PUBLIC NOTICE

Dear Current Resident:

The Irvine Unified School District (IUSD) is pleased to announce the Measure E Improvements for Irvine High School. The District will be adding a new performing arts building. This work is anticipated to begin construction late 2021 through mid 2023.

In June 2016, Measure E was passed by the voters within IUSD to provide funding for improvements at several of our existing campuses.

In compliance with IUSD Board of Education Policy and Administrative Regulation – 7110.1 on the placement of structures on existing school sites, we are notifying you of IUSD’s intent to expand the existing facility at Irvine High School. The proposed location for the expansion is shown on Exhibit A (reverse side of this notice).

All interested persons are invited to participate in the Public Information Meeting, which will provide information on the proposed project. IUSD representatives will be available to answer questions. In an effort to protect public health and prevent the spread of COVID-19, the Public Information Meeting will broadcast live at <https://iusd.org/business-services/facilities-planning-construction-services/bidder-information-public-notices> and by clicking on the “Public Information Meetings” tab. **This meeting will begin promptly at 6:00 p.m. on Thursday, November 19, 2020.** If you are unable to attend, but would like to submit comments, you may do so by sending them to:
