

## **18. a. Amend Contract/Award - Technology Equipment and Peripherals**

---

### **Rationale**

The Irvine Unified School District (District) has a need for technology equipment and peripherals.

On August 27, 2024, the Board of Education (Board) awarded Bid No. 23/24-01 IT Technology Equipment and Peripherals to CDW Government, LLC (CDWG). Bid No. 23/24-01 IT Technology Equipment and Peripherals was a unit-cost bid that included equipment and services the District anticipated were necessary to meet the District's technology needs.

The initial term of the contract was January 1, 2025 through December 31, 2029.

Certain products specified in the bid have subsequently been updated, altered or discontinued, therefore, the parties wish to amend the underlying Bid Form Pricing Sheet to allow the District to purchase 1) new, upgraded products that replace those originally specified, and 2) substitute products which are direct replacements for original products that have been discontinued. Section 19.C of Bid No. 19/20-01 IT Technology Equipment and Peripherals allows the successful bidder to "delete Equipment removed from the market by the manufacturer and/or add Equipment introduced to the market by the manufacturer under the following conditions: a. Deleted Equipment has been discontinued and is no longer available from the manufacturer; b. Added Equipment is a direct replacement for original Equipment listed in the bid, Contractor's bid, the resulting Agreement and/or any Purchase Agreements."

Manufacturers have discontinued certain products specified in the bid. In some cases, the replacement products include significant technical upgrades that have affected the product price. Additionally, some manufacturer cost increases require an adjustment to licensing and product costs. The Technical Specifications and Requirements form in Bid No. 23/24-01 IT Technology Equipment and Peripherals allows "price increases reflecting original manufacturer's cost increases to the successful Bidder."

The Updated Bid Form Pricing Sheet is attached.
