Subject: Westwood Basics: Interim Campus for Brywood Elementary School

Dear Neighbor:

On August 23, the Irvine Unified School District (IUSD) students returned to school. As you may know from previous IUSD communications, due to extensive Measure E modernization work at Brywood Elementary School, students will be temporarily relocated to Westwood Basics for the 2018-19 school year. In an effort to minimize Westwood Basics and Sierra Vista Middle School traffic, IUSD has coordinated with both schools to stagger school start and end times. While there will still be heavy school traffic in the mornings and afternoon, the drop off times will typically range from 8:00-8:30 a.m. and 2:30-3:00 p.m. with some variations on minimum or late start school days.

To further support traffic safety, the Irvine Police Department will increase patrols in the area during drop off and pick-up times to help ensure vehicles, pedestrians and bicyclists follow traffic and safety rules. IUSD would also like to take this opportunity to remind our neighbors to look for students around campus and crossing neighborhood streets. As we often tell our families, students are not always looking for you, so please be on the lookout for them and drive slowly in school zones.

Similar to all Measure E projects, during the construction of the new Sierra Vista classroom building, IUSD is following all City ordinances, including construction hours. If you have questions or concerns, please contact my office at 949-936-5305. IUSD, Brywood Elementary School and Sierra Vista Middle School are committed to being good neighbors.

Sincerely,
