NORTHWOOD ELEMENTARY SCHOOL
A California Distinguished
& National Blue Ribbon School

PARENT
STUDENT
HANDBOOK

Northwood’s Mission:

“Our mission is to prepare our students to face the challenges of the future and be their best selves.”
Dear Northwood Families,

Welcome to another promising year of exploration and discovery for your child at Northwood Elementary. Once again, the Northwood staff is committed to providing each student at Northwood with a safe, nurturing, and academically enriching environment in which to grow.

We invite you to join with us in challenging your child to attain their learning goals and become their best selves. To help your child learn at Northwood, we urge you to get involved in your child’s education in the following ways: (1) encourage your child to read through our Reading Olympics incentive program, (2) talk with your child about what they are learning at Northwood, (3) monitor homework completion, and (4) please limit your child’s “screen time” on devices such as TV, Nintendo DS, video games, Internet, etc.

Additionally, it will be critical for you to play an active role in your child’s education by getting involved in the numerous family events that occur throughout the year. One great way to get involved is to join our PTA. Our PTA enhances Northwood’s learning program through fundraising, volunteerism, and sponsoring activities and family events.

The Northwood Elementary Parent/Student Handbook has been designed to serve as a general information resource for your family. Please keep this handbook in your document file and use it as a reference when you have questions about Northwood.

We thank you for your time and support, and for entrusting us with the person most precious to you- your child. By working together, we know that this will be an terrific year for your child at Northwood Elementary!

Respectfully,

Dr. Stuart Payne, Principal
Northwood Elementary

GENERAL INFORMATION
(Listed Alphabetically by Topic)

Attendance Policies
(Includes: Absences, Illnesses, Truancy & Tardies)

Parents/guardians of children between the ages of 6 and 18 are obligated to send their children to school unless otherwise provided by law. The school board shall abide by all state attendance law as and may use any legal means to correct the problems of excessive absence or truancy. (Board Policy 5112)

Reporting an absence: It is the responsibility of the parent/guardian to notify the school each day a child is absent. The following methods may be used to verify student absences:

A. Written note from parent/guardian or parent representative. (Ed. Code 46012)
B. Conversation, in person or by telephone, between the verifying employee and the student’s parent/guardian or parent representative.

Northwood Elementary school maintains a 24 hour attendance line for your convenience in reporting student absences. The attendance line phone number is (949) 936-5951. Please call the attendance line each day your child is absent. A phone call to the attendance line or note to the office personnel reporting an absence must be received from the parent within three days of the child returning to school.

State law requires regular attendance. If your child is absent or going to be absent, please call the 24 hour attendance line at (949) 936-5951.

Information Regarding the Federal Law “No Child Left Behind” (NCLB) and Truancy: Students going out of town or on vacation are to be marked as truant under the "No Child Left Behind" federal law.

Truancy indicates a violation of the laws requiring children be at school everyday their school is in session. Students without a valid excuse shall be classified as truant. Our school district is required under Board Policy (5112) to monitor student attendance and to follow specified district guidelines for referrals to the School
Attendance Review Board regarding attendance issues. Parents will be notified of excessive absences, tardies, and truancies. The following will hopefully aid in your understanding of parental responsibilities under the law.

**Excused**: Absence from school shall be excused only for reasons permitted by law, Board policy and administrative regulations (Educations Code 48205). **A student’s absence shall be excused for the only the following reasons:**

1. Personal Illness (Ed. Code 48205)

2. Quarantine under the direction of county or city health official (Ed Code 46011, 48205)

3. Medical, dental, optometric, or chiropractic appointments. (Ed. Code 48205)

4. Students absence for religious instruction or participation in religious exercises away from school property may be considered excused subject to administrative regulations and law. (Ed. Code 48205)
   
   a. Written verification for student participation in religious instruction or exercise must indicate the beginning time, ending time and date of the religious holiday observance. (Ed. Code 46014)
   b. Student shall be excused for this purpose on no more than four school days per month. (Ed. Code 46014)

5. Attendance at funeral services for a member of the immediate family. (Ed Code 48205)
   
   a. The absence shall be limited to one day if the service is conducted in California or three days if conducted out of state. (Ed Code 48205)

6. Jury Duty in the manner provided for by law. (Ed Code 48205)

7. A student’s absences shall be excused for justifiable personal reasons including but not limited to: court appearance, observance of holiday or ceremony of his/her religion, religious retreat attendance for no more than four hours per semester, employment conference.
8. If student is the custodial parent of a child who is ill or has medical appointment during school hours the absence shall be excused. (Ed. Code 48205)

Only the following persons may accept written or verbal communications regarding student absence verification: administrators, counselors, teachers, school nurse, and classified employees working with pupil personnel attendance services. (Board Policy 5113)

**Unexcused**: Absences, with parental knowledge and consent, for reasons other than those enumerated above as excused absences shall be deemed unexcused absences. (Board Policy 5112)

Students absent without a valid excuse shall be classified as truant. Students who are tardy more than 30 minutes without a valid excuse shall be classified as truant. Such students shall be reported to the principal or designee. (Education Code 48200)

**Truancy**: A student is considered truant if the student was absent without school notification from the parent/guardian. If a parent did not telephone office personnel or send a note within the three days of the child’s returning to school; or, the child was absent for an unexcused reason the child will be marked as unexcused. Each unexcused absence equals 1 truancy.

Class participation is an integral part of each student’s learning experiences, parents/guardians and students are asked to schedule medical appointments during nonschool hours (Board Policy 5112a). If a student must miss school due to a medical/dental appointment, please deliver to the school a note from the medical/dental professional indicating the student name, date and time of the appointment. This medical/dental note allows the attendance record to reflect an excused absence.

