary schools and elementary classroom aides, 14) Support interventions and supplemental programs impacting English learners, low income and foster youth, 15) Continue to build Career-Technical Education pathways and blended on-line learning opportunities for students, 16) Implementing mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

Federal funds are designed to supplement state resources by narrowing funding gaps for at-risk students, including students with disabilities, foster youth, students experiencing homelessness, and socioeconomically disadvantaged households. Federal grants include:

Title I under the Elementary and Secondary Education Act (ESEA) and Part B under the Individuals with Disabilities Education Act (IDEA)

Funds are used to support effective evidence-based educational strategies that close the achievement gap and enable students to meet the state's challenging academic standards. All schools identified for Title I operate Schoolwide Programs

Title III funds assist with language instruction for English Learners (EL) and immigrant students.

Title IV funds are used to increase district/site capacity to provide all students with access to a well-rounded education, improve conditions for student learning, and improve use of technology to improve the academic achievement and digital literacy of all students.

Finally, the Irvine Unified School District is proud of the partnerships with the Irvine Public School Foundation (IPSF), the City of Irvine with the Educational Partnership Fund (EPF) that support programs and services for all students.

## Professional Development

In addition to the 3 full days of district professional development, Vista Verde dedicated six after school (2 hours per session) site professional development sessions on training to implement Standards-Based Grading, Welcoming and Engaging Diverse Families, English Learners 101, School Safety Plan, School Safety Systems, implementing Tiered Interventions, , and reviewing data and updating our Positive Behavior Intervention System (STAR). We also annually train the entire K-8 staff on the use of Thinking Maps: A Language for Learning.

Additionally, instructional staff attended district provided training and development in the core instructional areas.

Staff and administration meet monthly to review data from both academic assessments and behavioral databases to reflect and revise instruction and positive behavior systems. Additional staff leadership subcommittees focus on increasing opportunities for high achieving students, maximizing support available for at risk students through academic and behavior interventions (MTSS), and improving our Positive Behavior Intervention System (STAR) program.

The results of our continuous improvement efforts are regularly reported to our community through the School Site Council, PTA Board and General meetings, Vista Verde PTA Newsletter that is sent electronically each month to parents, and our school website.

This table displays the number of school days dedicated to staff development and continuous improvement.
