School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Cypress Village Elementary School continues to be one of the newest elementary schools in the Irvine Unified School District. We opened our doors for transitional kindergarten through grade 6 students on September 2, 2014. Cypress Village staff, in collaboration with our parents, students, and community partners, has created a broadly effective educational program that focuses on individual student needs. In doing so Cypress Village Elementary has created a sense of unity and pride among all stakeholders at our school, and has been recognized as a California Gold Ribbon School. Cypress Village is a neighborhood school that serves the immediate community, which is continuing to grow and expand. Cypress Village has been identified as a schoolwide Title I school. Our parents value student achievement and they generously support the goals of the school program. It's through our collaboration with our families and community partners that a positive school culture exists with targeted emphasis on a School-Wide Positive Behavioral Interventions & Supports system. We work collectively to establish clearly defined behavior expectations and positive reinforcement for all students. Our school-wide system enables Cypress Village staff to consistently promote, teach, and maintain appropriate student behavior. At Cypress Village we STORM!

Our facility houses 36 classrooms, including four self-contained autism specific special education classrooms, as well as, a learning center program for students with mild to moderate disabilities. The classrooms are designed to promote collaboration and to facilitate technology-supported teaching. Our site also includes dedicated spaces for music, science, innovation, therapy support and living skills development. Our school has a state-of-the-art tech infrastructure to support our mobile technology focus which includes iPads in grades TK-2, and 1:1 chrome books in grades TK-6. Our media center serves as a hub for the school, providing an inspiring venue for students to engage with literacy and explore STEAM.

Cypress Village has a dedicated group of teachers and staff that work together to ensure that our children have the best possible education. Our devoted staff has carefully addressed various learner needs, including students in our autism specific program, special education programs, English Language learners, and GATE identified students. Our success is a result of the hard work of your hugely committed stakeholders and the effectiveness of our dedication to link standards, academic support, and assessment components to student outcomes, using a standards-based system of education coupled with a system-wide multi-tiered model of curriculum. Our goal is to prepare children academically and socially for the many challenges that they will face in their lives, and our vision and beliefs are at the core of every decision. Therefore, we plan a curriculum that prepares them with the knowledge and skills necessary to develop attitudes and values that will serve them for a lifetime.

Cypress Village Vision and Beliefs

Our Vision

Cypress Village is a diverse learning community united in its unwavering dedication to empower students to become responsible, respectful citizens prepared to engage in their future.

Our Beliefs

As a staff we believe... in creating responsible, contributing citizens who persevere to learn, take risks, and feel connected to their school.

As a staff we strive... to educate and nurture the whole child, creating a balanced experience that fosters a love for learning as we prepare students to be life-long learners.

As a staff we are committed to... valuing and celebrating students' diversity as we collaborate to hone skills in a healthy and fun learning environment.

As a staff we will maintain... a safe environment that upholds the highest expectations where teachers inspire collaboration, technology is essential and innovation ensures learning continues beyond the classroom.

We are a village of invested learners where everyone is a stakeholder as we partner with families and the global community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: October 2020

All textbooks being used by students are from the most recent adoption. Second grade is piloting two separate ELA textbook programs, both California State approved curriculum to meet the Common Core State Standards.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	All students are provided an individual textbook or instructional material as determined by textbook software in October, 2020. All core textbooks and instructional materials are state-adopted.	Yes	0%
Mathematics	All students are provided an individual textbook or instructional material as determined by textbook software in October, 2020. All core textbooks and instructional materials are state-adopted.	Yes	0%
Science	All students are provided an individual textbook or instructional material as determined by textbook software in October, 2020. All core textbooks and instructional materials are state-adopted.	Yes	0%

School Facility Conditions and Planned Improvements

Cypress Village is a newer school with additional structures added to the original building plan. In each phase of construction the facility has added classrooms to support expanded student growth. The school across settings is safe, clean and provides an appropriate learning environment for all students. Any minor maintenance repairs are handled quickly and repair is ensured complete and in good standing. We continue to monitor our facilities to determine if any repairs of facility improvements are needed.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 12/9/2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	71	N/A	74	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Cypress Village welcomes and values our parent volunteers. Without our volunteers, many programs and activities would not be possible. There are a variety of avenues for parents to volunteer their time and talents to our school. These include:

- School Site Council: This group is composed of staff and parent members whose responsibility it is to plan, monitor, and evaluate our School Improvement Plan. Parent members are selected by a vote of all parents in the fall. Meetings and the agenda are listed in the front office, and all parents are welcome to attend.
- Parent-Teacher Association (PTA): This volunteer group is composed of all parents who wish to join. Its elected and appointed representative’s goal is to support the programs here at Cypress Village and the overall educational system. A variety of programs and activities are scheduled throughout the year and coordinated by the PTA Board, which is elected in the spring of each year. All parents are encouraged to attend General Association meetings. Exact dates and times of all meetings, along with additional information is available online on our website.
- ELAC: The English Language Advisory Committee is composed of parents of English Language Learners who meet to review our instructional support of all their children. They meet as part of our School Site Council.
- GATE Advisory Parent Representative- a parent from our GATE population collaborates with our site GATE coordinator to find ways to support our GATE program and GATE identified students.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.2	0.2	1.2	1.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1	277	
Expulsions	0	5	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Below are the identified goals in Cypress Village's comprehensive safety plan. Our school safety plan was reviewed at our School Site Council meeting on November 9, 2020.

Goal 1: To lessen traffic in the surrounding neighborhood during arrival and dismissal. Objective: We will institute staggered arrival times with Upper Grade students arriving beginning at 7:45 am with classes starting at 8:00 am, while Primary Grade students preferred arrival time begins at 8:00 am with class beginning at 8:15 am.

Goal 2: Our students and staff will continue to be safe in the event of a crisis. Objective: Safety team, in conjunction with administrative staff, and PTA will evaluate emergency supplies on-hand to ensure that, in the case of an emergency, adequate water, food, and other essential supplies will be available to support and sustain students and staff. Objective 2: Staff will develop and practice plans for accurate and efficient accounting and reunification of students with parents in an emergency. Emergency Team will provide a structure/system to account for all student, and staff.

Types of Services Funded (Fiscal Year 2019-2020)

The Local Control Funding Formula has replaced California’s previous method of allocating funds to school districts. In place of more than 40 specific funding categories, the new model has established three sources of state funding with increased local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program , 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Middle school zero period program, 12) Maintain positive behavioral intervention and support program, 13) Maintain site staffing with full-time assistant principals, 14) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 15) Support interventions and supplemental programs impacting English learners, low income and foster youth, 16) Continue to build Career-Technical Education pathways and blended On-line learning opportunities for students, 17) Develop mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

Teacher and Administrative Salaries (Fiscal Year 2018-2019)
