School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Plaza Vista School is a K-8 single-track, year-round calendar school located in the community of Irvine. The Irvine Unified School District, located approximately forty-five miles southeast of Los Angeles, serves over 24,000 students representing a diverse population of both ethnic and socio-economic groups. Approximately 947 students attend Plaza Vista School. The building is a beautiful, modern single story facility encompassing 63,000 square feet and was built in 1999. Our school proudly serves over twenty languages with concentrations in Mandarin, Vietnamese, Korean, Japanese, Spanish and Farsi. The Plaza Vista student population is a microcosm of the rich diversity found in California. As a TK-8 school, we will have the pleasure of watching these children grow and develop over a span of ten years. This extended family makes Plaza Vista a special place for children and adults.

We at Plaza Vista are committed to ensuring all students experience successes regularly. Through the effective use of collaboration and dedicated time we will utilize all available resources for students to reach and exceed individual goals. Our mission is to create a school that fosters open lines of communication and support. We value honesty and respect for all. The curriculum is comprehensive and considers each individual. We desire a school that is safe, clean, and attractive. Our intent is to provide an appreciative, friendly atmosphere for all of our community. We are committed to the love of learning and will actively seek to instill this desire in our students. Our primary goal is academic, social, and physical achievement for all students.

Plaza Vista opened its doors in 1999 as a year-round option for Irvine students with a focus on family, the arts, and academics. Today, Plaza Vista is a neighborhood school with many of the traditions from its outset continuing to thrive. Science specialists and science teachers serve students starting in 4th grade. Our supportive PTA helps fund art for students in kindergarten through 5th grade. IPSF helps fund numerous instructional aides (with many of those staff holding teacher credentials) and music classes for all students. Computers are available for students in all grades along with Chromebooks and iPads (thanks in part to our amazing PTA). Grades three and above have at least one computer or Chromebook per student to use at school (1:1). Plaza Vista’s Positive Behavior Intervention System framework is PRIDE- Partnership, Respect, Integrity, Determination, and Empathy. Our entire student body benefits from our middle school students’ leadership via student council, PRIDE mentoring, National Junior Honors Society, No One Eats Alone Day, recycling work, and more. Our amazing PTA strengthens community and provides resources for our school program in numerous ways including our annual carnival in May (please join us!), the Jog-a-thon, the annual membership drive, family nights (which have included a magic show, bowling, restaurant nights, a “drive-in” movie, bingo, and much more), guest speakers, the book fair, assemblies, bake sales, lunch-time activities and games, field trips, Red Ribbon Week, and more! The Mission Statement of Plaza Vista is: All staff through collaboration, shared leadership, and while engaging in intellectual risk-taking, will support every child. An unofficial but hallowed slogan here painted in the hallway is: We take care of this place, we take care of each other. Plaza Vista is a California Gold Ribbon School, a California Distinguished School (twice awarded), and a California Honor Roll School. Our students achievement on standardized exams consistently ranks amongst the highest in the state (like many Irvine schools).

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

As one of the newer schools in the district, our facility is extremely comfortable and conducive to learning. The building and grounds are spacious and very utilitarian. We think the appearance of a school as well as its occupants reflects the level of care and attention given to the education of the children inside.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Please feel free to contact the school office and speak with our administrative staff regarding any enrollment or program questions. Our friendly and knowledgeable staff will be glad to be of assistance. Our PTA is highly involved in the daily operations of the school and supports our students with time, money and resources. For more detailed information regarding Plaza Vista's PTA, please visit our school's website. There are a wide variety of opportunities for parents to participate in the activities that occur here at Plaza Vista. We have the school calendar and related items available on our website for those interested in gaining valuable information about our program and activities.

Our School Site Council meets several times a year as well.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.5	0.4	1.2	1.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	3	277	
Expulsions	0	5	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The Plaza Vista safety plan is updated annually and is an ongoing school activity conducted with the assistance of the Orange County Fire Authority and the Irvine Police Department and in conjunction with Irvine Unified district office personnel. We practice components of our emergency plan monthly and evaluate our procedures regularly to assure the safest environment for our children. Our Assistant Principal (Rick Blazer) can provide more information.

Types of Services Funded (Fiscal Year 2019-2020)

The Local Control Funding Formula has replaced California’s previous method of allocating funds to school districts. In place of more than 40 specific funding categories, the new model has established three sources of state funding with increased local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program , 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Middle school zero period program, 12) Maintain positive behavioral intervention and support program, 13) Maintain site staffing with full-time assistant principals, 14) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 15) Support interventions and supplemental programs impacting English learners, low income and foster youth, 16) Continue to build Career-Technical Education pathways and blended On-line learning opportunities for students, 17) Develop mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	15	15	10

Targeted staff development activities are essential for maintaining and improving quality education. This year we have dedicated full days, plus numerous afternoons to professionally develop and grow as a staff. Our topics of focus this year include:

- Goal Setting
- Positive Behavior Interventions & Support (PBIS)
- Student Support & Interventions
- Examination of student assessment results
- California Common Core Standards
- Technology
- Reading Strategies
- Grade Level Articulation
- Professional Learning Communities (PLCs)
- Student Mental Health
- Failure as part of the learning process
- Intellectual risk-taking
- Supporting at risk populations.
