## School Accountability Report Card

### Reported Using Data from the 2019-2020 School Year

#### Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

---

Who are Explorers?

As we embark on an awesome journey to achieve our personal best, we push boundaries to reinvent what is possible.

We BELIEVE that there are no limits to what we can accomplish. We know our voices matter and we have the ability to do great things.

We RESPECT ourselves and others by showing honor and appreciation through words and actions.

We ADAPT our thinking and embrace growth.

We VALIDATE each other as we seek to solve problems together.

We EMPATHIZE to improve the lives of everyone.

Eastwood combines design and functionality throughout to create a learning environment that is second-to-none. The innovative furniture throughout the school provides students the flexibility to learn in a variety of ways, and our awesome teachers and staff are focused on providing the greatest experience you can envision. Every decision we make is rooted in research and answers the question of "What is best for children?"

We address the whole child: We play, we create, we have fun, we learn, we teach, we read, we provide the best instruction for each child, we explore math, we investigate science, we study history, we program robots, we make a mess, we study, we innovate, we question, we sing. We create environments where kids want to learn in and out of the classroom.

We want parents to personalize their child's learning as much as we do in the classroom. We want kids to be kids and become lifelong learners...not burn out and hate school.

We provide a rigorous instructional program that includes...

The Common Core standards AND...

A focus to help students create, explore, and develop questions while equipping them to use the tools necessary to help them answer those questions

Guidance to help students participate in activities that they are passionate about while being challenged thus creating more of a desire to learn.

Identification of real world, phenomenon-based events that will help them understand the world.

Just because it's been done, doesn't mean it's the best way to do it.

Why do we do it?

Because we love kids

Because it's what we believe is best for kids.

And...it's what the research says we should be doing for our children.

## School Facility Conditions and Planned Improvements

The Irvine Unified School District has an excellent Maintenance and Operations Department that ensures our campus is in better than "good" condition.

Eastwood is in our fourth year of operation, and our facilities are in excellent condition. Our custodians ensure the campus is clean, and pay close attention to any items that need to be repaired. When identified, these requests are submitted to our M&O department, and the problems is addressed quickly.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20

Mathematics (grades 3-8 and 11)	70	N/A	74	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-2021)

Parents have the opportunity to get involved by volunteering in their child's classroom and/or joining our Eastwood PTA. At the beginning of the school year, teachers elicit parent interest, and all parent volunteers are coordinated directly through the teacher.

We encourage parents to join the PTA through a school-wide membership drive at the beginning of each year and with frequent reminders throughout the year. General PTA meetings are held 6 times a year, and all parents are encouraged to attend and find ways to get involved. Involvement can include chairing a program or volunteering to support that program. If parents have any PTA related questions, they can contact our PTA president at: [president@eastwoodpta.com](mailto:president@eastwoodpta.com)

We host 2-3 parent nights annually to address areas of concern that our parents bring to us. This has included our homework policy, internet safety, and how Daily 5 works. We will continue to elicit feedback from parents to determine future areas of need. If parents have a suggestion, they should contact the principal.

We also have added a 40% English Language Community Liaison. This position is funded in coordination with our District Language Development Department and is intended to provide EL parent with information that helps them navigate anything related to Eastwood. This includes academic programs and policies and ways to get involved.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.0	0.0	1.2	1.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	277	
Expulsions	0	5	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

## School Safety Plan (School Year 2020-2021)

Each year Eastwood reviews our school safety plan with parents, staff, and the Irvine Police Department. We have clearly defined processes for a variety of emergencies including: fire, earthquake, and lockdown. Our safety plan designates responsible parties for the different actions needed to provide a safe environment during an emergency with specific actions to be taken. The plan also includes a schedule of the drills we conduct at Eastwood.

The plan is reviewed with the teachers and staff at a staff meeting in September, and it is reviewed by our District Safety Supervisor and the Irvine Police Department in October.

A copy of the plan is available upon request.

### Types of Services Funded (Fiscal Year 2019-2020)

The Local Control Funding Formula has replaced California's previous method of allocating funds to school districts. In place of more than 40 specific funding categories, the new model has established three sources of state funding with increased local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program , 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Middle school zero period program, 12) Maintain positive behavioral intervention and support program, 13) Maintain site staffing with full-time assistant principals, 14) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 15) Support interventions and supplemental programs impacting English learners, low income and foster youth, 16) Continue to build Career-Technical Education pathways and blended On-line learning opportunities for students, 17) Develop mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.
