

How to Find Your Student's Permanent ID Number

***If you are enrolling to an IUSD school for the first time, the Office Assistant will enter the ID number for you once the enrollment has been completed.**

If your student is already an active student in IUSD:

- Login to your Aeries Parent Portal (my.iusd.org)
- Select your student
- Click on Demographics from the left side menu
- Your student's ID number will be displayed underneath their name, generally 8 or 9 digits long

The screenshot shows the Aeries Student portal interface. The top header includes the Aeries Student logo and the student's name 'Dino Saurus' with 'Lakeside Middle School - Grade 7' below it. The left sidebar contains a navigation menu with 'Demographics' selected. The main content area is titled 'Demographics' and displays the student's name 'Dino Saurus'. Below the name, a table lists the student's information:

Student ID	Last Name	First Name	Middle Name
123456789	Saurus	Dino	
Stu#	Last Alias	First Alias	Middle Alias
22355			

Below this table, there are tabs for 'Student Data 1' and 'Student Data 2'. The 'Residence and Mailing Address' section shows '1212 Jurassic Lane, Irvine, CA 92630'. The 'Parent/Guardian' section lists 'Bronto Saurus' as the primary guardian. The 'Track' section shows 'A' for Track and 'Regular' for Prog. The 'Primary Teacher(s)' and 'Counselor' sections are both 'N/A'. The 'Ethnicity' section shows 'N' for Ethnicity and 'English' for CorrLng and RptgLng. The 'User' section shows 'G' for NxInt and '1' for Gate.
