School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

South Lake Middle School has been designated a California Distinguished School by the California Department of Education. This honor is based on our exemplary instructional program, our safe and personalized culture of respect, and involved parents and community partners. Our highly skilled staff motivates students to excel and provides the guidance for all to develop critical thinking skills and higher level learning strategies. Focusing on state and district standards, all students experience a rich curriculum and an opportunity to connect and build their knowledge base while developing research and presentation skills. We believe all South Lake students will become intellectual risk takers who persevere within a safe, yet rigorous, learning environment to navigate college and career options with confidence, skills, and diligence. At South Lake, we follow three essential tenants called South Lake Cares: Take Care of Yourself, Take Care of Each Other, Take Care of Our School.

School Facility Conditions and Planned Improvements

South Lake opened as a new facility in September 1994. The school was designed with the library media center as its hub. Surrounding it are six wings, each of which each have four classrooms opening onto a technology workroom/presentation area with a sophisticated infrastructure. To date there are three full classroom size computer labs within the schools, and an Innovation Lab with industry standard equipment in one of the wings. In addition, we have 22 Chromebook carts for student use distributed around the school. The facility was planned to maximize cross-curricular instruction, collaboration of professionals, and personalization of students. South Lake is a learning center where students feel safe and secure. A Campus Safety Supervisor supports and enhances school security and safety as well as support from the Irvine Police Department School Resource Officers. The Custodial staff takes pride in supporting and maintaining South Lake's facility. Students regularly assist in the cleaning and tidiness of their school. Recycling paper, plastic, glass, and metal material is a basic part of our school culture.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	66	N/A	74	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

We believe that students, teachers and parents must work closely together in an atmosphere of mutual respect and cooperation. Education is a function of both the community and the school that serves it, and we welcome your participation in your child’s educational development. Parents are encouraged to join the PTSA and are invited to work on one of the many PTSA committees that serve our school – whether through assistance to the library/media center, our physical education program, our counseling program, student leadership, school fundraisers, etc. Through a school wide nominating and election process, parents may also actively participate as members of our School Site Council, choose to be a member of our English Language Advisory Committee, or participate in a Title 1 Parent Education presentation. Parent Engagement opportunities are provided through CHOC Grant as well as through our Counseling department. Parent Input about topics for parent engagement is solicited through survey. We welcome and encourage parents to visit and utilize our school web site, parent portal, Canvas and read the Principal's Newsletter to stay informed and involved with their student's progress and experiences in school.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	5.8	3.9	1.2	1.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	19	277	
Expulsions	1	5	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

South Lake School has developed a comprehensive Safe School Plan. Our plan is evaluated yearly and amended, as needed by the School Site Council and our school safety planning committee. Key elements of the plan include: 1. Assessing the current status of school crime committed on the school campus and at school-related functions, 2a. Child Abuse Reporting Procedures, 2b. Disaster Procedures-Routine and Emergency, 2c. Policies for Suspension, Expulsion and Mandatory Expulsion, 2d. Procedures for Notification of Staff Regarding Dangerous Students, 2e. Policies on Sexual Harassment, 2f. Policy Relating to School Dress Code (especially gang-related apparel), 2g. Procedures for Safe Ingress and Egress of Pupils, Parents, and School Employees To and From School, 2h. Procedures that Create a Safe and Orderly Environment Conducive to Learning at School, 2i. Rules and Procedures on School Discipline. At South Lake, we conduct regular fire and evacuation drills, and have participated in full staff Lockdown training in the event of an intruder through our partnership with the Irvine Police Department.

In addition to our Safe School Plan, South Lake students are expected to use our established Positive Behavior Support and Intervention (PBIS) system of South Lake Cares: Take Care of Yourself, take Care of Each Other, Take Care of Our School. Additionally, all classified and certificated staff at South Lake have been inserviced on both new State and District guidelines and expectations regarding "Bullying Prevention" and have designed interventions to promote an "anti-bullying" environment at South Lake. Staff have also participated in Suicide Prevention and Intervention, PBIS strategies and built school-wide common agreements for student behavior to promote a positive learning environment.

Types of Services Funded (Fiscal Year 2019-2020)

The Local Control Funding Formula has replaced California’s previous method of allocating funds to school districts. In place of more than 40 specific funding categories, the new model has established three sources of state funding with increased local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program , 2) provide summer school 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Support for English language learners, 5) Purchase textbooks and instructional materials, 6) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 7) Maintain previously implemented class-size reduction, 8) Additional secondary sections to reduce class size, 9) Middle school EDPE program, 10) Maintain positive behavioral intervention and support program, 11) Maintain site staffing with full-time assistant principals, 12) 450:1 counseling ratio 13) Support interventions and supplemental programs impacting English learners, low income and foster youth, 14) Continue to build Career-Technical Education pathways and blended On-line learning opportunities for students, 15) Develop mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	12hrs	12hrs	6hrs

The focus of Professional Development during for the past three years has been to: (1) Build site-wide PLC capacity (2) Refining instructional targets, assessment and grading best practices in using The Learning Cycle; (3) Identify and implement models of interventions for students not yet achieving standards, and ensure that all students acquire the appropriate academic competencies that are needed to prepare them to transition successfully beyond IUSD; (4) Coordinate our collaborative efforts in working together as a Professional Learning Community – where all teachers teaching the same classes agree on the most essential and enduring learning outcomes, how to best teach towards those outcomes, how to measure whether individual students have attained these goals, and how to best assist students who have not yet reached proficiency on our essential learning targets. (5) Refine our school-wide model for Positive Behavior Intervention and Support systems, and focus on Growth Mindset. (6) Use of technology in the classroom to increase student engagement, and boost critical thinking skills. Added to this year is site-wide work addressing Social Justice and what it means to be an anti-racist teacher. Majority of site PD is dedicated to building site capacity to address Social Justice in the classroom and across campus.

Support to work on these areas is limited this year due to COVID measures. All PLC teams meet on Mondays to work on goal areas 1, 2, 3, and 4. Goal 5 is on hold at the moment due to current learning conditions. Goal 6 and 7 have been addressed through Monday all-staff PD.

District allots 4 PD days to site PLC teams (3 standard days + 1 day related to the opening of schools)