**Tardies**: Students are to arrive on time and remain in school for the duration of the school day. If a child arrives late, this is recorded as a tardy. If the tardy is due to a morning medical/dental/orthodontia appointment, when the child checks into the office please deliver a note from the medical/dental professional indicating the date, child’s name and time of the appointment. This allows the attendance office to mark the child’s tardy as excused.

Parents of tardy students need to say good-bye to their child at the office as instructional time has begun in the classrooms. **Do not walk tardy students directly to the classroom.**
**Excessive Absences and/or Tardies:** The district’s computer database automatically creates letters to parents of student’s meeting prescribed No Child Left Behind truancy attendance thresholds. Our school and district continues to notify parents of excessive absences, tardies, and truants, and will follow prescribed procedures: (1) Parent notification of excessive absences and/or tardies, (2) Parent Meeting with the Principal and completion of a Parent /Student Attendance Agreement (3) Parent meeting with the School Attendance Review Team, (4) Family referral to the District School Attendance Review Board.

**Adults on Campus**
To ensure student safety and a consistent focus on academics, all adults need to check in at the office before entering the school campus. Parents and/or visitors need to sign in and pick up a “Volunteer” or “Visitor” badge to wear at all times while on campus. The District mandates all Volunteers complete and have on file a Volunteer Screening Form. This form is available in the school office.

**Articles from Home** (also see Forbidden Items)
Personal articles (toys, radios, etc.) may not be brought from home without prior written permission from the principal/teacher.

**Awards**
At the end of each trimester, each grade level holds an Awards Assembly to recognize and reward individual students for outstanding behavior and performance. Trimester Awards include:

*The Highwheeler Award* – Awarded at the teacher’s discretion to students who have demonstrated superior performance in a school related area.

*The Citizenship Award* – Earned by students who have demonstrated exceptional behavior and have not received any citations for the trimester.

*Academic Award* – Awarded to primary students for high academic achievement or academic improvement.

*Second Honor Roll* – Awarded to upper grade students who receive all B’s or better on their end of trimester Report Cards.

*First Honor Roll* – Awarded to upper grade students who receive all A’s and 1 B on their end of trimester Report Cards.

*Principal’s Honor Roll* – Awarded to upper grade students who receive all A’s on their end of trimester Report Cards.

*Reading Olympics* – Gold, Silver, and Bronze medals are presented to those students that met the trimester criteria.

*Star Student of the Month Award* – is presented to one student in each class who demonstrates exemplary character trait behavior.

*Attendance Award* – is awarded to students who have no tardies or absences.
**President’s Award** - Awarded only to students at the 6th grade promotion ceremony who have maintained all A’s and B’s on each report card from fourth through sixth grades and a cumulative GPA of 3.5 or higher for grades 4-6.

**ROLL Bucks** - In addition to Trimester Awards, students receive positive reinforcement through our “ROLL Bucks” program. ROLL stands for: (R) Respectful, (O) On-task (L) Living Responsibly, (L) Living Safely. Students can receive ROLL Bucks from staff members by exhibiting these exemplary behaviors. Students can redeem their ROLL Bucks for items at our ROLL Buck Store.

**Back-to-School Night**
At Back-to-School Night, each teacher provides parents with an overview of the material to be covered in the school year and an outline of expectations of student behavior and performance for the year.

**Behavior / Discipline**

Because behavior and discipline are the shared responsibilities of the home and the school, a cooperative and supportive partnership benefits students best and leads to the best type of discipline: self-discipline. When children behave appropriately, all students can enjoy an optimal learning experience, free from distractions to learning goals. Because each student at Northwood is entitled to a safe and respectful school environment, we expect all students to behave in an appropriate manner and be held accountable for behavior that disrupts or inhibits the educational process. Northwood provides many opportunities for children to develop respect for others and the ability to work and learn together collaboratively. Positive reinforcements for good behavior include receiving periodic commendations and/or special rewards for demonstrating good citizenship.

In order to ensure a quality learning experience for your child and all the students at Northwood Elementary, the following general rules for behavior have been developed:

1. Treat others as you wish to be treated
2. Be respectful to everyone at Northwood
3. Follow staff directions
4. Use appropriate language
5. Use equipment and materials properly
6. Stay in assigned areas
7. No rough play
8. No name calling, teasing, put downs or bullying
9. Solve problems, don’t make them bigger
10. Respect school property and the property of others

When students make poor behavioral choices and create disruptions to our learning environment, school disciplinary measures need to be enacted. School disciplinary measures range from **minimum consequences** (given a warning and being reminded of the rules), to **intermediary consequences** (loss of playground privileges, a citation sent home, or a parent conference with the principal), to **maximum consequences** (suspension or expulsion from Northwood). Behavior that intentionally causes injury to another person is cause for immediate citation or suspension from school. Additionally, any student who is in possession of a firearm or a knife will be recommended for expulsion from school. Each case is handled on an individual basis in accordance with District policy, including IUSD’s ZERO TOLERANCE POLICY.

Many students confuse the concepts of **self-defense** and **aggression**. Some students, for example, think it is acceptable to strike back and declare it to be in self-defense. This is unacceptable because there is a major difference between SELF-DEFENSE and AGGRESSION. When a person blocks a punch, it is considered self-defense, but when a child strikes back, he/she becomes an
aggressor and is equally accountable. Retaliation never solves the problem; it only makes the problem bigger. If your child encounters aggression from another student, they need to seek assistance from an adult staff member.

