Any interpretation or correction of the bid documents will be made solely at District discretion and only by written addendum duly issued by the District, and a copy of such addendum will be hand delivered, emailed or uploaded to the District website to each bidder known to have received a set of bid documents. 10. Award of Contract. The District reserves the right to reject any or all bids, or to waive any irregularities or informalities in any bids or in the bidding process. The award of contract, if made by the District, will be by the action of the District's Governing Board to the lowest responsive and responsible bidder. If two identical low bids are received from responsive and responsible bidders, the District will determine which bid will be accepted pursuant to Public Contract Code Section 20117. In the event an award of the contract is made to a bidder, and such bidder fails or refuses to execute the Agreement and provide the required documents within five (5) working days after the notice of award of the contract to bidder, the District may award the contract to the next lowest responsive and responsible bidder or reject all bids.

12. Competency of Bidders. In selecting the lowest responsive and responsible bidder, consideration will be given not only to the financial standing but also to the general competency of the bidder for the performance of the services. By submitting a bid, each bidder agrees that the District, in determining the successful bidder and its eligibility for the award, may consider the bidder's experience and facilities, conduct and performance under other contracts, financial condition, reputation in the industry, and other factors which could affect the bidder's performance of the contract. The District may also consider the qualifications and experience of persons and organizations proposed for those portions of the work. In this regard, the District may conduct such investigations as the District deems necessary to assist in the evaluation of any bid and to establish the responsibility, qualifications and financial ability of the bidder, other persons and organizations to do the work to the District's satisfaction within the prescribed time. In the event of any claim or demand made against any party which is entitled to be indemnified hereunder, the District may in its sole discretion reserve, retain or apply any monies due to the Transportation Contractor under the Bid Documents for the purpose of resolving such claims; provided, however, that the District may release such funds if the Transportation Contractor provides the District with reasonable assurance of protection of the District's interests.
