School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Lakeside Middle School is a comprehensive middle school located in the heart of Irvine and Orange County serving 756 students in grades 7 and 8. The area Lakeside serves is predominantly residential representing a diverse range of cultures and socioeconomic levels. Since opening in 1979 Lakeside has been committed to providing students with the opportunities and experiences to help them realize their full potential in a safe and supportive environment. Lakeside has created and embraced a set of core ethical values, captured in the acronym SAIL, which stands for Showing Kindness, Achieving Honorably, Inspiring Integrity and Living Respectfully. An array of instructional strategies, along with a group of highly qualified teachers, ensure that ALL students have access to rich curriculum and motivation for learning. It is our belief that every middle school child has the capacity to be compassionate and giving; to be perceptive, creative, and informed; to be industrious, ethical and a risk-taker; to be poised; to persevere and to celebrate each day with optimism.

The School Report Card

Under the provisions of Proposition 98, schools in California are required to prepare an annual school accountability Report Card assessing the school in 13 performance areas. The purpose of the Report Card is to inform our school community about the conditions and progress being made at our school. Our profile also provides an excellent opportunity for us to identify the strengths and weaknesses of our school program and to discuss these issues. As you read this School Profile you will find a school with an impressive record of consistent achievement and a faculty and community committed to meeting the needs of all our students. We have been recognized on two separate occasions by the State Department of Education as a California Distinguished School, and at the National level as a National Blue Ribbon School. Parent involvement has contributed significantly to our success, and we know that the partnership between home and school is, indeed, necessary. We believe that students, teachers, and parents must work closely together in an atmosphere of mutual respect and cooperation. Education is a function of both the community and the schools that serve it, and we welcome parental participation in each child's educational development.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

School Facility Conditions and Planned Improvements

Each teacher's classroom and the campus reflect a safe, supportive and highly academic learning environment. The Lakeside staff and students enjoy the advantage a small school environment of 750 students provides. To ensure a safe school environment for our staff and students, the principal, assistant principal, counselors and campus supervisor maintain a high priority on being out on campus before school, at break, lunch and after school, both to supervise and to be available to interact with students. The custodian has developed a positive working relationship with students and helps supervise as well. Our physical education teachers maintain a constant variety of sports tournaments for all students during the lunch break. School wide emergency response drills are practiced throughout the year.

Lakeside underwent the first phase of modernization in the spring of 2009 and the 300 building was updated and modernized during the summer of 2018. Additional modernization occurred during the summer and first trimester of the 2009 school year resulting in the creation of four new classrooms, buildings that are IDEA compliant, fire and safety upgrades and beautiful new paint and carpet that has given our school the face-lift it deserved. During the second trimester of the 2009-2010 school year, the performing arts building and the locker rooms were renovated, thus completing the modernization process. The nearly new facility is the pride of students and staff, and all work together to keep it safe, clean and beautiful.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	75	N/A	74	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Lakeside welcomes parent involvement during their children’s two years in middle school. Staying connected with their children’s activities both within and outside the school day sends an important message to all stake-holders that academic progress and personal responsibility are important and are high priorities. There are many avenues for parents to become involved in school activities, including parent/student/teacher conferences, parent education nights, Coffee with the Counselors, Back to School Night and Open House. Joining our PTA is one way to get involved as there are a number of activities which support the entire school including volunteering for various events or participating in fundraisers. We also have an active School Site Council, which gives parents an opportunity to get involved with school activities and participate in school walk-throughs three times a year. We also have an active ELAC (English Learner Advisory Committee) which offers parents the opportunity to find out about supports for language learners and share their concerns regarding student learning. Many parents use our website, <https://lakeside.iusd.org/>, to stay on top of Lakeside events and to keep in contact with teachers by using email to communicate directly with them. In addition, we have a parent email group list through School Messenger that we use to inform parents of all school activities and events.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	2.2	0.4	1.2	1.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	3	277	
Expulsions	0	5	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Lakeside School has developed a Comprehensive School Safety Plan. Our plan is evaluated yearly and amended as needed by the School Site Council, school safety planning committee and Lakeside's PTA. Key elements of the plan discussed annually with staff may include: 1. Assessing the current status of school rules violated on the school campus and at school-related functions, 2a. Child Abuse Reporting Procedures, 2b. Disaster Procedures-Routine and Emergency, 2c. Policies for Suspension, Expulsion and Mandatory Expulsion, 2d. Procedures for Notification of Staff Regarding Dangerous Students, 2e. Policies on Sexual Harassment, 2f. Policy Relating to School Dress Code (especially gang-related apparel), 2g. Procedures for Safe Ingress and Egress of Pupils, Parents, and School Employees To and From School 2h. Procedures that Create a Safe and Orderly Environment Conducive to Learning at School, 2i. Rules and Procedures on School Discipline. Lakeside's Comprehensive School Safety Plan was reviewed on 10/15/2019 by the Irvine Police Department as well as the IUSD Review Committee. Our plan was presented to the School Site Council, Lakeside's PTA, and Lakeside staff prior to its final review.

Types of Services Funded (Fiscal Year 2019-2020)

The Local Control Funding Formula has replaced California’s previous method of allocating funds to school districts. In place of more than 40 specific funding categories, the new model has established three sources of state funding with increased local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program , 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Middle school zero period program, 12) Maintain positive behavioral intervention and support program, 13) Maintain site staffing with full-time assistant principals, 14) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 15) Support interventions and supplemental programs impacting English learners, low income and foster youth, 16) Continue to build Career-Technical Education pathways and blended On-line learning opportunities for students, 17) Develop mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

Lakeside teachers participate in Professional Learning Communities (PLCs) and they meet 2-3 times a month on late start days. On these days, teachers meet in grade level and/or department groups to determine essential learning targets, develop common assessments and review data about student achievement to inform their teaching. One late start day each month is spent in a staff meetings and staff development, which is focused around PLCs, PBIS, Common Core Standards & NGSS (Next Generation Science Standards), effective instructional strategies and technology. During the past several years, teachers in each curricular have focused on identifying and refining essential learning targets, creating common formative and summative assessments around those essential learning targets, sharing data gleaned from the common grading of the summative assessments, and developing interventions for those students not achieving mastery of those learning targets. Teachers are given release days to work on common formative and summative assessments, the Common Core & NGSS standards and effective instructional strategies to support both.
