1.0 Overview

Irvine Unified School District (“District”) General Obligation Bond Measure E (“Measure E”) was approved by the voters on June 7, 2016 within School Facilities Improvement District (“SFID”) No. 1 of the District. Approval of Measure E authorized the District to issue up to an aggregate principal amount of \$319,000,000 in General Obligation Bonds within SFID No. 1.

The Measure E election was conducted under Proposition 39, being chaptered as the Strict Accountability in Local School Construction Bonds Act of 2000 and was approved and authorized subject to provisions of Section 1 of Article XIII A of the California Constitution, which established California Education Code Section 15278. California Education Code Section 15278 requires the establishment of an Independent Citizens Bond Oversight Committee in order to satisfy the accountability requirements of Proposition 39.

The Board of Education (“Board”) of the Irvine Unified School District established the Independent Citizens Bond Oversight Committee (“Committee”) on August 23, 2016. The Committee maintains the duties and rights set forth in the Bylaws. The Committee does not have legal capacity independent from the District. The District provides necessary administrative support to the Committee consistent with the Committee’s purposes, as set forth in Proposition 39.