**Bicycles/Razors/Skateboards/Roller Blades/ Heely Shoes**

Children in grades 3 through 6 may ride bicycles to school with parent permission. Parents and students must complete the “Permission to Ride a Bicycle” form and submit it to the school office. In our continuing effort to promote safety, we require that all bike riders wear helmets. It is the responsibility of each student to lock their bicycle with his/her own lock in the bike rack each day. If your child does not have a lock, please leave the bicycle at home. Bicycles are to be registered with the City of Irvine Police Department. Bicycle registration serves a dual purpose: (a) in the event of an accident, a child’s parents will be quickly notified on the basis of the registration information, and (b) registration of bicycles helps to find and return lost or stolen bicycles. Bicycle registration forms may be secured through the Irvine Police Department. Heely shoes, Razors, skateboards, and roller blade skates are not allowed on school property.

**Birthdays / Treats**

At Northwood Elementary we like to recognize our students on their special day, but given the current demands of the curriculum, we cannot have birthday parties for students. Treats will be shared during lunch or recess at the lunch tables. We also appreciate healthy choices with respect to snack selections, so please do not select foods which are high in fat, artificial ingredients, and sugar. Also, be sure to check with your child’s teacher at least 24 hours in advance before bringing birthday treats to school as some children in the classroom may have severe allergic reactions to specific foods (e.g., peanuts). Do not send balloons or flowers as they disrupt the learning program and distract students.

**Content Standards**

The Irvine Unified School District is committed to providing each of our students with the highest quality learning experiences possible. We believe that the best way to achieve successful academic growth is through the combined efforts of the school, parents, and child. One important way for parents to help is to be aware of what students are expected to learn. Toward that end, your child’s teacher will be responsible for teaching your child learning goals considered essential at his/her grade level. These learning goals are referred to as grade-level content standards, and they exist for language arts, mathematics, science, and social science. These content standards drive the plans for daily instruction and homework. Content standards also provide the basis for progress reports and report cards. Parent/teacher conferences add further clarity regarding student progress on grade-level standards. Along with solid instruction, these standards invite students, teachers, and parents to work together in the classroom, and at home, in the interest of success for all. For additional information on grade-level content standards, please visit our web site at: [http://www.iusd.org/education_services/CurricularPrograms.html](http://www.iusd.org/education_services/CurricularPrograms.html).
Computer Labs
Teachers take their classes to the lab on a weekly basis for 30-60 minutes. Our computer lab Media Tech assists our staff and students with computer-assisted instruction.

Child Abuse
In accordance with California law, school staff members are obligated to report the reasonable suspicion of physical abuse, emotional abuse, emotional deprivation, physical neglect, inadequate supervision, or sexual abuse and exploitation. In these deeply serious matters, the school staff will make such reports in the best interest of the affected child and make the report to the proper authorities for their investigation and review.

Classroom Observations
Parents have the right to observe instruction or other school activities. In order to prevent undue interference with instruction and other activities, the following conditions shall apply to parent observations per board policy:

- A written request shall be presented at least two school days in advance of the requested observation.
- Parent observers shall be expected to control their movement and their remarks so that no teaching or learning is interrupted.
- The duration of any observation shall not exceed one hour.
- The frequency of observation of any individual staff member by the parents of any individual student shall not exceed three times per year, or more than once per month unless otherwise authorized by the Superintendent or designee.
- Parents observing in the classrooms will maintain confidentiality about the learning environment.

Contagious Disease
Students with a contagious or infectious disease should be kept at home for their own and others’ protection. The school should be notified when a child contacts a communicable disease. Please contact the school health office at (949) 936-5961 if you have any questions. IUSD’s Health Guidelines can be found at IUSD.org under Health Services.

Counseling
Limited counseling services are provided for identified students with school related problems. Students are referred by the principal, the teacher and/or the parent/guardian. Additionally, if there are any stressful circumstances that arise for your child (such as the death of a loved one or difficulties at home), please notify your child’s teacher and/or the principal as it may affect your child’s ability to concentrate at school. We will make every effort to be sensitive to the situation.
Deliveries
In an effort to keep class disruptions to a minimum, items cannot be delivered to the classroom. If you need to deliver a forgotten lunch, homework or a musical instrument for a student, please deliver the item to the front office prior to 10:15 am and fill out a pink delivery notice which will be put into the teacher mailbox. Pink delivery notices delivered after 10:15 am may or may not be received by the teacher during the break. Teachers pick up delivery notices during their scheduled release/break times. Once a teacher delivers the pink notice to a student, the student is responsible for picking up the item at their next break/recess. Please remind your child to always check in the office if they have forgotten something.

Disaster
In the event of a natural disaster, the school staff will follow the district/school’s disaster plan in order to insure the safety of your child. As a parent, you need to be aware of the following:

1. Students will be released only to parents/guardians or persons the parents have previously designated on child’s emergency card.
2. If the students and staff are ordered to vacate the facility, a large sign will be posted on the office door stipulating where the students have been taken. You may also call the district office for more information at (949) 936-5000.

