

Family Time Tuesdays

Alderwood is excited to continue with

Family Time Tuesdays for the

2022-2023 school year. The first Tuesday of every month will be a **NO HOMEWORK NIGHT!**

We want to help provide families with additional time to spend together and to be able to plan family-centered activities.

Here are some fun ideas to consider:

- Plan and preparing a meal together
- Play outdoor games or have a picnic
- Read a book together
- Take an art class
- Go on a nature walk
- Have a movie night
- Play board games or card games
- Start a new hobby to share as a family

Family Time Tuesdays for this school year:

September 6

October 4

November 1

December 6

January 3

February 7

March 7

April 11

May 2

We hope this helps you enjoy some quality family time together and make some special memories!
