COASTLINE ROP

Through our partnership with Coastline ROP (Regional Occupational Program), we offer expanded CTE course options during and after school.

These programs include internships that help students gain career skills and real-world experience that further their career and education goals.

College, Career & Life Readiness

ABOUT CTE

The Career Technical Education (CTE) program at Northwood High School, within the Irvine Unified School District, gives students hands-on experiences in high-demand industries during the traditional school day, while helping them build real-world skills like teamwork, leadership and problem-solving to prepare students for college, careers, and beyond.

These programs also allow students to earn industry-specific certifications, which prepare them to be career-ready.

GAIN REAL-LIFE EXPERIENCE

Our Career Technical Education program equips students with practical skills for high-skill, high-wage, in-demand careers, while also developing essential employability skills to support their personal and professional success.

WHAT CTE OFFERS

- School-Day Courses in High-Demand Industries
- College and Career Workshops
- Internships, Mentorships and Apprenticeships
- Guest Industry Speakers
- Industry Tours
- Industry Certifications

WHY JOIN?

Through workshops, internships, mentorships, and hand-on experiences, Career Technical Education connects what students learn in school to the real world so they're prepared for college, careers, and everything in between.
