

TEACHER – ELEMENTARY SCIENCE GRADES 4-6

DEFINITION

Under District Office supervision, provides standards-based instruction in science to students in grades 4-6 at elementary schools as assigned.

ESSENTIAL DUTIES AND RESPONSIBILITIES include the following. Other duties may be assigned:

- Works to build rapport with both site administration and staff, as well as District administration and staff, to be an integral part of the school community and Elementary Science Specialist community.
- Delivers instruction aligned with the shifts represented in the Next Generation Science Standards and framework.
- Provides leadership at assigned school sites to promote the teaching and learning of science.
- Provides developmentally appropriate learning experiences for students and provides instruction in the course of study prescribed by the District approved curriculum.
- Provides appropriate instruction and activities for students to meet school/District policies, goals and objectives.
- Delivers instruction in a variety of ways and modalities, including whole-class, individual and small group settings, in order to adapt learning to the needs of students of varying interests and abilities
- Plans, develops, and utilizes a variety of instructional methodologies appropriate to the instructional level of students from diverse backgrounds and cultures
- Works with the principal and teaching staff to effect horizontal and vertical continuity and articulation of the science program.
- Assists in the implementation, refinement, and evaluation of the District-provided science curriculum.
- Collaborates with peers in professional learning communities to plan and deliver articulated and consistent curriculum that promotes evidence-based student learning.
- Provides instruction and learning experiences that are motivational, helps students to develop an appreciation of the subject matter, and promotes interest in a continued exploration of the subject matter.
- Coordinates and participates in school-wide and district-wide events (such as Back to School Night, Open House, Ask-a-Scientist Night, Science Fair, Astronomy Night)
- Maintains professional competence through in-service education activities provided by the district and in self--selected professional growth activities.

QUALIFICATIONS
