**Submit a PDF and excel Bid Form Pricing Sheet with Bid Documents**

Bid prices are to include all costs associated with the proposed Solution including, but not limited to, shipping, F.O.B. Irvine Unified School District or as directed by the purchase order of said District, assembly, inside delivery, and any required installation/implementation, software licensing, maintenance, training, ongoing support, recommended professional services, containers, packing, delivery, disposal of waste, miscellaneous costs, and costs of optional services and products. Do **not** include California Sales or Use Taxes in unit prices. This tax will be added and paid for by the District. Costs not identified by Bidder shall be borne by Bidder and will not alter the requirements identified in this solicitation.

Whenever any Equipment is indicated or specified by brand name, trade name, proprietary name or by name of manufacturer, such specification shall be deemed to be used for the purpose of facilitating description of material, process, service or equipment desired and shall be deemed to be followed by the words "or equal", and Bidder may, unless otherwise stated, offer any material, process, service, or equipment which shall be substantially equal or better in every respect to that so indicated or specified, subject to District approval.

Should the Bidder wish to request prior to bid opening, any substitution for the materials, process, Work or Equipment **specified in the Short List**, the Bidder shall submit a written request to the District **within the timeframe stated for Requests for Information (RFI's)**, in accordance with Information for Bidders Sections 9 and 19. Bidders submitting RFIs requesting substitutions of "or equal" products should include the line number, description, and manufacturer and model no. listed on the original Bid Documents, and the manufacturer and model no. of the proposed "or equal" product. Descriptive technical literature (manufacturer's specifications and a picture of the specific item), marked with the appropriate bid item number, should be provided fully describing the claimed "or equal" product. Suitability and valuation of "equals" rest in the sole discretion of the District.

For proposed **Catalog Discount Work and Equipment**, Bidders should list all manufacturers available in the column denoted "Brands/Manufacturers". Bidders are not required to offer Equipment from all manufacturers listed in the description. Bidders may propose additional "or equal" manufacturers. Suitability and valuation of "equals" rest in the sole discretion of the District.

Bidders must complete all items, or the bid submitted may be declared non-responsive. Note: This is NOT AN ORDER. If a Bidder will not bid on an item, it should write "No Bid" under the unit price.

Bidders may add additional rows for tiered pricing. Specify the different tier quantities in the "Minimum Purchase Amount" column.
