Pre-Mandatory Proposal Questions

Q1. Is this bid for main line or a la carte or both?

A. Yes, this will be for both main line and a la carte.

Q2. On page 6 the bid lists for a 16" 8 cut and a 6" 4 cut but on page 30 the bid is requesting a 2 meat/ma and a 2 grains formulation.

A. This requirement is per slice of pizza.

Q3. Our 2/2 profile is a 14" 8 cut not the 16", will this qualify? Most of the districts I work with are focused on the formulation that meets the USDA and not necessarily the size. Are you ok with the 14" 8 cut 2/2 profile?

A. The district is currently selling 16" pizzas to the elementary and middle school students and will not accept a 14" pizza for the high school students.

Q4. What is the approximate volume for all the schools per week?

A. There is approximately 36 weeks per annual usage of the item.

Q5. How many lunch sessions do the schools typically have?

A. There is one (1) lunch session per day.

Post Mandatory Proposal Questions

Q1. In regarding our 6 inch pizza (Personal) is a pan dough crust and it is not a Whole Wheat NSLP pizza crust. All the schools we are doing only serve slices.

A. All pizza crust shall be made of whole wheat regardless of the size of the pizza.
