## School Accountability Report Card

### Reported Using Data from the 2019-2020 School Year

#### Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

Woodbury Elementary School staff and students moved to our new home on October 15, 2007. We have blended the two communities, El Camino Real and Woodbury, as well as our traditions and new ideas. We are proud of our warm school culture focused on values and our strong academic program.

Woodbury Elementary School is celebrating over 40 years of educating children in Irvine. The emphasis on academic achievement, as well as providing a caring environment, where values are practiced and taught on a daily basis, has made Woodbury Elementary School a desired school for many families. The staff places its highest priority on the development of students who become responsible and productive individuals through teaching and modeling the values of Perseverance, Respect, Integrity, Initiative, Cooperation, Compassion, Courage, and Positive Mental Attitude. Translating this set of Values into action through the instructional program is the challenge so expertly met by our professional staff on a daily basis.

Woodbury is one of four year-round elementary schools within the Irvine Unified School District. Our enrollment this year is approximately 1187 students in transitional kindergarten through sixth grade. Thirty-seven full-time classroom teachers are responsible for the delivery of the instructional program. Upper grade science (grades 4-6) is taught by a science specialist. A specialized academic instruction teacher, a speech and language specialist, our school psychologist, and an instructional aide support students demonstrating unique needs in their learning. An upper-grade art specialist, funded by the Irvine Public Schools Foundation, teaches art lessons six times throughout the year. Music specialists provide vocal and instrumental music instruction to students in grades 4-6, and vocal instruction in grades kindergarten-3. Additional staffing at Woodbury includes office, health and custodial personnel, and instructional aides working with students in the areas of technology, library skills, and developing English language fluency.

**MISSION**

Our mission at Woodbury Elementary School is to create a nurturing environment through which we meet the academic needs of our students, and empower them with the values necessary to become contributing members of society. By combining a rigorous academic program guided by the Common Core Standards, dedicated staff members, and a nurturing educational environment, we aim to help all students recognize their potential and the joy of learning.

We teach these values through a school-wide behavior program called LEAD:

Live our values  
Exhibit respect  
Act safely  
Do your best!

Students succeed at Woodbury. This is due, in large part, to the tremendous amount of parent support and involvement in our instructional program. Our PTA has an incredibly active membership focused on doing what is best for kids. It is our philosophy that learning is a developmental process and that children need to learn to make appropriate choices about their learning and to be responsible for the choices they make. Students are continually exposed to instructional strategies that cause them to reflect, think, problem-solve, and collaborate with each other in a safe learning environment. Cooperation and a positive sense of self are the result.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

## School Facility Conditions and Planned Improvements

Woodbury has state of the art computer and STEAM Innovation labs, LCD projectors in each classroom, document cameras in all classrooms, a fully equipped multipurpose room, and a spacious library and STEAM Lab at the center of our school. Working and learning in an attractive, well-maintained facility is a top priority at Woodbury. Woodbury has a 5 to 1 ratio of networked computers to students. Our large state of the art Multi-Purpose Room lends itself nicely to many assemblies and performances. The center of our school houses four STEAM Innovation Labs, the main computer lab, and library. Each student (grades 2-6) visits a STEAM lab once a week. Only half the class attends at each time, allowing for reduced class size in the classroom for 50 minutes.

The library is available throughout the day for students to conduct research and project development. Upper grade science is taught in the classroom, as well as in a lab setting by the school science specialist. The campus is maintained weekly by IUSD Grounds staff. All restrooms are open for student use throughout the day and are maintained daily by our on-site custodians. The staff at Woodbury takes great pride in keeping a safe and clean learning environment for students, staff and parents.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	75	N/A	78	N/A	50	N/A
Mathematics (grades 3-8 and 11)	72	N/A	74	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

