  - a. Deliveries typically occur starting at 7am Monday through Friday. There are times, when school is in session, that deliveries must occur after hours or on weekends.

  - a. No. Per the Bid Documents, Page 3, Section 3: Bid Pricing. **Bid prices are to include shipping**, F.O.B. Irvine Unified School District, drawings of layouts, assembly, inside delivery, and any required installation.

At a minimum, descriptive technical literature (manufacturer's specifications and a picture of the specific item), marked with the appropriate bid item number, should be provided fully describing the claimed "or equal" product. Suitability and valuation of "equals" rest in the sole discretion of the District. Request for substitution received after the timeframe stated for Requests for Information (RFI's) deadline (noted on the Calendar of Events) will not be considered. If the substituted item is acceptable, the District will approve it in an Addendum issued to all bidders of record. It is understood and agreed to by the bidder that the District reserves the right to reject any such proposed substitution. If the material, process, service, or equipment offered by the bidder is not, in the sole opinion of the District, then the bidder expressly understands and agrees that bidder shall furnish the material, process, service, or equipment specified by the District.
5. Are we able to add manufacturers than what is listed on the bid documents?
  - a. The District is not adding any manufacturers at this time.

6. On page 15, Section 15 states, “bidders can be either a manufacturer or authorized reseller...” Is there anywhere in the bid that says a manufacturer can’t bid the contract direct and list the authorized local dealers to services, sell and warranty the product?
  - a. Per the Bid Documents, Page 13, Section 31: 31. No Assignment. The successful bidder shall not assign, transfer, or convey the contract which may be awarded, or any right accruing there-under, title or interest therein, funds to be received hereunder, or any power to execute the same.
  
7. Can we provide alternates to the listed manufacturers?
  - a. Per the Bid Documents, Page 11, Section 22: 22. Substitutions (if applicable). All items bid must conform to the terms and conditions set forth in these bid documents. At a minimum, descriptive technical literature (manufacturer’s specifications and a picture of the specific item), marked with the appropriate bid item number, should be provided fully describing the claimed “or equal” product. Suitability and valuation of “equals” rest in the sole discretion of the District. Request for substitution received after the timeframe stated for Requests for Information (RFI’s) deadline (noted on the Calendar of Events) will not be considered. If the substituted item is acceptable, the District will approve it in an Addendum issued to all bidders of record. It is understood and agreed to by the bidder that the District reserves the right to reject any such proposed substitution. If the material, process, service, or equipment offered by the bidder is not, in the sole opinion of the District, then the bidder expressly understands and agrees that bidder shall furnish the material, process, service, or equipment specified by the District.
