School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

At Stone Creek Elementary School we strive to become contributing members of society empowered with the academic knowledge, social skills, and core values necessary to meet the challenges of a changing world.

Located in the village of Woodbridge, in the city of Irvine, Stone Creek is a neighborhood school with an enrollment of 571 students in grades kindergarten through six. Stone Creek's educational program features a strong academic focus in a structured and supportive setting. We provide a safe and nurturing school environment where all students are challenged to reach their maximum potential. Parents and staff work in partnership to ensure that every child is successful. Our offerings this year have included GATE clusters in classrooms, special education support, Early Intervention Reading Model support for grades K-1, after-school supplemental math instruction, instructional support for our English Language Learners, and regular education classes. We are also fortunate to have a number of students representing a variety of ethnic backgrounds and languages, which adds to the rich diversity of our school.

Each of our teachers participates in a variety of professional learning activities designed to enhance their professional skills. Our curriculum specialists provide enrichment in art, music, and science, and our support staff provides assistance and reinforcement of essential skills. At Stone Creek, we are fortunate to offer a 1:1 device to each which enables our students access highly engaging learning opportunities while gaining the technical skills necessary for their future.

School Facility Conditions and Planned Improvements

Stone Creek Elementary school opened in 1978 and completely modernized during the summer of 2009. Our facility includes fifteen modified self-contained classrooms within the main building and seven relocatable classrooms to serve our student population. Stone Creek includes a library/media center, which houses books, iPads, chromebooks and computers. A separate multipurpose room is the setting for assemblies, programs, and music instruction. In 2018 our school facilities received upgrades to our former computer lab and library space, creating a more open library space that connects to a newly designed innovation lab. This project also included the addition of a design lab used for science purposes to our campus. In addition, classrooms inside the building were upgraded with doors to increase safety by having lockable doors and reduce the noise level in all inside classrooms. All classrooms are connected to the internet, and LCD projectors have been installed in each classroom.

We continue to focus on providing a safe environment for our students and have worked with the Irvine Police Department and our parent community to develop a drop off and pick up system that keeps traffic flowing more effectively in a parking lot that was never designed for the current level of use.

Supported by Maintenance and Operations staff and Grounds staff, our custodial staff is dedicated to keeping our building and grounds clean and safe for all students and staff. Our playground and blacktop areas are well-maintained and playground equipment was recently upgraded on the main play area and the kindergarten area. This year, Stone Creek was also given new 28 new lunch tables to upgrade our lunch area and kindergarten playground.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	78	N/A	74	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Stone Creek Elementary School is a neighborhood school in a community that places a high value on education and the importance of the home and school partnership. Parent participation is valued and there are numerous opportunities for parent volunteers at Stone Creek. We have parents, grandparents, and community members volunteering in classrooms, participating in School Site Council and PTA activities, assisting with fundraising, political action, community service, and a wide range of committees which are so vital to providing a successful learning environment for all students. Parents also have the opportunity to participate in the District English Language Advisory Committee, School Site Council, the GATE Community Advisory Committee, and the Special Education Advisory Committee. We enjoy welcoming parents on campus for special events such as Picnic with Parents, Book Fair, STEAM Night, Back to School Night, Open House and Family Fun Nights.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.2	0.2	1.2	1.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	277	
Expulsions	0	5	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Stone Creek School has developed a Comprehensive Safe School Plan. Our plan is evaluated and amended, as needed by the School Site Council, Risk Management at District level, and/or staff. Key elements of the plan include: 1a) Safety goals and objectives, 1b) Assessing the current status of school crime committed on the school campus and at school-related functions, 2a) Child Abuse Reporting procedures, 2b) Disaster procedures – routine and emergency, 2c) Disaster teams and their roles, 2d) Policies for suspension, expulsion and mandatory expulsion, 2e) Procedures for Notification of staff regarding at-risk students, 2f) Policies on sexual harassment, 2g) Policy related to school dress code, especially gang-related apparel), 2h) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school, 2i) Procedures that create a safe and orderly environment conducive to learning at school, 2j) Rules and procedures on school discipline.

In addition, monthly fire drills are conducted at Stone Creek. Two lockdown drills as well as two disaster drills are held annually. Emergency supplies are stored in classrooms and strategic locations throughout the school.

Staff has also participated in Lockdown Safety training provided through the district and Irvine Police Department.

Types of Services Funded (Fiscal Year 2019-2020)

The Local Control Funding Formula has replaced California's previous method of allocating funds to school districts. In place of more than 40 specific funding categories, the new model has established three sources of state funding with increased local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program, 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Middle school zero period program, 12) Maintain positive behavioral intervention and support program, 13) Maintain site staffing with full-time assistant principals, 14) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 15) Support interventions and supplemental programs impacting English learners, low income and foster youth, 16) Continue to build Career-Technical Education pathways and blended On-line learning opportunities for students, 17) Develop mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	8	8	8

Each year our district and school offer Professional Growth opportunities for all staff. The focus of the staff development is around the implementation of new curriculum and/or materials, enhancing effective teaching strategies, and district and school-wide continuous improvement efforts. This year, Stone Creek is focusing on the effective use of targeted instruction in reading and math, implementation of IUSD's newly adopted social justice standards, and building resources to support students' emotional and behavioral needs. Our PBIS and MTSS teams are gaining a firmer grasp of Tier I systems, as we progress to Tier II through training with Guidance Resources at district level.

Staff members attend two 6-hour Professional Development days and six 2-hr Professional Development meetings.