Discipline (see Behavior / Discipline)

Dress Code
Northwood promotes a standard of appearance which enhances the learning environment while allowing for reasonable comfort and individuality for all students. Student dress and grooming is the parent’s responsibility so we encourage parents to have their children in neat and clean clothing which is appropriate for elementary school activities and will not be a distraction or disruption in the classroom. Clothing may not contain inappropriate graphics or messages. Open-toed shoes or sandals are not permitted as they constitute safety concerns with respect to physical activities such as PE and play during recess. The school will inform parents in the event that a student’s dress or grooming is not appropriate for school. The following is Northwood Elementary School's Dress Code:

- Shoes should be appropriate and sturdy enough for school activities including physical education.
- For students’ safety, no flip flops, crocs, clogs, open-toed sandals or backless shoes can be worn at school.
- No distracting hairstyles or hair colors.
- Approved hats, hoods and caps are acceptable for outside activities only.
• No jewelry that distracts from the educational environment or could be unsafe during physical activities should be worn.
• Shorts and pants must be of appropriate size. No baggy or saggy pants will be allowed. No short shorts. The hemlines on shorts should be no higher than mid-thigh (pockets should not hang below the bottoms of shorts).
• Shirts must be long enough to keep the midriff covered when the arms are raised.
• Undergarments or boxer shorts are not to be shown.
• Spaghetti straps, tube tops, and tops that are off the shoulder are not allowed.

Below is an excerpt from the IUSD’s Board Policy governing Dress and Personal Appearance:

Appropriate dress and personal appearance at school and school-related activities shall not include any clothing, attire, or accessory that by its manner of appearance, arrangement, trademark, fit, or any other attribute, is unsafe; disruptive; unhealthful; obscene; profane; ethnically, racially or sexually degrading; libelous or slanderous; exposing undergarments; provocative or revealing; advocating unlawful behavior or illegal substances; or suggesting or promoting any affiliation with any street gang or other group that commits unlawful acts [see Board Policy 5132(a) - Dress and Personal Appearance and Board Policy 5136(a) - Gang Affiliation].

Early Dismissal / Leaving School Grounds
When leaving school prior to dismissal, students must report to the office to be signed out by a parent/guardian or an adult the parent/guardian has designated on the emergency card. This requirement is to ensure the safety and well-being of your child. Children who need to leave school during the day MUST bring a written excuse to the School Office in the morning for approval. The parent must sign the child out when they leave school, and sign in when they return to school. If a child needs to be dismissed early, the parent should report to the office to pick up his/her child. Parents should not go to the classroom to pick up children. For safety purposes, children will not be released to anyone not listed as an emergency contact.

Emergency Cards/Emergency Numbers
Emergency information that is currently on file will be sent home at the beginning of the school year for your review. It is imperative that all emergency information be current, as the phone numbers on file at the school will be used to notify parents in the event of an emergency or accident. The district maintains a minimum of 3 local emergency phone numbers should be provided for each child.

No student can be released from school without permission from a parent/guardian (Board Policy 5112a). Only people listed on the student’s
emergency contact information will be allowed to pick up children. They will be required to show valid photo identification when picking the child up.

**Emergency Information**

Parents are now expected to continually update their child’s emergency information on [http://my.iusd.org](http://my.iusd.org). We recommend periodic reviews of the website to verify emergency information is current. If you wish to add someone new to your emergency information, for security reasons, you are unable to add them through the website. The parent/guardian must come into the office to have a person(s) added to the emergency list.

In case of illness or injury to a student, every effort will be made to contact the parent by telephone. It is important that your home, cell and business phone numbers, as well as emergency contact persons, be kept current in the Northwood student database system. Please report changes of phone number or address immediately to the school office.

If you expect to be away from home for any length of time during the school day, it is important that you tell your child when he leaves in the morning and *make sure that the office has a number to call in emergencies when you cannot be reached.*

If you need to contact your child or take him from school during the school day, please come to the school office to sign him out. We will not release any student to anyone except the parents or legal guardian or emergency contact persons listed on the student’s emergency card. Office staff will ask for identification if they do not know the person asking to sign out a student.

**E-mail Notification**

The school periodically sends e-mail messages about upcoming school events or dates. To make sure that you receive these important e-mails, please make sure that your e-mail address is kept current.

**E-mailing Northwood Staff Members**

1. Visit the Northwood Elementary Website at [www.iusd.org/nw](http://www.iusd.org/nw). Click on: The Staff Contact List. Click on the e-mail address next to the staff member’s name you wish to communicate with. The listed e-mails link directly to the teacher/staff e-mail address for you to send your message.

2. We ask that you put your student’s name as the subject in the subject line. Our district server is a secure site with very sensitive anti-virus software. There are times an e-mail might be inadvertently rerouted into a teacher’s spam box or junk mail. By identifying the student in the subject line, the teacher will know it is a parent/guardian who is e-mailing them with school business.

3. Staff members will attempt to respond to your e-mail within 1-2 school days.
English Language Development Program
The English Language Development (ELD) Program consists of newcomer primary classes. Students receive intensive instruction to develop their skills in English. Students who need to learn English are typically in the ELD program for a period of one year before transitioning to a regular education classroom.

Forbidden Items
KNIVES, GUNS, OTHER WEAPONS: It is against the law for students to bring these items to school. **IUSD has a Zero Tolerance Policy** for such objects.

DRUGS or ALCOHOL: The possession, sale and/or use of any controlled drug (including alcohol), look-alike drug, or drug paraphernalia may result in an immediate student suspension from school and all school activities for the duration of the suspension. Police will be notified and parent(s) must meet with the Principal.

TOYS: Toys are out of place in the classroom and should be left at home, unless they are brought for sharing with the consent of the teacher.

ELECTRONIC GAMES, PORTABLE CD/TAPE RECORDER/PLAYERS, TWO WAY RADIOS: These items are expensive and easily broken. They also can become a source of dispute or conflict. If brought to school they will be confiscated and taken to the school office to await parent pick-up.

PLAY EQUIPMENT: The school has a supply of play equipment which should be adequate for student use. When students bring their own play equipment from home, it causes problems on the yard. Some equipment is not appropriate for use on a crowded playground at recess (Frisbees, for example) and can only be used at a P.E. period under teacher supervision.

