COVID-19 Testing   Simple 1-2-3 Process

Step 1 – Register Online

Complete this one-time registration process before submitting COVID-19 test

Staff Registration
https://hipaa.jotform.com/InnerHealth_Laboratory/iusd-staff-covid-19-testing-form

Student Registration
https://hipaa.jotform.com/InnerHealth_Laboratory/iusd-student-covid-19-testing-form
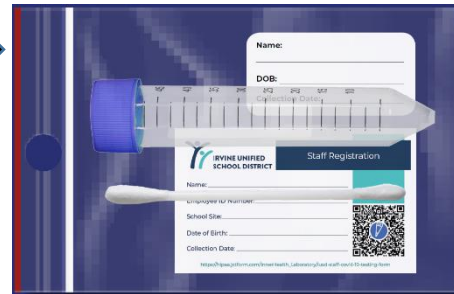

Non-Student Household Registration
https://hipaa.jotform.com/InnerHealth_Laboratory/iusd-non-student-covid-19-testing

Step 2 – Collect Sample

Nasal Swab

Fill out mini-registration card and properly label the collection tube

Salvia Collection

Step 3 – Deposit Sample

After collection, firmly close sample container so it won't leak. Put the mini-registration card and the Tube back into plastic bag. Seal the plastic bag.

Take the sealed plastic bag containing your completed sample back to the front office and place it in the red container. <u>Test results can take up to 24-48 hours</u>.
