

**Bid No. 19/20-01 IT Technology Equipment and Peripherals**  
**Addendum No. 3**  
November 19, 2019

**Changes and Clarifications**

1.1 Section 11 of the Information for Bidders of Bid No. 19/20-01 IT Technology Equipment and Peripherals shall be amended to read as follows:

“11. Award of Contract. The District reserves the right to reject any or all bids, or to waive any irregularities or informalities in any bids or in the bidding process. The award of bid, if made by the District, will be by the action of the District’s Governing Board to the lowest responsive and responsible Bidder. **The District will determine low bid by calculating the total costs of the proposals against a hypothetical scenario(s).** If two identical low bids are received from responsive and responsible Bidders, the District will determine which bid will be accepted pursuant to Public Contract Code Section 20117. In the event an award of the contract is made to a Bidder, and such Bidder fails or refuses to execute the Agreement and provide the required documents within five (5) working days after the notice of award of the contract to Bidder, the District may award the contract to the next lowest responsive and responsible Bidder or reject all bids. Due to the large number of line items, the bids will be received at the location and time designated and a spreadsheet of the awarded result will be posted online at: [www.iusd.org/District\\_services/purchasing/CurrentBidsandRFPs.html](http://www.iusd.org/District_services/purchasing/CurrentBidsandRFPs.html).

The District’s contract award will be made partially on the ability to completely comply with the greatest number of technology catalog categories. The District has also provided a short list of specific Equipment and part numbers as a brief cross-sampling. This short list is solely an example to the District, and the amount of weight in scoring of submitted bids that this short list *and the catalog discount items* will receive will be solely at the option and discretion of the District. The District will determine low bid by totaling a hypothetical scenario(s) provided at the Bid Opening.”