**California Physical Fitness Test Results (School Year 2019-2020)**

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-2021)**

A variety of opportunities exist for parents to become involved in school life, and to support their child’s learning. We encourage and welcome parent volunteers in every classroom. Parent volunteers support a variety of school programs such as our STEAM Innovation Labs, library, ACE program, and school fundraisers. Parents interested in working in the classroom to support the teacher, and the learning process, should contact their child’s teacher. Woodbury’s PTA enjoys active membership. Our PTA sponsors an incredible amount of programs and services to students that is headed up this year by Armi Abiera, PTA President. School Site Council (SSC) is another avenue for parent involvement. The contact person for SSC is Jamie Snyder, School Site Council Coordinator and Assistant Principal, or Alan Battenfield, Principal.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.3	0.1	1.2	1.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1	277	
Expulsions	0	5	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### School Safety Plan (School Year 2020-2021)

School Safety: Woodbury Safe Schools Plan was developed under the legislative guidelines that created the plan. It is updated annually by our school's Safe School Plan Committee, and reviewed by Woodbury's staff and School Site Council Members at the beginning of each school year. Disaster Preparedness Plans are reviewed extensively which includes the practice of specific staff assignments through regular drills. This Multi-Hazard Plan includes our response to a variety of disasters as well as how students and staff safety and care will be provided. Most certificated and classified staff members are CPR certified.

## Types of Services Funded (Fiscal Year 2019-2020)

The Local Control Funding Formula has replaced California’s previous method of allocating funds to school districts. In place of more than 40 specific funding categories, the new model has established three sources of state funding with increased local discretion to determine how best to spend those funds in the service of students. All districts receive a BASE of per-student funding that varies slightly depending on grade level. All districts also receive SUPPLEMENTAL funding. IUUSD has used BASE and SUPPLEMENTAL funding to support the following programs:

Site Programs and Services: 1) Support professional learning and teacher coaching through induction program, content TOSAs and teacher mentor program , 2) provide summer school and summer athletic programs, 3) Allocating site funding and staffing to support student achievement through support of Professional Learning Communities (PLC) and site PLC coaches, 4) Elementary P.E. paraprofessionals, 5) Support for English language learners, 6) Elementary science, music, and art programs, 7) Purchase textbooks and instructional materials, 8) Develop a technology rich learning environment including; Technology matching programs, Technology Maintenance fund and site technology support staff, 9) Maintain previously implemented class-size reduction, 10) Additional secondary sections to reduce class size, 11) Middle school zero period program, 12) Maintain positive behavioral intervention and support program, 13) Maintain site staffing with full-time assistant principals, 14) 450:1 counseling ratio, support for large elementary schools and elementary classroom aides, 15) Support interventions and supplemental programs impacting English learners, low income and foster youth, 16) Continue to build Career-Technical Education pathways and blended On-line learning opportunities for students, 17) Develop mental health and wellness programs and hire district and site based staff including support for the Irvine Family Resource Center.

Finally, CONCENTRATION grant funding equal to 50 percent of the base is provided to districts in which English-learners, low-income students and foster youth exceed 55 percent of the total enrollment. Irvine Unified School District is not eligible for concentration funding because its enrollment does not exceed the 55 percent threshold.

## Teacher and Administrative Salaries (Fiscal Year 2018-2019)

## Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	3

The Woodbury Elementary School Site Council updates our school improvement plan annually, establishing goals for training and curriculum improvement that support school, district, and state goals. The School Site Council also collaborates on the use of school site funds to support curriculum and staff development activities related to our school plan.

Woodbury Elementary School and the Irvine Unified School District are committed to continuous professional improvement. We continue to develop strategies and practices that differentiate instruction to better meet student needs through the Professional Learning Communities model. In addition to the four full days of staff development and six two hour staff development sessions, teacher training is provided monthly at staff meetings, through district sponsored training, and the attendance by individual teachers or groups of teachers at educational conferences provided outside the Irvine Unified School District. Over the last three years, training has focused on instruction in language arts and math, Professional Learning Communities, classroom technology strategies, math interventions and student mental health and behavior.