GATE (Gifted and Talented Education)
Fourth through sixth grade teachers have received training in specific strategies, which address the needs of GATE students. Our GATE students are clustered within designated classrooms with other GATE students. Additionally, GATE students are provided an opportunity to attend an after-school GATE enrichment program during the year. Students in IUSD may qualify for GATE based on criteria such as STAR or OLSAT testing.

Gum & Candy
If you have ever stepped in gum, sat on gum, scraped gum from beneath a chair, or tried to remove it from someone’s hair, the carpet, or from the pages of a textbook, you will understand why **gum is not allowed at Northwood**. Candy and other foods are not to be eaten in the classroom. Students are encouraged to bring a nutritious snack to be eaten at recess or lunch in the designated lunch area.
Health Problems
If your child has any special health problems or has any changes in their health, please contact our Health Clerk at (949) 936-5961, or Vicki McRobbieralls, our School Nurse at 949-936 7924, or email Nurse Vicki at vmcrobbi@iusd.org.

Homework Policy
Homework is defined as: "Any work assigned by or recommended by the teacher to be done outside of class." The Board of Education recognizes that learning takes place both within and outside of the classroom. Therefore, it should be emphasized that regular assignments outside the instructional day are an important part of the total instructional program. Such assignments should be made according to the needs of the student and the nature of the subject.

The role of the parent in homework is to provide home conditions conducive to learning, and to show a genuine interest and a positive attitude toward their child’s work. Younger children need help in developing a routine and in choosing a quiet, well-lighted place to complete the assigned task. As children grow older, they need the ongoing parent support and recognition of the importance of schoolwork.

The role of the teacher is to assign appropriate homework in relation to the needs and abilities of the student, to assign work that is in direct relationship to work being covered in class, and to evaluate assignments returned by the student.

The purpose of homework is to:

1. Aid in the mastery of essential skills (e.g., reading and writing).
2. Reinforce classroom learning goals.
3. Provide opportunities for parent-child interaction.
4. Give students the time needed to prepare reports and presentations.
5. Afford students an opportunity to complete work not finished in class.
6. Complete of assignments missed due to excused absences.
7. Master good study habits, including: (a) time management, concentrating on the task at hand, taking responsibility for completing work assigned, and being accountable for the quality of one’s work.

Honor Roll (see Awards)

Illnesses or Injuries /Medications
Children should not be sent to school if they have an elevated temperature, have been vomiting, or other genuine symptoms of an illness. Children should remain at home until their health permits them to participate in all school activities, including recesses. It is recommended that your child be free from fever for 24 hours before returning to school. An ill or injured child is routinely sent to the Health Office where necessary first aid is provided until his or her parent arrives. Our school Health Clerk handles first aid and will be calling you if your child is ill,
injured or needs to go home. She is not qualified to make medical diagnoses. Our health office is supervised by our school nurse, Vicki McRobb ralls RN, MSPH. She is available for parent conferences by appointment. You may contact Nurse Vicki, at (949) 936-5961 or via email at vmcrobbi@iusd.org. Please keep in mind that her busy schedule places her at Northwood only one day per week.

Please make sure all emergency contact information on file is kept current. We will always try to contact parents first and then those noted on the emergency contact form. Please make sure that the people listed are willing and available to come and get your child if we must call them.

**Instructional Program**
Northwood Elementary operates on a traditional schedule. Classes are self-contained and organized on a graded structure, with single-grade classrooms and multi-grade classrooms. The curriculum in all areas is defined and taught in a systematic and sequential manner. Emphasis is placed on developing mastery of grade-level skills, creating a warm and supportive atmosphere, and providing every child with opportunities for success. Our staff also focuses on helping each child develop a positive self-concept, a sense of social responsibility, and a positive attitude toward learning. Additionally, a great deal of importance is given to problem-solving and thinking skills, leadership skills, an understanding of democratic processes, and an understanding of the world in which we live.

**Late Arrivals**
Students arriving at school late must report to the office to be counted in attendance before going to class. A note from the parent explaining the reason for late arrival is required or an adult must sign the child in at the main office. If a student is late due to a medical or dental appointment, please bring a doctor’s note.

**Leaving School Grounds During School Hours**
No child is permitted to leave school during school hours. If it is necessary for your child to leave during school hours, the parent/guardian must sign him/her out at the office. The child will be called out of class once the parent/guardian has arrived and student has been signed out. Please allow 5-10 minutes for your child to be located and called out of class (e.g., if you need to leave at 1 p.m. for an appointment, please be in the office by 12:50 p.m.). No child will be released to anyone except a parent/guardian unless the office has been notified in advance.

**Library**
Library resources are available to all students and teachers. We encourage library use through scheduled visits, individual study, library skills lessons, and literature appreciation.
Lost & Found
Small items of value, such as glasses, jewelry, money, etc., should be taken to the office when found. Large articles such as clothing, backpacks, etc., are taken to the multipurpose room and hung on the lost and found rack where students may look for and claim lost items. Students' names should be written on or sewn in articles to enable prompt return to the rightful owner. Unclaimed clothing is sent to social agencies at the end of each grading period. We recommend parents occasionally check the lost and found rack.

Lunch (for lunch times, see Bell Schedule)
Lunch is available for purchase on a daily basis or parents may directly deposit money into their child’s “Lunch Box” account via the IUSD website. For those children who bring sack lunches, milk and juice are available for purchase.

Irvine Unified Nutritional Services publishes a monthly menu on their website. You may find the website utilizing: (1) www.iusd.org/district_services, (2) Click on: Business Services, and (3) Click on: Nutritional Services.

