PUBLIC NOTICE

Dear Current Resident:

The Irvine Unified School District (IUSD) is pleased to announce the Measure E Improvements for Culverdale Elementary School. The District will be adding a new multi-purpose building, food service facility, and relocation and replacement of relocatable classroom buildings. This work is anticipated to begin construction summer 2023 through August 2024.

In June 2016, Measure E was passed by the voters within IUSD to provide funding for improvements at several of our existing campuses.

In compliance with IUSD Board of Education Policy and Administrative Regulation – 7110.1 on the placement of structures on existing school sites, we are notifying you of IUSD’s intent to expand the existing facility at Culverdale Elementary School. The proposed location for the expansion is shown on Exhibit A (reverse side of this notice).

All interested persons are invited to participate in the Public Information Meeting, which will provide information on the proposed project. IUSD representatives will be available to answer questions. **This meeting will begin promptly at 6:00 p.m. on Wednesday, May 18, 2022.** If you are unable to attend, but would like to submit comments, you may do so by sending them to:
