

JEFFREY TRAIL MIDDLE SCHOOL
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: October 2020

All JTMS students have access to the latest textbooks that have been adopted by IUSD.

In History and Science, students have a hard copy textbook that they leave at home while using a class set at school. Each subject has a workbook the students can use at home.

In Math, students have a textbook that is in workbook fashion that they remove individual units and bring to school.

In Spanish, students use a textbook in class and then have a workbook they utilize at home.

School Facility Conditions and Planned Improvements

JTMS is an 8 year old school so the facility is in very good condition. We have had significant projects in the past year - but they have been due to our growth. Two computer labs were converted into regular classrooms and an underused space was converted into an Engineering Lab.

Our campus has no needed maintenance of note.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Jeffrey Trail has an active PTSA that provides financial support to numerous school programs in the form of department support, and targeted contributions to the school’s emergency plan, photocopier, and technology funds. Parents help sponsor or support ASB Activities, Lunchtime Sports, Red Ribbon Week, the Teacher Appreciation luncheon, W.I.N.G.S. luncheons, and the eighth grade promotion ceremony. In addition, parents participate in school field trips, assist in the office, help with the beginning of the year registration and orientation process, and serve as guest speakers in specific classes. Parents also serve on the school site council and help articulate school goals and priorities. In the Fall, parents are invited to attend a Back to School program and student/parent conferences. In the Spring they welcomed onto campus for Open House and Family Night.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.5	2.3	1.2	1.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	22	277	
Expulsions	0	5	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The Jeffrey Trail Middle School Comprehensive Safety Plan is updated annually and approved by the School Site Council each October. Our plan includes evacuation and drill procedures, an emergency team response plan, the IUSD emergency plan and pertinent IUSD policies and guidelines. All emergency teams are delineated and in the case of emergency, the roles of all staff members are identified as well as where they are to report.

Types of Services Funded (Fiscal Year 2019-2020)

The Local Control Funding Formula has replaced California's previous method of allocating funds to school districts. In place of more than 40 specific funding categories, the new model has established three sources of state funding with increased local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program , 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Middle school zero period program, 12) Maintain positive behavioral intervention and support program, 13) Maintain site staffing with full-time assistant principals, 14) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 15) Support interventions and supplemental programs impacting English learners, low income and foster youth, 16) Continue to build Career-Technical Education pathways and blended On-line learning opportunities for students, 17) Develop mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	12	12	6

Establishing and maintaining effective PLC work within the TLC model is the primary area of focus for our Professional Development. This Professional Development occurs during regular morning meetings, designated IUSD Professional Development meetings and outside conferences our teachers may chose to attend. We have four PLC Facilitator coaches to help all our teachers and our administrators attended PLC Facilitator trainings as well. Within our PLC work, teams have been working to embrace a standards based grading mindset. To that end, we send teachers to conferences when possible and invite a speaker to campus when appropriate to inform our staff on how best to implement various aspects of standards based grading as they see fit.
