School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

The vision of Portola Springs Elementary is to inspire students, parents, and staff to communicate and collaborate, creating a vibrant learning community that is safe, inclusive, innovative, and encourages a growth mindset. Our focus is to instill a joy for learning, and empower our students to become creative problem solvers and responsible caring members of our local and global communities. Our mission statement reads: Portola Springs Elementary is a family of respectful and responsible learners. Together with our community we empower our students to be compassionate, empathetic citizens who make a positive difference in our world. Our Positive Behavior Intervention and Supports (PBIS) philosophy can be found throughout the school in calling our students to be GREAT-- Grizzlies are... Respectful, Empathetic, Always positive, and Truly responsible.

ELA- To build in differentiation through technology to challenge students in their academic growth.

Math- To utilize the Year at a Glance documents to focus on Essential Standards to prioritize academic goals and outcomes.

PBIS/MTSS- To build relationships and support the whole child approach (academic, social, and behavior) using SEL resources (Zones, Calm Classroom, Trauma Informed Practices, etc).

Social Justice Goal- We will help create civil and inclusive school communities where children cultivate empathy, challenge prejudice, and learn to be active participants within our democracy.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	80	N/A	74	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2019-2020)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parent involvement is critical to the mission of Portola Springs; it supports the staff and helps reinforce the importance of education to your child. There are many ways to get involved. Following are details of organizations available for parent volunteers.

Parent-Teacher Association (PTA)- Portola Springs is fortunate to have the support of an active group of parents who devote their time and talents to promote activities and events for our students. Our PTA assists in community building, planning, and providing financial support, not available by other means, which improves the quality of learning and increases opportunities for enrichment for all students. Parents are encouraged to attend meetings, support activities, and volunteer. Dates and times of meetings and activities will be posted on the PTA link of the Portola Springs website and on the Portola Springs PTA Facebook page.

School Site Council (SSC)- The School Site Council is a group of parents and school personnel whose responsibility is to plan, monitor, and evaluate our School Improvement Plan. Parent members are elected by vote of all parents in the fall. Meetings are open to the general parent community and the schedule of times will be listed on the Portola Springs Website and in the Grizzly Bizz Newsletter. English Language Advisory Committee (ELAC) The ELAC is composed of the principal, staff, and parents of English Language Learners who meet to review our instructional support of English Language Learner students. Sometimes this committee is combined with the SSC.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.4	0.7	1.2	1.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	3	277	
Expulsions	0	5	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Portola Springs Comprehensive Safety Plan was revised and reviewed in October 2020. It was reviewed with PTA, Staff, and School Site Council. The three main safety goals are as follows:

Goal #1- Personnel Training and Prep for a Disaster- This will include training new staff on roles and duties in the event of a disaster. Training to be completed with district personnel along with IPD.

Goal #2- Facility Awareness- This will include a staff basic understanding the safety features of this facility (such as key cards, locking doors, access systems, parking lot dynamics, etc). This will be accomplished with training and on-going reflection of procedures.

Goal #3- Community Awareness and Collaboration- This will encourage staff and students to work with the community to understand the dynamics of the community safety issues (such as wildlife and traffic) to educate all staff and students on response to such events.

Along with the safety components, Portola Springs also continues to implement both Positive Behavior Interventions and Supports (PBIS) and Multi-Tiered Systems of Support (MTSS) to ensure social-emotional safety of all students as well as academic and behavioral success and safety. Portola Springs G.R.E.A.T. (our school wide PBIS slogan) is a school-wide commitment to positive behavior support. Identifying, teaching, and reinforcing the expected behaviors allow students to achieve academic, behavioral, and social success. Portola Springs G.R.E.A.T. stems from the University of Oregon’s Center of Positive Behavior Interventions and Support (P.B.I.S.). Portola Springs Elementary staff has undergone extensive training and has experience with the P.B.I.S. philosophies. Our staff adopted the P.B.I.S. philosophy and our first step was our behavioral statement of purpose: Portola Springs Elementary is a family of respectful and responsible learners. Together with our community we empower our students to be compassionate, empathetic citizens who make a positive difference in our world.

Types of Services Funded (Fiscal Year 2019-2020)

The Local Control Funding Formula has replaced California's previous method of allocating funds to school districts. In place of more than 40 specific funding categories, the new model has established three sources of state funding with increased local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program, 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Middle school zero period program, 12) Maintain positive behavioral intervention and support program, 13) Maintain site staffing with full-time assistant principals, 14) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 15) Support interventions and supplemental programs impacting English learners, low income and foster youth, 16) Continue to build Career-Technical Education pathways and blended On-line learning opportunities for students, 17) Develop mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.