PLEASE make sure that your child has either a sack lunch or money in their “Lunch Box” account before leaving for school each day. The school office has no monetary resources for lending lunch money to students. If you feel that your family may qualify for either the free or reduced lunch program, you can obtain an “Application for Free/Reduced Lunch” online via the IUSD website or stop by the school office.

Lunch Area Behavior Standards
Students are expected to act appropriately during lunch. Lunchtime Behavior Standards include:

- Listen carefully and follow directions the first time they are given.
- Display your best table manners – use soft voices and don’t play with food.
- Pick up and put all trash into the proper cans.
- Walk; do not run in all school areas.
- Sit at assigned tables.
- Wait until you are dismissed before you leave the lunch area.

Medication
It is likely that some time during the school year your child will have a medication prescribed for the treatment of a health problem. As a general policy, the school recommends that children receive medication at home whenever possible. In the event your physician decides your child needs to receive medication during the school day, certain procedures must be followed. Medicines, whether they be prescription or over-the-counter, may not be brought to school without medical authorization signed by a physician and parent. In the event that a doctor has prescribed medication for your child that must be taken during school hours, the school must be notified. State law requires that the necessary forms must be
completed before any medication can be administered at school. All medications are only distributed through the nurse or school office personnel and medication must be kept locked in the nurse's office.

The law requires that: (1) the medication must be in the original pharmacy bottle properly labeled by the pharmacist, (2) a consent form signed by the child's parent or legal guardian, and (3) a signed Doctor's order. Medication must be delivered to the school office by a parent/guardian. These regulations pertain to both Prescription and Non Prescription drugs. For more information on the specific procedures that need to be followed, contact our School Nurse, Vicki McRobbieralls, at (949) 936-5961 or email Nurse Vicki at vmcrobbi@iusd.org, or the school office at (949) 936-5950.

Messages to the Classroom
To avoid interruption of classroom instruction, we forward messages for teachers or pupils to the teacher's voicemail. Please inform the office if the call is an emergency so we may call your child out of class to take the emergency call. We ask that you please be courteous of the classroom learning atmosphere and try to keep interruptions to a minimum. The office telephone is for emergencies only and not for routine phone calls.

Parent Concerns
Both parents and teachers are encouraged to communicate regularly regarding any needs and concerns. The recommended procedure for conferring with a teacher is to make an appointment. Most concerns can be resolved between parent and teacher, but when a solution cannot be found, the principal will be more than happy to see you. Teachers have been asked to call parents when a conference is needed, and school dates have been reserved for parent/teacher conference days. The dates for conferences are listed on the Northwood school calendar.

Parking Lot / Student Safety
Student safety is our number one priority. With this in mind your assistance is requested in helping us maintain order and safety in our school parking lot. Please be patient and cautious and follow the standards listed below.

- Pull up to the curb to drop off and pick up students.
- Students dropped or picked up at the curb should exit/enter the vehicle using the door closest to the curb.
- Park your car only in parking stalls marked “visitor” or on the street.
- Pull all the way forward in the traffic line.
- No double parking or "hovering" beside another car is allowed.
- Do not motion for students to cross into the parking lot to meet you at your car. When parked in a marked stall, please meet your child at the curb and personally escort your child back to the car.
- Use the designated “Blue Cross Walk” when crossing the parking lot.
- Walk only on the sidewalks.
• Please do not drive faster than 5mph.
• Do not use cell phones or handheld devices when driving.
• PUT STUDENT SAFETY BEFORE ADULT CONVENIENCE AT ALL TIMES!

Playground Behavior Standards
To ensure safety for all students, it is imperative that students follow all the playground rules. Our playground rules include:
- Keep hands, feet and objects to yourself.
- Always be courteous and respectful to everyone.
- Obey school personnel.
- No name calling, cursing, teasing, put downs or bullying.
- Be in the right place at the right time.
- Use school equipment in a safe and proper way.
- Walk on sidewalk and blacktop areas.
- Do not arrive at school or be on the playground before 8:05am.
- After school is over, leave the school grounds immediately.

PTA
The staff and our Northwood Elementary School Parent Teacher Association will continue to work together to ensure consistent communication between school and home, facilitate opportunities for social interaction, parent education and fundraising. Every parent is encouraged to join our PTA. Parents are also welcome to attend our PTA meetings to participate in the decision-making process and help support Northwood.

Parent-Teacher Communication
As a parent of an elementary level student, keeping in touch with your child's school and teacher is important to the academic success of your child's education. Parents are always encouraged to communicate with teachers regarding their child's progress. Attending school activities such as Back-to-School Night, Parent-Teacher Conferences, and Open House are all ways to become acquainted with your child’s teacher and familiarizing yourself with each teacher’s learning goals and behavioral expectations.

If you have questions specific to your child's progress or a classroom issue, please contact your child's teacher directly before bringing your concern(s) to school administration. It is important to keep open lines of communication between parents and teachers to ensure the best education for your child. Arranging a meeting with your child’s teacher can be done by calling the school or emailing the teacher (The e-mail addresses of all teachers are posted on our school's Web site at http://www.iusd.org/nw/ under “Our Staff”. The staff contact directory lists all teachers by grade level and includes both email and voice mail contact information.)
**Parent-Teacher Conferences**

Parent-teacher conferences are scheduled by the teacher on an as needed appointment basis. These conferences take place twice a year (Fall & Spring) and provide a planned opportunity for parents and teachers to discuss each student’s achievements and progress.

