Subject(s): _____ Grade(s): _____

Hire Date: _____ School Site: _____

Candidate Signature: _____ Date: _____

Administrative Signature: _____ Date: _____

(To be completed by the **Candidate**)

I have been informed of the Early Completion Option of a Commission-Approved Induction Program for Multiple and Single Subject Teaching Credentials per Senate Bill 57. I meet the following criteria required for this option:

I. Three or more years of prior **experience** that qualifies candidates to participate in the Early Completion Option (please check all that apply):

- Regionally accredited private school classroom experience, while holding a preliminary credential
- Out-of-state public classroom experience
Name of school: _____ City, State: _____
____ Years of service? Which credential used for employment in that position? _____
- Intern program Graduate
Name of University or District Program: _____
School site placement: _____
- Provide documentation of educational leadership role(s) in the past three years.

Early Completion Option Application

- II. Evidence of **exceptional** practice during prior professional experience (please attach documentation to this application):
- Submission of at least one rigorous performance evaluation
-

(The following section is completed by Induction Program Leadership)

- III. Considered **high performing** based on classroom observation by an Induction Program Leadership Team. The observation yields in evidence collection regarding the following elements:
- All six elements of CSTP focusing on #2 are demonstrated at a high level (See attached observation notes)
 - All elements of the Induction program standards are implemented at a high level

This candidate does does not qualify for ECO based on the above stated qualifications.
