DEFINITIONS OF TERMS IN THE CHART

Household Size is the number of people in your household. A household is any group of related or non-related individuals, (Parents, children, grandparents, aunts, uncles, roommates, etc.) who are living as one economic unit. They share living expenses including rent, clothing, food, utility bills, etc. A foster child is considered a one-member household if the welfare placement agency maintains legal responsibility for the foster child.

Gross Income is total household income before deductions. It includes wages, welfare payments, food stamp allotments, pensions, Social Security, S.S.I., child support, alimony, income from investments, and all other income for all members of the household.