**Parent Volunteers**

Parent Volunteers at Northwood are an essential part of our home-school partnership. There is no better way to encourage your child’s growth and development than to volunteer. Parent involvement in the instructional program is invited and encouraged. Volunteers assist in the classroom, in the library, on field trips, and at home preparing materials for use at school. Parents who are interested in volunteering should contact the classroom teacher. Activities which are prearranged and designed with the classroom teacher can include working with small groups on a special project, being a guest speaker, reading to students, playing educational games, chaperoning a field trip or providing one-on-one support for a child.

**Pets**

For the protection and safety of persons using our school grounds, the walking of dogs or other animals on our school campus is prohibited by the Irvine Unified School District.

**Pick up & Drop off Procedures**

Students should not be dropped off prior to 8:00 in the morning as there is no supervision before this time. The front of the school is the only designated safe drop off and pick up site for Northwood students. Any other location is not considered safe and is unsupervised. The parents who are late picking up their students on multiple occasions may be referred to IUSD’s Student Services Dept. and/or the Irvine Police Dept.

Students are to be picked up no later than ten minutes following dismissal time. Students are expected to leave campus immediately after dismissal. Please adhere to this policy for your child’s safety since there is no supervision beyond this time. Please meet your child in front of the school at dismissal time rather than classroom hallways or the playground area. Meeting in the building is distracting to other classes still in session and limits the physical space available for students to secure their belongings and be dismissed in an orderly fashion.

If you need to pick up your child prior to the regular dismissal time you must come to the office to sign your child out of school. NO CHILD IS PERMITTED TO LEAVE CAMPUS WITHOUT YOUR SIGNED PERMISSION OR THAT OF AN AUTHORIZED ADULT OF YOUR CHOOSING. Any adult who signs a child out must be listed on the child’s emergency card and at least 18 years of age.
Physical Education
The physical education program is an important part of the elementary education experience for students. If a health condition prevents a student from participating in physical activities over an extended period of time, a note from a physician indicating the limitation is required.

Playground Supervision
Supervision on the playground begins at 8:00 a.m. NO STUDENT should arrive before 8:00 am. If your child is going home with a friend or is leaving school in any way other than usual, please send a note with the child in the morning stating the change from daily procedure to your child’s teacher and the office staff. Children are asked to go directly home after school and not to remain on the playground. There is only ten minutes of adult supervision after school. Cases involving parents who are habitually late picking up their children may be referred to Student Services and/or the Irvine Police Department.

Problem-Solving Techniques
At Northwood Elementary School, students are taught to use conflict resolution to solve problems. Students are counseled to solve their problems without fighting. The following are some ways to handle a problem with another individual at Northwood:

- Tell the person that you don’t like what they’re doing and to stop
- Talk it over – Listen
- Walk away, get a drink of water, and join a game
- Say, “I’m sorry” to prevent any misunderstanding
- Do something else
- Take turns and share.
- Ignore it
- Ask for help from the adults at school

Progress Reports
Progress reports will be sent home at the teacher’s discretion. If your child is at-risk of not meeting grade-level performance standards, teachers are required to send home a progress reports.

Report Cards
Electronic report cards are issued at the end of each trimester during the school year at all grade levels K-6. Electronic report cards may be viewed, printed or downloaded at myiusd.org.

Education Specialist Program (K-6)
This program provides special help for students in academic areas. Students qualify for this program through the educational referral process. The Educational Specialist works in cooperation with the classroom teacher.
Responsibility
By working together and holding one another responsible we ensure your child’s success. Listed are the responsibilities of each stakeholder:

THE SCHOOL’S RESPONSIBILITIES:
- Inform the students and parents about required skills.
- Teach the required California Content Standards (see Content Standards)
- Assess student progress
- Inform the students and parents about the students’ progress
- Help students reach their potential
- Help maintain school/home communication

THE PARENT’S RESPONSIBILITIES:
- Be aware of grade level requirements (see Content Standards on page 7)
- Send the student to school, except when the student is ill.
- Provide a quiet time for the student to do homework.
- Insist that the student do assigned homework
- Attend school conferences on the student’s progress.
- Support the school’s efforts in helping the student be successful in school.
- Help maintain home/school communication.

THE STUDENT’S RESPONSIBILITIES
- Understand what skills are required.
- Attend school regularly and on time, except when ill.
- Do the work assigned in class and as homework.
- Be attentive during class time.
- Follow school/classroom behavior standards
- Deliver messages between parents and school.

Safe Route to School
Please review with your child the safest route to school. Children are expected to practice good citizenship and obey school rules on the way to and from school. Students must use sidewalks and designated crosswalks. For student safety, Northwood students are not allowed to cut through open fields or unmarked intersections. The Irvine Police Department has designated the Yale/Trabuco signal as the safe Trabuco crossing (see Safe Routes to School Map, page 24).

School Site Council
The Northwood School Site Council meets regularly to serve as an advisory group in the planning, implementation, and evaluation of the School Improvement Program. The School Site Council is composed of both parent members (elected by all Northwood parents) and by school staff members, including the Principal and several teachers. Each School Site Council member serves for two years.
School Visitors
Visitors are welcome at Northwood Elementary School, but for the safety and protection of students, all persons visiting our campus must enter and exit through the school office, sign in and out, and wear a visitor’s sticker while in the school. Trespassers are subject to legal action. Additionally, school buildings and grounds are smoke-free and alcohol-free at all times.

Speech and Language Program
A specially trained and credentialed therapist works with identified students on articulation and language development. Students qualify for this program through the education referral process.

Tardiness
Children are expected to be in their classroom line when school the bells rings at 8:15am. Students should not arrive at school before 8:00 am. There is no supervision prior to this time. If a student is late to school, he/she must check in at the front office to obtain a late slip. A student is considered tardy if they are not in class or in the classroom line when the bell rings. Repeated tardies are viewed as truancy under state law. Three tardies greater than 30 minutes late to school (8:45am); or nine tardies less than 30 minutes late to school equals one (1) day truancy. A parent note, a call to the attendance line or Doctor’s note is required to verify the reason for the tardy.

Telephones
To prevent classroom interruptions during instruction, teacher’s classroom phones have been set up for voicemail messages. Children are encouraged not to use the office telephone unless it is an emergency. Be aware that it is the student’s responsibility to bring homework, lunch, or lunch money to school each day and forgotten items do not usually constitute an emergency phone call home. In emergency situations, if it is necessary for you to speak with directly with your child, the office staff will be happy to assist you. Please try to make all after school arrangements prior to your child leaving home as children will not be permitted to go home in a different manner than normal UNLESS the parent sends a note with specific instructions to their child’s teacher and the office staff.

To avoid interruptions during the school day, student cell/smart phones must be turned off and kept in backpacks. If school personnel see, or hear your child’s phone during the school day, they will confiscate you child’s phone and turn it into the Principal’s office (this applies to phone usage inside the building or on the outside school grounds). In order for the student to get their phone back, their parent or guardian must make an appointment to meet with the principal.
Textbooks
Textbooks are provided free on a loan basis. Students will be held accountable for their care and return. If a book is lost or damaged, the student’s parents/guardians are financially responsible for the book. All books are accounted for at the end of the school year or when a student transfers. Textbooks are expensive...most are in the $65.00 to $120.00 range. Students are therefore encouraged to take very good care of their books.

Tips for a Successful School Year
- Talk to your child's teacher frequently. Together you are a team for your child's academic success.
- Provide a quiet place and a consistent time to do homework. Support your child in homework efforts but refrain from doing the homework for them.
- Help your child learn to follow directions. Give one and two-step directions and see to it that tasks are completed.
- Teach your child to show respect for others by using polite phrases such as "please," "thank you," and "excuse me."
- Model and reinforce appropriate behavior.
- Help your child learn his/her address and telephone number.
- Guide and monitor your child's television viewing.
- Listen to your child and encourage your child to talk about new experiences.
- Explain the meaning of new words to your child.
- Encourage your child to succeed by encouraging his/her best work, but do not expect more than your child is capable of doing.
- Involve your child with reading and writing activities.
- See that your child gets a good night's sleep and has a nutritious breakfast.
- Write your child's name on all personal items brought to school such as jackets, lunch boxes, backpacks, etc.
- Refrain from sending to school a sick child or one who has had a fever within the past 24 hours. This precaution will help preserve the health of other children.
- Please telephone the school when your child will be absent. Your child will need a written excuse upon returning to the classroom.
- Dress your child according to the weather conditions as temperatures can fluctuate greatly during certain times of the year. Outside activities such as PE and recess will take place when the weather permits.
- For emergency purposes, please keep your emergency contact information current. Parents are able to update emergency contact information through the MyIUSD.org website.
**Transfers or Withdrawals**
If you plan to move outside of the Irvine Unified School District, please notify the school office so we may prepare paperwork to assist you in enrolling your child in the new school. Parents will need to come to the front office and sign a withdrawal form to officially withdraw their child on the student’s last day of attendance at Northwood. For transfers within the Irvine Unified School District, parents will obtain from the Northwood office a printout from our district database and take the printout with proof of residency to the new Irvine Unified neighborhood school they will attend. When you have a firm leave date, please notify the school office and teacher at least 3-5 days prior to your child’s last day at Northwood Elementary. This will allow teacher to gather all student work and the office to complete paperwork and allow a smooth transition for your child’s departure.

**Trespassing**
Pursuant to Irvine City Ordinance IV-14-702A, all visitors must register in the administration office between the hours 7:00 am and 4:30 pm Monday through Friday. Violation of this statute is a misdemeanor punishable by fine and/or imprisonment.

For the protection of persons using IUSD school grounds, the following activities are prohibited:
- Trespassing during school hours
- The riding of skateboards, rollerblades, scooters or bicycles
- Use of alcohol and/or narcotics
- Loitering
- Climbing on buildings and fences
- Use of profanity or loud abusive language
- Operating motor vehicles, cycles, carts, etc.
- Overnight parking
- Use of tobacco products
- Walking dogs or other animals
- Dumping refuse on grounds or in dumpsters
- Playing golf

A Use Permit is required for the use of Northwood’s property by groups and organizations. Your cooperation is appreciated; violators will be prosecuted.

If you see anyone engaging prohibited activities on the Northwood grounds, we encourage you to contact our administrative office during school hours and/or the Irvine Police at any time at 949-724-7000.
DEAR PARENTS:

In cooperation with the Irvine Police Department and the Traffic Engineering Division of the City of Irvine, we have identified a SUGGESTED ROUTE TO SCHOOL for children who walk or ride bicycles to school. We strongly encourage you to review the plan with your child and, if possible, walk the route to make sure he/she understands the route.

In the City of Irvine, bicycles may be legally ridden on sidewalks, but must yield to pedestrian traffic. Students on bicycles should always walk their bicycles across streets and look both ways before entering the street. Students who ride their bicycles within the on-street bicycle lanes are required to obey all the rules of the road. This includes riding in the same direction as vehicular traffic. All bikes must be locked in the bike racks located in the front of the school.

Northwood Elementary School is served by two Crossing Guards to assist children when crossing at Colt and Southwood and Muir and Lewis. When the Guards are on duty, the children are to obey the Guard’s instructions.
