Request for Information No. I

RFP No. 15/16-0001IT, Media Repository Solution Project
June 19, 2015

<u>Response to Vendors' Questions</u>

1.1   Question: The RFP calls for the integration of live video sources (live streaming). Please clarify if live streaming is a required solution at this time? If so, please elaborate on the desired types of sources Irvine Unified School District will require for live streaming. (i.e. School News, Cable TV). Also, how many concurrent channels of IPTV streaming and Live School News does Irvine Unified School District require for this RFP?

Answer: Live streaming is not a required solution at this time, but we would like it as an option in the future. If possible please provide a separate quote with live streaming for 36 sites.

1.2   Question: The RFP references under section 1.3 Current Environment a Vimeo link for hosted media for public viewing. Does Irvine Unified School District have plans to continue to use this site for hosting media for public viewing?

Answer: No, we would like to use the Media Repository to host media for public viewing.

1.3   Question: Does the RFP require the vendor to provide pricing on initial and on-going Professional Development for proficiency training for Irvine Unified School District teachers and administrators in the use and application for the solution proposed?

Answer: Yes. Please list any additional expenses for PD that is above and beyond the cost of the product.
