# Vision for CEC

A person in an orange jacket stands on a rocky cliff edge, arms outstretched, overlooking a deep fjord with a blue lake and steep, rocky mountains under a cloudy sky.

*Each student will leave Creekside Education Center with effective communication skills, cultural awareness, and the capacity to pursue a field of expertise that encourages each student to be a contributing member of society.*

A person with long hair, wearing a light green jacket, dark pants, and white sneakers, is running towards a large mural. The mural depicts an underwater scene with a giant hand reaching down, various fish, and a small boat. The person is running on a concrete surface, and a red wheel is visible in the foreground. The overall color palette is dominated by blue and green tones.
