Dear Puppet Lady,

You have gave us great art tips  
and all of the puppets are so, so, so awe-  
some! These art lessons were so cool I even  
made some at home and I told my  
parents that you are really funny.

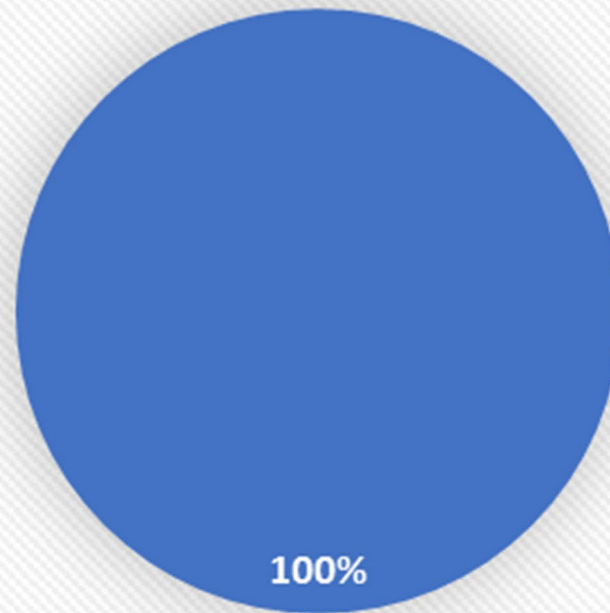

Sincerely,  
Ben #4

Feedback from the  
IUSD Artist Residency  
“The students have been  
able to make connections  
and use strategies learned  
during art class across  
other areas of our  
curriculum.”

Teacher, Santiago Hills Elementary

A goal of this Residency Program is for the artist to introduce grade level appropriate visual art techniques that focus on the creative process and not the product. In your opinion, to what extent was this goal met?
